

NIGHT EDITION  
STATE HIGHWAYBill Authorizing It Sure to  
Become Law

The bill for the state highway from Lowell to Lawrence was crossed in the house today. It will probably pass the enacting stage tomorrow and then go to the governor for his signature. The passage of the measure into law is assured so that those who have fought for the state highway have won. It will be a great convenience to Lowell

and Lawrence as well as to the intervening territory. The counties will have to rough grade part of the road over private land and of this the city of Lowell will have to pay part of the expense. Sen. Hibbard worked very hard for the improvement since the agitation began and used his influence in the senate and house in favor of its passage.

## THE O.M.I. CADETS

## To do Guard Duty Sunday Night

The O. M. I. Cadets will meet in their armory at the Immaculate Conception school tonight at 7.30 and preparations will be made for the parade to be held at the Immaculate Conception church Sunday evening. The Cadets will act as a guard of honor and will wear the regulation uniform, Rev. Dennis Sullivan, O. M. I. wants the presence of every cadet at the meeting to-night as there are important instructions relative to the guard duty on Sunday night to be explained.

be in line. Rev. Fr. Flynn, O. M. I., is county chaplain of the Hibernians and is stationed at the Immaculate Conception church, and so Fr. Sullivan has called on the cadets to take part in the great A. O. H. demonstration in August.

Maj. Haggerty of the cadets is adjutant of the High School regiment and at the field day of the High School boys made a grand showing. His was an important place and the young cadet acquitted himself admirably.

Chippewas, Talbot hall, tonight.

## AMES IS CONFIDENT

That He Will Win the Fight  
Against Senator Lodge

WASHINGTON, May 27.—Representative Ames returned from Massachusetts yesterday enthusiastic over the political situation in the state.

"Everything looks good to me," said Mr. Ames. "Senator Lodge and his friends are working hard to defeat the will of the people, but I predict that they will be unable to do so."

Mr. Ames returned to attend the hearing before the house committee on foreign affairs today on the bill providing that the Panama canal exposition in 1913 should be held at New Orleans. In the course of the hearing Mr. Ames stated that he had been deluged with communications from Massachusetts urging that New Orleans be selected as the exposition site in preference to San Francisco. He said that many Boston people are interested in the United Fruit company, which operates banana lines touching at Boston and New Orleans and has important property interests at New Orleans.

Mr. Ames' statement was received with enthusiasm by the crowd of New Orleans boomers present. They took it to mean that he was in favor of New Orleans, but he says he will vote for the best city.

Gov. Sanders of Louisiana, speaking of the geographical advantages of New Orleans, said it was within easy distance of every large center of population in the country. "It is close to Massachusetts," added Gov. Sanders, looking at Mr. Ames.

"Yes, I know," replied Mr. Ames, dryly. "One of my ancestors made the trip." Mr. Ames' humor was appreciated by the New Orleans people.

Representative Ames was asked about the recent denial of Representative Gardner that he had signed Mr. Ames' petition asking the ways and means committee to report the Ames Canadian reciprocity resolution.

"Gussie is right and Gussie is wrong," replied Mr. Ames. "In my letter to Chairman Payne, which I read in the house, I stated that all of the Massachusetts republican congressmen signed the petition. That was a mistake which I corrected, or intended to correct, in my remarks on the floor. I intended to say then that all but two of the Massachusetts republicans signed the petition."

"Mr. Gardner was absent in the south when I prepared the petition. When he returned for a day or two I asked him to sign and he refused. Neither did Rep. McCall sign. He favors my resolution in the senate. It should be reported, but being a member of the ways and means committee he would have been put in the position of signing a petition to himself."

"I intended to say these things in the house, but was in a hurry to catch a train, and may have omitted to bring these facts to light. If so, the record should be corrected. I see no occasion for Mr. Gardner to raise the question he did. It will do him no good."

In the afternoon Rep. Ames and Foss talked over informally the political situation in Massachusetts. Both were at home recently. Although these two men belong to opposite parties they are not very wide apart in respect to certain phases of the Massachusetts political situation.

Relative to the Erection of a  
Beaming Plant

The following petition relative to the erection of a beaming plant by the American Hide & Leather company was submitted to the board of health this afternoon. Similar petitions were submitted some time ago and there are others in circulation:

May 7, 1910.  
To the Board of Health, Lowell, Mass.  
Gentlemen: The undersigned, residents, property owners and taxpayers, disturbed and alarmed at the position taken by the American Hide and Leather company relative to the erection of a beaming plant as shown by their letter to your body dated April 25th, ult., their attitude being in effect that while it is insisted that your board has no authority or jurisdiction over the matter, the company nevertheless desires your approval to their erecting such plant on the location described in said letter, and seek from you a formal permit therefor, do hereby emphatically protest against the establishment of any such plant, however modernized, upon the location suggested, or any other location in the immediate vicinity; and respectfully

pray that you withhold your approval thereof, and refrain from any action encouraging such project until an opportunity be afforded the citizens of Lowell to appear before you at a public hearing, time and place thereof to be fixed and duly warned by you, there to state fully their objections in the premises. ## AUTO WENT WILD

Two Women Were  
Killed Instantly

LOGAN, O., May 27.—While returning from a party at midnight an automobile driven by William Snider, president of a lumber company, ran over an embankment and Miss Lillian Wright and Miss Flossie Herman were instantly killed. Mrs. Goss has a fractured leg and Miss Snider's leg was broken. Miss Wright was to have been married next Wednesday.

## DEATHS

MAGUIRE—Mrs. Ann Maguire, a devoted member of St. Patrick's parish,

died last night at her home, 1 Hancock avenue. She is survived by three sons, James of Whitman, Mass., John of Chicago, and Peter of this city; four daughters, Mrs. Charles Burns of Southport, P. E. I., Mrs. John J. Delaney and the Misses Catherine and Elizabeth MacGuffee of this city; two sisters, Mrs. John McKenna of Prince Edward Island, and Mrs. Alice Mullen of Ashmont, Mass.

O'CONNELL—Mrs. Margaret O'Connell, widow of Michael O'Connell, died yesterday at the city hospital, aged 87 years. The body was taken to the chapel of J. F. O'Donnell & Sons.

TAFF—Mr. Christopher Taff, an old and highly esteemed resident of Belvidere, died this morning at the home of his daughter, Mrs. John Graham, 37 Andover street. He was a devout attendant of the Immaculate Conception church. He is survived by two daughters, Mrs. John Graham, and Mrs. Thomas Roddy, and three sons, Richard, Patrick and Christopher, all of this city.

## MOTOR RACING

INDIANAPOLIS, May 27.—Three days of motor racing with a field of sixty starters opened today at the Indianapolis speedway, the new two and one-half mile course, the only brick track in the world. All possible safeguards have been made against a repetition of the fatal accidents that marred the races at the speedway last summer. A cement retaining wall has been built along the upper edge of the course near the stands to prevent the cars crashing into the crowd of spectators if wheels should break or tires rip. The track ground to the smoothness of a floor, offers no resistance to all the speed drivers can force from their motors.

A one hundred mile race presented the greatest test of endurance on the card for today. Twelve cars were entered. The other events were for five and ten miles, including speed trials and a free for all handicap with 28 cars entered.

## REV. FR. CONWAY

## Preaches Eloquent Sermon at St. Peter's

The triduum under the auspices of the Immaculate Conception sodality of St. Peter's church was opened in that church last evening with a large congregation present. As the triduum is being conducted by two noted Jesuit preachers all the services are expected to be largely attended.

Last evening's sermon was given by Rev. Fr. Conway, S. J., vice president of Boston college, a foremost orator, will deliver the sermon. Fr. Gasson is a close friend of Rev. Dr. Kellher, pastor of St. Peter's.

Tomorrow will be devoted to confessions and the closing exercises will be held on Sunday with Fr. Conway again the preacher. There will also be a reception into the Immaculate Conception sodality.

## PRESBYTERIAN ASSEMBLY

ATLANTIC CITY, N. J., May 27.—The general assembly of the Presbyterian church will end its deliberations here tonight but final adjournment may possibly be prevented until tomorrow by a discussion of the report of the commission which has been considering the Black heresy case.

It is understood the commission has decided the question whether the presbytery of New York city violated laws of the church in licensing three students after they had admitted disbelief in the immaculate conception and other teachings but no inkling as to the verdict has been permitted to come from the room in which the commission held its sessions.

## EIGHT HOUR BILL

## Vetoed by Governor Draper Today

Gov. Draper this morning vetoed the eight-hour bill, so-called, as he intimated he would.

The bill will be taken up by the legislature next week and while there is no doubt that a majority will vote to pass the bill over the governor's veto it is a question whether the necessary two-thirds vote will be obtained to pass the measure over the veto.

## LOSS IS \$2000

## Fire in Lawrence This Morning

LAWRENCE, May 27.—Fire which threatened an entire block of wooden ten footer buildings numbered 90 to 128 Essex street broke out this morning. Two alarms were sounded and the buildings are in the heart of the business section and surrounded by wooden frame buildings. The fire started in Gustave Youngbauer's sausage shop and smoke filled every building in the block. The fire was confined to three stories. Youngbauer's, Abe Katz shoes, and "Bully" Bell's saloon. The latter suffered the most damage. The entire damage will not exceed \$2000.

## ANNUAL BONUS

## Paid to Moore Mill Operatives

The annual bonus allowed the operatives of the Moore Spinning mill at North Chelmsford for strict attention to business during the year was paid today. The bonus amounts to about ten per cent. of the year's wages and is not paid to any operative who has been absent from his or her post of duty more than ten working days in the year, except such time as may be allowed for vacation. This system was adopted by the company a few years ago and works to the entire satisfaction of all concerned. It is an incentive for the operatives to attend strictly to business and it was stated today that a majority of the operatives were paid the bonus.

The Shaw Stocking company has declared the regular semi-annual dividend of three per cent. to be paid June 1.

## SEALING TREATY

VICTORIA, B. C., May 27.—Negotiations for a sealing treaty between the United States, Canada, Russia, and Japan are reported here to be practically completed. Private information was received here yesterday that the United States will compensate Victoria sealing schooner owners and Canada will receive a percentage of profit from the Pribyloff seal herds. Under the treaty pelagic sealing will be stopped in the North Pacific ocean for a long term of years and the interested nations will meet laws making it an offense for a vessel to be cleared for sealing. The United States did this many years ago.

# BEATRICE AYER

Becomes Wife of Young Army Officer

Miss Beatrice Banning Ayer, daughter of Mr. and Mrs. Frederick Ayer, of 395 Commonwealth avenue and Prides Crossing, and Lieut. George S. Patton, Jr., 15th U. S. cavalry, son of Mr. and Mrs. George S. Patton of San Gabriel, Calif., were married yesterday in St. John's church, Beverly Farms, by Rev. Dr. George A. Gordon of the Old South church of Boston, who was assisted by Rev. Eugene Hingulin, rector of St. John's.

The ceremony was witnessed by relatives and friends from California, St. Paul, Virginia, New York, Washington and Boston. A special train conveying the party from Boston to Beverly Farms, and returning after the reception and dance that followed at Avalon, the summer home of the bride's parents at Prides Crossing.

Miss Ayer was a charming bride. Her gown was the one worn by her mother at the latter's marriage 25 years ago. It was of heavy cream embroidered satin, with court train, and was worn in the same style as originally designed. The bridal veil of tulle was fastened with orange blossoms. She carried a prayer book.

The maid of honor was Miss Katherine Ayer, youngest sister of the bride. Miss Annie Patton, sister of the bridegroom, Miss Ruth Banning of Los Angeles, cousin of the bride, and Miss Rosalind Wood and Miss Helen Longyear of Boston were bridesmaids. They were gowned alike in cream lingerie frocks, richly trimmed with lace and insertion and worn over satin, and wore hats of Napoleon lace, trimmed with blue satin ribbon and small wreaths of moss rose and forget-me-nots. They carried lilacs of the valley.

The bridegroom, in military uniform, was attended by Frederick Ayer, Jr., brother of the bride, as best man. The ushers were Lieut. George Patton Brown, Jr., S. N. cousin of the bridegroom; Lieut. Philip S. Gage, U. S. A.; Lieut. Paul H. Hornum, U. S. A.; Lieut. Francis G. Delano, U. S. A.; and Lieut. James A. Brice, U. S. A.

They also wore military uniforms, and as the bride and bridegroom left the altar, after the ceremony, drew their sabres and formed an arch under which the bride couple passed. It was an impressive and picturesque feature.

The Ayer residence at Prides Crossing was beautifully decorated. Mr. and Mrs. Frederick Ayer were assisted in receiving by Mr. and Mrs. George S. Patton and Miss Wilson, an aunt of the bridegroom.

Among the guests were Dr. and Mrs. J. C. Ayer of New York, Mr. and Mrs. Charles Fanning Ayer of Boston, Mrs. William M. Wood of Boston, Miss Annie Ruggles of Norwich, Conn., Miss William Ayer Park of New York, Miss May Banning of La Crescenta, Cal., Mr. and Mrs. Joseph D. Banning, Jr., Banning, Jr., and Wm. D. Banning, all of Los Angeles; Mr. Alexander E. Horn of St. Paul, Mr. and Mrs. George

## WHEN THE SKIN AILS

Real "First Aid" in Eczema and Skin Troubles of Every Nature

Most medicinal preparations for physicians use follow the label what particular disease they are best adapted to cure. All the troubles readily curable by poslam, the new skin remedy, make a long list, including every variety of skin affection, for poslam is "first aid" whenever the skin ails. While primarily a remedy for eczema, acne, tetter, barber's and all other forms of itch, etc., it promptly cures all the lesser skin affections, pimples, blackheads, blotches, fever blisters, red noses, inflamed skin, rash, herpes, chaps, the complexion and keeps the skin in a healthy condition.

Many of these minor troubles are eradicated by poslam over night, others in a day or two, and many cases of eczema yield in two weeks. Itching stops on first application, and the skin begins to heal at once.

Every druggist keeps both the 5-cent and 25-cent jars, and the \$2 jar, and either of these may be obtained at Fells & Burkinshaw's, Carter & Sherburne's, and the Riker-Jaynes Drug Co.'s, as well as other reliable drug stores.

But no one is even asked to purchase poslam without first obtaining a sample package, which will be sent by mail, free of charge, upon request, by the Emergency Laboratories, No. 32 West Twenty-fifth street, New York City.

Cole Scott, Mr. and Mrs. A. Sidney Deaforth, Mr. McKee Dunn of Richmond, Va.; Lieut. Llewellyn Bull of West Point, Mrs. W. Norris of New York, Gen. and Mrs. C. J. Allen of Washington, and Mrs. Holstein Harvey and Mrs. George S. Capelle of Wilmington, Del.

Lieut. and Mrs. Patton will sail from New York Saturday for a month's trip abroad. They will make their home at Fort Sheridan, Ill., where Lieut. Patton is stationed.

## BODY LOCATED

MAN OVERCOME BY FUMES OF SEWER GAS

BOSTON, May 27.—After being carried for more than a mile through a section of the city sewer system, the body of John Gorman was located last night by searchers near the sewerage outlet at the harbor pumping station, South Boston. The body had been in the slushy channel for more than 50 hours, Gorman having fallen into the sewer from a manhole on Tuesday afternoon when he was overcome by the fumes of sewer gas.

## CANOBIE LAKE PARK

Canobie Lake Park will be formally opened for the season tomorrow morning. Improvements have been made by the management of all the concessions and from the standpoint of amusement, as well as in other directions, the park will be more attractive than ever. The dancing pavilion, restaurants, bowling alleys, merry-go-round, roller coaster, penny arcade and all the attractions, with the exception of the theatre, will be open. Half hour service will be run on all lines entering the park.

On Sunday, May 29, the first band concert for the season will be given by the Haverhill City band, under the direction of Conductor C. L. Higgins. On Monday evening, May 30, an athletic carnival will be given in the aid of electric lights. The running track has been placed in first class condition, new pavilion built and additional lights installed. The races will be run under the sanction of the A. A. U., the events consisting of a 10 mile run, 100 yard dash and 250 yard dash. The races will be held at night, and the grounds illuminated. The winners will be in view at all times. The first three runners in the 10 mile race will win handsome watches, while the prizes in the other events will be medals, three in each event.

## LOWELL OPERA HOUSE

The comedy element predominates in the new program presented at the opera house yesterday, when the mid-week change of bill at this theatre was seen. The comedienne part of the program includes the Hub City Comedy Four, a quartet of young men who sing well and have a routine interspersed with good comedy, numerous recitals being demanded of them last night before the large audience present was satisfied. Robinson and LaFave, comedy acrobats, also kept the audience in roars of laughter during fifteen minutes of clever acrobatic stunts that were exceptionally good. Scott and Dupree, a young woman of prepossessing appearance, and a nimble footed young man, proved to be a duo of clever, eccentric dancers, who made several changes of costume during their act, which was pronounced as good as anything of its kind seen for some time. Florence Brown is singing the latest popular illustrated melodies, while the pictures shown are all new and interesting, and include the biograph dramatization of Helen Jackson's novel, "Ramona," as well as a number of other good subjects. The present bill will be repeated today and Saturday, and Sunday afternoon and evening another of the popular comedians will be given with a complete change of pictures and a number of other special features. Matinees are given at the opera house every day from 2 to 7, and two full shows are given at night, commencing at 7 and 8:30. Prices are five and ten cents.

## THEATRE VOYONS

Three real comedies are listed on today's bill at the Theatre Voyons, each funny enough to provide all the laughs necessary for an ordinary show. "The Case of the Late," is a scream and a true comedy. "Gumout" contributes two excellent comedies, both witty and well acted. "The Winner of Love" is a charming love story of Holland with many picturesque scenes. The musical program is excellent in quality and is very pleasing. Sunday the regular concert will be given, and on Monday Miss Ida Wilson, late of the Boston Opera House, will join the musical staff of the Theatre Voyons.

## INJURIES FATAL

# THE MILK MEASURE

## For Fixing Standard Passed by the House Yesterday

BOSTON, May 27.—The Massachusetts senate yesterday refused to reconsider its vote by which the Berkshire trolley bill was passed to be engrossed, the division standing 3 to 19.

When the motion to reconsider was reached Senator O'Connor of South Boston said he wondered whether under this bill there would happen what occurred in New York under the railway act which resulted in the looting of New York.

Senator Lomasney of Boston said he had studied this bill and the whole bill is a joke. The directors of the New England Securities company are the puppet fingers of Pres. Mellon to control this railway. The New Haven, he said, is illegally holding stock in 600 miles of trolley railways. If the indignation of Massachusetts does not stop it, you will find the senator from Berkshire standing up here to ask that this senate validate the bonds of the New Haven railroad. Can the senate of Massachusetts, he said, ignore the recommendations of the railroad commissioners for years by passing this bill?

Mr. Lomasney said he was aware that he was to be followed by "that cunning, careful, and astute senator, the colossus of Berkshire (Senator Tuttle)." He was going to give way to him to give the reasons why this "plunder" should be permitted by the senate of Massachusetts.

### Tuttle Denies "Plunder"

Senator Tuttle said it was easy to call names; too easy for him to do so. It used to be the policy to run street railways by horses; it used to be the policy to kill murderers by hand; it used to be the policy of having no street railways at all; and every effort made to develop a great enterprise had always been met by opposition like this. No man could point to any feature or provision in this bill that could be construed as plunder. There is no plunder in it. Let the honorable senate vote as men upon a great undertaking and not to be influenced by attacks like these.

"Are you," said Mr. Lomasney, "going to head your railroad commissioners or are you going to listen to the soothing, dulcet tones of the honorable senator from Berkshire (Tuttle) with a two million dollar railroad up his sleeve. I tell you, Mr. President, that there is much damage in this bill

if we are not given two or three days to consider it." He closed with an appeal for reconsideration.

By a rising vote of 3 to 19 the senate refused to reconsider. The three senators who were in favor of reconsideration were O'Connor of South Boston, Lomasney of Boston and Mahoney of Holyoke.

Senator Malley of Springfield voted against reconsideration. Senator Meany did not vote. Senators Bates and Doyle were not in the chamber when the vote was taken. All the republicans present voted against reconsideration.

The yeas and nays were asked for and Pres. Treadway announced that the number who rose was not sufficient to order a roll call. Senator Lomasney raised the point of order that three senators had come in since the count was taken and the rule was one-fifth of the senate to order a roll call. Pres. Treadway said five senators rose and 40 senators were in the chamber. Senator Lomasney withdrew his point of order and the bill was then engrossed.

### Changed Attitude on Crossing

The senate reconsidered its vote rejecting the resolve relative to the abolition of the Charlestown grade crossing and ordered it to a third reading.

### Milk Standard Again Up

In the house Mr. Dow of Boston opposed the bill relative to the liability of producers of milk, which provides that if a milk is caught with milk that is below the standard he shall not be prosecuted unless he fails within 20 days to bring his milk to the required standard, and then only if he is caught a second time within 10 days after the expiration of the 20 days. He said such a bill would make it practically impossible to enforce the standard law.

Mr. Oliver of Athol said it is unfair to prosecute the farmer for every violation of the law, because he has no way of knowing whether his milk is up to the standard or not until the inspector tells him.

Mr. Waterhouse of Westminster said the number of dairy cows in Massachusetts is annually growing less and unless something is done to relieve the condition of the farmers they will disappear.

The bill was favored by Brown of

## Instant Relief for Sore Feet

Sore Feet, Tender Feet and Swollen Feet Cured Every Time. TIZ Makes Sore Feet Well No Matter What Ails Them

Policemen all over the world use TIZ. Policemen stand on their feet all day and know what sore, tender, sweaty, swollen feet really mean. They use TIZ because TIZ cures their feet right up. It keeps feet in perfect condition. Read what this policeman has to say: "I was surprised and delighted with TIZ for tender feet. I hardly know how to thank you enough for it. It's superior to powders or plasters. I can keep my feet in perfect condition. Believe in my earnest gratitude for TIZ. I am a policeman and keep on my feet all day."—Emory Harrell, Austin, Texas.

You never tried anything like TIZ before for your feet. It is different from anything ever before sold. TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous exudations which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and gives the feet—your feet.

You'll never limp again or draw up your face in pain and you'll forget about your corns, bunions and callouses. You'll feel like a new person.

TIZ is for sale at all druggists at 25c per box, or it will be sent you direct if you wish from Walter Luther Dodge & Co., Chicago, Ill.

Millbury, Pierce of Leominster, Crane of Blackstone and Holden of Stoneham.

Mr. Dow of Boston offered an amendment striking out the 10 day period for the taking of the second sample. He said the purpose of the state is that milk shall be kept at the standard all the time and not for a period of 10 days only. His amendment was defeated and the bill passed to be engrossed.

### New Income Tax Bill

When the state income tax bill was reached, Mr. Cushing of Boston asked why last year's law is not sufficient; that law provides for a tax upon all incomes which are not derived from property already taxed.

Mr. Dean of Wakefield said the present law applies in practice only to trades and professional men, and the committee felt it only fair to apply the same tax to all incomes.

Mr. Cushing then asked the bill an excellent example of double taxation. Mr. Hall of Dover said the bill as drawn would permit the taxation of gross rather than net incomes. Mr. Bothfield of Newton and Mr. Wood of Cambridge opposed the bill as improperly drawn.

Mr. Saunders of Clinton was amused at the attitude of those who a month ago shouted that they believed in an income tax, but insisted that it should be a state rather than a national tax, yet now that the opportunity is given for a state income tax they say it is improper.

Mr. Meilen of Worcester said the existing law is a disgrace to the commonwealth, and it is because it is no good that certain people want it left as it is.

Mr. Cavanagh of Everett opposed the bill as unconstitutional and Mr. Dean said he was willing that the bill should be amended if necessary, and he asked that it be ordered to another reading in order that such amendments may be drafted. It was ordered to a third reading on a voice vote.

### Smoke Bill Engrossed

The Boston smoke nuisance bill was next taken up. Mr. Montague and Mr. Charles Carr of Boston favoring it.

Mr. Montague opposed an amendment providing that no prosecution shall be for violation of the act unless the courts have ordered it enforced.

Mr. Bothfield of Newton said the amendment had been agreed upon by the chamber of commerce and the public service corporations, and Mr. Rasmussen of Boston said he did not believe the bill could be passed without the amendment.

Mr. Conway of Boston said the amendment would make the bill a joke. The amendment was rejected and the bill passed to be engrossed.

### Mayor's Bill Again Rejected

Mr. Callahan of Boston moved to reconsider Wednesday's refusal to admit Mayor Fitzgerald's bill to curb the power of the civil service commission. Mr. Hayer of Boston said his republican constituents insist that this anti-American power be taken away from the discredited commission. Mr. Underhill of Somerville opposed the motion and it was defeated, 52 to 50, in a rising vote, and 66 to 116 on a roll call.

### Fines Bill Stands

Mr. Parks of Fall River moved reconsideration of Wednesday's rejection of the trade union fine bill, calling attention to the fact that 17 members who voted for the bill a week ago were absent Wednesday while eight members changed their votes. The motion was defeated, 87 to 110.

### Children Must Wait

The resolve providing for improvements at the home for the feeble-minded in Waltham was referred to the next general court on motion of Mr. Tufts of Waltham. He said the improvements are needed, but in view of the large state tax this year the trustees are willing to let the matter go over until next year.

Mr. Cliff of Somerville thought the improvements should be made at once, and Mr. Keefe of Fall River took a snigger view, but the house thought the matter could wait a year.

### D. & E. Bill's Third Reading

The Boston & Eastern tunnel bill was ordered to a third reading without debate, as was the bill providing for an investigation of the common control of gas, electric light and street railway companies.

### Inheritance Tax

The bill to permit the collection of an inheritance tax on property not in the commonwealth at the time of the death of the owner was ordered to a third reading, on a roll call, 116 to 63.

## TWO GIRLS HELD

As Captives and Gagged at Brockton

BROCKTON, May 27.—One of the boldest acts ever perpetrated in this city was the alleged kidnapping Wednesday night of Miss Mildred S. Winsor and Miss Ruth Mitchell, attractive high school pupils, who were on their way to the home of Miss Marion Goodrich to attend an initiation of the Sigma Delta sorority of the Brockton high school.

The girls were taken from a car of the Old Colony street railway company to a house on Tremont street, bound and gagged and kept prisoners for two hours, until the arrival of the police scared off their captors. The alleged kidnappers gave their names to the police as Fred Woods and Arthur Blackey, until recently pupils at the high school.

Miss Winsor claims that she was knocked down in the struggle, and that she is suffering from bruises. The police were notified by telephone, and when they reached the house where the girls were held captives they saw that they were thrown off the track by adults.

Miss Winsor is the niece of Dr. H. H. Chevalier and makes her home with him.

## LOSES HIS JOB

POSITION OF SUPERVISOR OF WRITING ABOLISHED

LAWRENCE, May 27.—The school committee last night voted to adopt the Palmer system of writing and to abolish the position of supervisor, which has been held for several years by Daniel W. Hoff. A petition from the grammar school masters to increase the maximum salary to \$2,400 a year was referred to the committee on salaries.

Rev. James T. O'Reilly, in a communication, called attention to the apparent discrimination against parochial school graduates in the recent action by which it was voted to adopt a course for teachers in the high school, graduates of which attaining an average of 75 per cent would not have to take an examination after completing a normal school course. He did not regard this as intentional on the part of the board, however. The matter was referred to the committee on rules.

## SOCIAL AND FRATERNAL

Grand Union lodge, T. I. O. O. F., held a well attended meeting last night and transacted a large amount of routine business. An invitation was received and accepted from Oberlin lodge to attend the meeting of that lodge on the night of May 31. At that time guests will be present from Lowell lodges, Shawsheen lodge of Billerica and Crystal Mount lodge of Woburn and the second degree will be worked.

Ladd and Whitney circle, 11, Ladies of the G. A. R., held a well attended meeting at Post 185 hall Wednesday evening. Miss Blanche Morse, president of the circle, presided. Business of importance was transacted and final arrangements for Memorial day were made. On Sunday, May 22, the circle will be invited to attend the morning services at the Central M. E. church, and in the afternoon at 3 o'clock, services at the First Congregational church.

The circle will provide a banquet for the comrades and invited guests on Memorial day, at Post 185 hall, at the conclusion of the afternoon parade. In the morning the circle will decorate the grave of Sister Chapin, in the Edison cemetery. This service will take place at 9 o'clock.

## DRYDOCK DEWEY

MAY BE RAISED TO SERVICE IN FEW DAYS

MANILA, May 27.—Open valves and uncovered manholes permitted the partial submersion of the United States drydock Dewey at Olongapo in Subig bay Tuesday. A board of inquiry is pursuing a rigid investigation of all the circumstances that might have a bearing on the affair.

The dock has been raised ten inches in twelve hours through the use of the starboard pumps assisted by the tugs Piscataqua and Wompatuck. Centrifugal pumps will be installed tomorrow and it is expected that the great floating dock will be raised to service within a few days.

## CHELMSFORD

The warrant for the special town meeting to be held at the town hall, Saturday afternoon, June 4, contains number of articles having interest and importance to the voters. Frank E. Cudworth, son of C. M. Cudworth of Centre street, until recently in the employ of the Delaware, Lackawanna & Western railroad, has accepted a position as inspector of construction at the Brooklyn navy yard.

## THE FUR SEAL CATCH

JUNEAU, Alaska, May 27.—The total catch of fur seals by the natives in the open sea off the Alaska coast this season will not be more than 125 pelts. In former years the Indians have always made good catches. Japanese sealers using muffled power boats are expected to reap a fat harvest. Eight of these vessels are now following the seal herds north to the rookeries.

## Y. M. C. A. RELAY RACE

LOS ANGELES, Cal., May 27.—Five hundred Y. M. C. A. athletes are in readiness for one of the most novel relay runs ever held on the Pacific coast. A message from Mayor Lloyd of Santa Barbara will be started from that city at 4.30 this afternoon and if the schedule is carried out it will be delivered to Mayor Stratt of Redlands early tomorrow evening, after having traveled 250 miles. The route leads from Santa Barbara to Los Angeles and then to Redlands. The boys will cover the distance in relays of about one-half mile each.

## IN BRISK BREEZE

Hilliard Made Several Aeroplane Flights

NEWBURYPORT, May 27.—Several aeroplane flights, lasting an hour and a half and covering distances from one-quarter to one-half a mile at an altitude of 15 feet, were made today by William Hilliard in a Herring-Burgess biplane at the Plum Island aviation grounds. There was a brisk breeze blowing at the time and it was thought at first that the flights would have to be postponed until the air was calmer. Hilliard, it is said, jestingly made a vow last night that he would not eat again until he had made a flight and he evidently was hungry this morning, for he launched the machine despite the breeze and flew across the grounds in splendid style.

The biplane has lately been equipped with a new device to give lateral stability. This device is intended especially for use in windy weather, and today it had its first real test. The inventor and Mr. Hilliard say that it worked remarkably well.

**GLADSTONE CLUB****Showed One Good Bout  
Last Evening**

But for the timely appearance of the comet, tall and all in the rear of Washington park about 9:30 last evening and a six-round bout between Young Moran of Lowell and Ted Murphy, the former 105 pound champion of England the meeting of the Gladstone club last evening would have been the most dismal kind of a frost.

There were four bouts, three of which shouldn't have been presented, and it was during a tiresome wait for the principals in the final bout to come out that the crowd discovered the comet and amused itself making bets as to which would strike the earth first the comet or the principals in the final bout.

The main bout was to have been of 12 rounds between J. J. Moriarty and Young Saxe of Boston. Some seven years ago Billy Gardner put Saxe out of the boxing game and to dig him up after seven years' inactivity as an opponent for a husky boxer like Moriarty looked too much like cinching it for the home boy. But Saxe appeared in the ring apparently confident that he could make a showing. He didn't, however, for he laid down without waiting for Moriarty to hit him and took the count without being struck.

Young Smith of Lowell and Young Nelson of Lawrence opened the show and the bout went only two rounds. Then along came George Stone of Lowell and Young Paparouche of Lowell. The latter knew absolutely nothing about boxing and was put away with ease by Stone.

The real bout of the evening was a six round draw between Young Moran of Lowell and Ted Murphy of Boston, late of England, two dandy little 105 pounders. The pair were quite evenly matched though Murphy was a trifle stronger and excelled at infighting. For the first three rounds Moran was the aggressor and showed a slight advantage but Murphy kept at him and had him somewhat weak at the finish. The pair were equally applauded at the finish and the decision was acceptable to all. It was announced that they are rematched for next Thursday night and it is hoped they will go a longer distance the next time. It was also announced that arrangements are being made to have Honey Melody and Moriarty appear again next Thursday evening. After last evening's meeting it will take first class programs to keep up the interest of the members in the meetings for they would hardly give up an evening to see another program like that of last evening. Washington park on a pleasant evening makes an ideal place for such a show and as the club is living up to the requirements of the law relative to permanent quarters, and admitting members only, the shows will make a popular summer attraction, provided good programs are offered.

"Spot Bull" Charlie defeated John Verden, 125 to 65, in a pool match at Buckley's pool parlors in Hurd street last night. The longest run was 36, made by the winner.

**HENRY J. TOLLES****Well Known Dunstable  
Farmer Fatally Injured**

Henry J. Tolles, one of the best known farmers in Middlesex county, died yesterday at his home in Dunstable, as the result of a fall last Monday, having his skull fractured.

He did not regain consciousness after the accident. He was 69 years of age.

Henry J. Tolles was the son of Horace C. and Sophia Wright Tolles of Nashua. He became one of the leading citizens not only of Dunstable, where he established himself as a farmer, but of the entire county. He was for a long time president of the Middlesex North Agricultural society and took great interest in the progress of the society. In grange work he was prominent, being a member of Prescott grange of Pepperell. He served his town in many official capacities.

Mr. Tolles of late years made a specialty of fruit growing and devoted his time mainly to producing Baldwin apples and his success in this made his product widely known. His farm consisted of 75 acres on Forest hill and was one of the finest in this section of the county.

Speaking of deceased as a departed friend, J. Walter Richardson said: "I knew Mr. Tolles for many years and admired his versatility as a farmer, his genial ways and his whole souled many character. He was a great expert on apple culture and his product of this crop was widely sought. This, however, was but one of his many specialties. The passing of a man of such worth is a great loss to the community in which he lived."

He is survived by his wife, four children, Mrs. Fred L. Merrill, of North Chelmsford, James U. and Henry D. Tolles of Nashua, N. H., and Fred Tolles of Hetering, N. D., and four brothers, Willard C., James H., Jason E. and Xenophon D. Tolles, all of Nashua.

L****HORNE COAL CO.****D. S. O'BRIEN CO.****BRINGS PART OF SPRINGFIELD  
STOCK TO LOWELL**

The D. S. O'Brien Co. of this city recently acquired what looks like a splendid opportunity in the clothing business in Springfield. It was practically a new store, opened last October and sold because of the ill health of one of the owners, Mr. Charles Cooley. It was the finest fitted store in Springfield and the only one with all cabinet fixtures. The finish throughout is in mahogany.

Mr. O'Brien opened up a sale to dispose of the Cooley stock, and through wide and aggressive publicity had a tremendous success, so much so that some lines were nearly sold out after a few days. Because of the heavy selling, Mr. O'Brien put through a deal with the Stein-Bloch Co. for a big lot of overstock suits at a big price concession, which purchase he divided between the Lowell and Springfield stores, thus enabling the Lowell public to benefit by the transaction.

In its ad., in another column, the D. S. O'Brien Co. tells the story about these suits. It's worth reading.

**ANNUAL BANQUET****Of the Children of  
Mary**

The fifth annual banquet of the Children of Mary sodality of the Sacred Heart church was held in the Sacred Heart parochial school in Moore street last night, and the affair proved to be a very enjoyable one. There were over 300 of the members of the sodality present, together with several invited guests and the clergy of the parish.

There was an excellent musical program carried out during the early part of the evening. The opening number was a vocal selection, entitled "Welcome to Our Pastor," rendered by Miss Marietta Nolan and the entire sodality. This was followed by a medley of Irish airs. The singers were Mrs. A. A. Muldoon, Misses Marietta Nolan, Blanche Sullivan, Sadie Kenney, and Mary Doyle. "Meet Me in Dreamland" was the contribution of Miss Katherine Hickey, and Mrs. Muldoon gave a number splendidly. Miss Alice Walsh gave the reading, and the solo and quartet, "Pretty Peggy" was a real hit as sung by Misses Blanche Sullivan, M. Maguire, M. Nolan and K. Hickey. The evening's entertainment ended with another medley of Irish airs.

About 9 o'clock everybody filed down to the long tables. At the head table were Very Rev. T. Wade Smith, O. M. I., Rev. Lawrence P. Tighe, O. M. I., Rev. Robert M. Barrett, O. M. I., Rev. Bernard Fletcher, O. M. I., and Rev. E. J. Connel, O. M. I., all of the Sacred Heart parish, and Rev. Edward J. Fox, O. M. I., attached to the Immaculate Conception parish, but a former member of the Sacred Heart parish, and Rev. John M. McKory, O. M. I., of the Tawksbury novitiate, former pastor of the parish.

After the menus had been discussed, the hymn to the Sacred Heart was sung by the entire sodality. Then the floor was cleared and dancing was entered into. It continued until well towards midnight.

The enjoyable affair was managed by the officers of the sodality, as follows: Misses Mary E. Wood, Elizabeth Miskella, Lila Holden and Nellie Murphy.

**UNITARIAN ANNIVERSARY**

BOSTON, May 27.—Today's meetings brought to a close the 85th anniversary week of the American Unitarian association in this city.

Following the opening prayer service in King's palace by Rev. Palmer Perkins of Boston, the annual meeting of the Unitarian Sunday School society was held. The final business meeting of the association, this forenoon in the chapel, was held. President Edward A. Horton read the directors' annual report, after which there were questions and discussions. The election of officers then took place. Prof. George Coe of the Union Theological seminary, New York, gave an address on "A psychological point of view for teachers of religion," and Prof. Edward P. St. John of the Hartford school of religious pedagogy spoke on "Place of story telling in Sunday school work." A midday intermission was then taken.

**Rush--Rush**

In my day and time I suppose I have seen as many if not more busy seasons than any tailor who ever drew a chalk line or pushed a shears through cloth. But my memory fails to recall anything that ever approached the present season. Men who never before wore low priced clothing are surging in upon me--ordering with a confidence and an abandon, the country's aristocratic weaves at prices they know to be unrivalled by any concern in the land. Curiosity could lead these men as far as my store I admit, but curiosity you will admit could never compel them to leave their orders.

It is the marvelous values I show them, the marvelous values given to their friends who sent them in; the same marvelous values that will conquer you if you are in need of clothing and will only take the trouble to examine the goods.

# BROOKLYN MAN SAYS KING GEO. V HOLDS HIS JOB ILLEGALLY

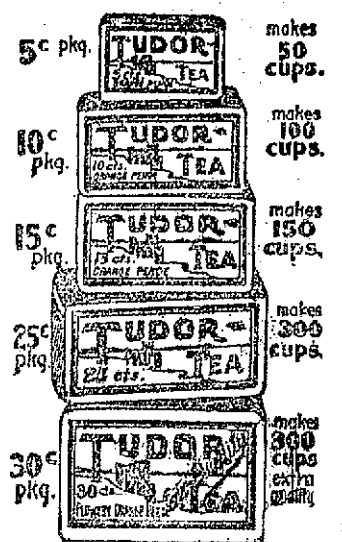

NEW YORK, May 27.—John R. De Gueph, who has earned the title of "Brooklyn pretender" and who styles himself "Prince George Rex Wethin-gueph" and also "John George Ed-ward, rex of Great Britain and Ire-land," has sent messages to the upper and lower houses of parliament and the people of the United Kingdom and Ireland in which he demands the British crown. After expressing his be- lievement at the death of King Ed- ward VII, the writer says that he, John George Edward, rex of Great Britain and Ireland, "the legitimate

and lawful issue of the marriage of his late majesty King Edward VII. and the first princess consort, was unjustly and unlawfully deprived of his birthright as the first born son of the rightful sovereign. "The pretender" de- mands the abolition of the so called royal custom of polygamy. John Rex De Gueph will be recalled as Dr. John Rex Gueph Norman, under which name he was asked to leave the Hotel St. Regis in March of last year, and also as Dr. J. Gueph Norman of Bur- mah when he posed in 1897 as able to cure the blindness with which Chas. Broadway Rouss was afflicted.

was delivered in a jolting in which the referee had difficulty in separating them. Kennedy went to the floor and was assisted to his corner by the sec- onds. In the preliminaries, Young Jordan

## LINEN SHOWER

WAS TENDERED MISS NORA A. MANGAN

Miss Nora A. Mangan, a cashiorat the A. G. Pollard Co., who is to be married June 16th, was tendered a linen shower last night at the home of Mrs. Richard Burns, 208 Westford street, by the clerks of the A. G. Pol- lard company. There was a large gath- ering of friends and Miss Mangan was the recipient of many valuable and beautiful gifts.

During the course of the evening a delightful musical and literary pro- gram was carried out and later re- freshments were served by George H. Miller. The party broke up at a late hour her friends wishing her future happiness.

Slattery will be with us tonight.

## JIM JEFFRIES

To Give Boxing Exhi- bition Tonight

SAN FRANCISCO, May 27.—James J. Jeffries will be in the limelight in consequence of his sparring exhibition here tonight. The former heavyweight champion is scheduled to square off this evening in the arena of Dreamland rink with Joe Chernski, Bob Armstrong and his brother Jack. In these workouts the followers of the fighting game expect to get a line on Jeffries as he is.

Very quietly, according to his ex- pressed wish, Jeffries will slip into this city this afternoon just in time to secure a brief rest from his trip before going on the exhibition festival. To- night's exhibition probably will be his last showing in public until he enters the ring here July 4 to battle with Johnson for the world's championship.

## AFTER 4 YEARS OF MISERY

Cured by Lydia E. Pinkham's Vegetable Compound

Baltimore, Md.—"For four years my life was a misery to me. I suf- fered from irregularity, terrible dragging sensations, extreme nervousness, and that all gone feeling in my stomach. I had given up hope of ever being well when I began to take Lydia E. Pinkham's Vegetable Compound. Then I felt as though new life had been given me, and I am recom- mending it to all my friends."—Mrs. W. S. Ford, 2207 W. Franklin St., Baltimore, Md.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound. It has stood the test of years and to-day is more widely and success- fully used than any other female remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulcer- ation, fibroid tumors, irregularity, periodic pains, backache, that bear- ing-down feeling, dizziness, indig- estion, and nervous prostration, after all other means had failed.

If you are suffering from any of these ailments, don't give up hope until you have given Lydia E. Pink- ham's Vegetable Compound a trial.

After the show Jeffries will return immediately to Ben Leonard to prevent loss of time from his regular training work.

Aside from their diurnal roadwork neither of the fighters indulged in much exercise yesterday. Johnson is expected to rest today also, but to- morrow he will begin a three days' carnival of boxing at his beach quar- ters. Henceforth ringwork. It is thought will hold the most conspicu- ous place in the training curriculum of both. Jim Corbett is expected from the east tonight in time to show up at the Jeffries soiree.

## LOTS OF EXCITEMENT

BOSTON, May 27.—The American A. C. held its meeting last night and there was plenty of excitement for the fans who attended. The five bouts furnished some, the headlines on the outside provided a lot, and someone on the inside added considerably by getting off a cannon firecracker under the seat of the main bout.

The main bout between Terry Young of New York and Young O'Neil of Pawtucket proved a disappointment, for the New Yorker failed to come to expectations. O'Neil outpointed him by a big margin in every round with left and rights to the face and jaw.

Young landed some lefts in the face and rights to the body, and the blows did not bother O'Neil much. O'Neil was given the decision at the end of the eight rounds.

In the opening bout Max Kramer and Arthur Souza, the former national amateur bantam champion, put up a fast and clever contest. Kramer boxed better than he has for a long time and was given the decision at the end of six rounds.

Young Lorenzo of the North End and Joe Egan of the South End boxed six hat rounds and the bout was called a draw.

Tom Goodman of the West End and Bob Burns of the South End, colored waterweights, engaged in a bout that lasted less than a round, but it was a hot affair. Burns was stopped with a whallop on the jaw.—Goodman got the award.

BERGIN RUSHES GOODMAN LEWISTON, Me., May 27.—Kid Goodman of Boston and Tommy Bergin of Lewiston were the principal attrac- tion for two six-round bouts before the Town City A. C. last night. In the first six rounds the bouts were evenly divided. Several times Bergin rushed Goodman to the ropes, but was unable to land any effective blows, while Goodman was successful in getting to his man's face with hard right uppercuts at times.

In the last bout for the first three rounds it was an even thing. In the fourth Bergin kept up a series of whirling bodies that sent Goodman to the ropes several times, and to avoid punishment the Boston man was obliged to do some fast footwork. Goodman, however, came back strong in the fifth, and sent his right to Bergin's face effectively three after time. Also in the sixth Goodman lived up and kept Bergin on the defensive for most of the round. Both bouts were called draws.

The semi-finals between Shadow McGonick of Lewiston and Herbert Porter of Auburn excited considerable local interest, and was a fast one while it lasted. Porter receiving a decent right swing to the jaw in the latter part of the third, which sent him down for the count. It was a clean knockout. Porter had been holding his own up to that time.

MORAN LOSES ON FOUL. LAWRENCE, May 27.—Steve Ken- nedy of this city was given the decision by Judge Park over Johnny Moran of New York on a foul in the 10th round before the Filly club last night. Up to that time Moran had held his own with the local boy. They started to rough it and the unfair blow

## A NEW POLICY

## In Naval Construction Inaugurated

WASHINGTON, May 27.—When Secretary Meyer yesterday set the seal of his approval upon plans for the two giant battleships, numbers 34 and 35, provided for in the navy appropriation bill soon to become law, he inaugurated a new policy in naval construction.

Hitherto it has been the practice to await an appropriation before undertaking the preparation of plans for naval vessels, with the result that many months elapsed before the department was in a position to call for bids. In this case the work practically has all been done in advance. The navy war college prepared the rough outlines of the ships; these were passed around among some of the most able captains in the navy for criticism and they were then revised by the general board and placed in the hands of the naval constructors. Secretary Meyer yesterday paid a special compliment to the bureau of construction for the rapidity and thoroughness with which it did its work.

Details of the vessels are withheld, but it is generally stated that they will be of 27,000 tons and carry ten 14-inch guns, making them more formidable than any ship now afloat.

## HOW TO CURE ECZEMA, PIMPLES, AND DANDRUFF.

We desire to say that when we took the agency for ZEMO, we were convinced that it was a valuable remedy for Eczema, pimples, and dandruff. Yet we must frankly admit that Zemo has far exceeded our expectations as a treatment for skin diseases. We are pleased to state that we shall continue the agency as ZEMO has given splendid results wherever recommended. Our customers like ZEMO too, because it is a clean vegetable liquid for external use.

ZEMO effects its cures by drawing to the surface of the skin and destroying the germ life that causes the disease, leaving the skin clean and healthy. It does not soil the clothing or linen and can be used freely on infants.

With every purchase we give a booklet on skin diseases explaining in simple words how any person can be cured at home of any form of skin or scalp diseases by this clean, scientific remedy. A. W. Dows & Co., druggists.

## THE U. S. TRADE

## WITH CANADA SHOWS A LARGE INCREASE

WASHINGTON, May 27.—Exports from the United States to Canada show a larger growth in the current fiscal year, than those to any other of the important countries of the world. For the ten months ending with April, for which the bureau of statistics has just prepared a detailed record of the commercial movements, the exports to Canada amount to 1744 million dollars, against 123 million in the corresponding months of last year, and for the month of April alone, 23 million dollars, against 15 million in April of last year. The increase in exports for the ten months in question is thus 45 million dollars, while the total increase in exports to all parts of the world during the same period is but 55 million, the figures in each case relating to exports of domestic merchandise.

To France the export figures show for the period in question an increase of 9 million dollars, to Germany 11 million, to Argentina 51-2 million, to Mexico 61-2 million, to Australia 2 million and to Canada, as above indicated, 45 million dollars. This increase in exports to Canada occurs largely in manufactures. Coal shows an increase of about 2 million dollars; cotton about 2 million; wheat, about 11-2 million; horses, about a half million; and furs and fur skins, about a half million; but aside from these the bulk of the increase occurs in manufactured articles. Agricultural implements show an increase from 11-2 million dollars to 21-2 million; automobiles, from 1 million to 3 million; cotton manufactures, from 11-2 million to 21-4 million; and lumber, from 21-2 million to nearly 4 million. During the same period scientific instruments increased one million; wire, over 1-2 million; builders' hardware, 1-2 million; and books, maps and engravings, about 1-2 million; while many other manufactures show smaller increases, though in many cases the percentage of gain is large. Meats show but slight increase and in some cases a decline in quantity. Mineral oils show in most cases a decline, though lubricating and heavy paraffin oils show a slight increase.

## ADMIRAL STOCKTON NAMED

WASHINGTON, May 27.—Rear Admiral Charles Herbert Stockton, retired, was appointed president of George Washington university yesterday, to succeed Dr. Charles W. Needham, resigned. Admiral Stockton will assume control of the university Aug. 31 next. He was head of the navy war college from 1891 to 1894, and previously had a distinguished career in the naval service. He was retired October, 1907.

## MURDER CHARGED

## Man Killed in Course of Quarrel

PITTSFIELD, May 27.—Stopping at the house of Frank Carr, in the Black River district of Stephentown, N. Y., just over the Massachusetts line, ten miles north of here, late yesterday, Martin Casey, 60 years old, started a quarrel with Carr that ended, it is charged, in the latter shooting him dead. Carr is said to have fired in self defense, Casey having aimed two pistol shots at him. Both participants are said to be horse traders. Carr, who has a wife and two children, was arrested on a charge of murder. The district where the crime occurred is a secluded stretch of backwoods.

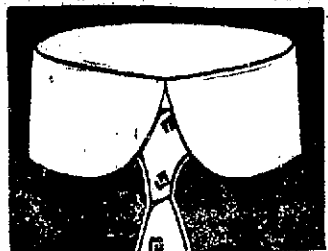

## SPEAKER CANNON

## PRESENTS DETROIT TEAM WITH MASCOT

WASHINGTON, May 27.—Speaker Cannon presented the Detroit ball team yesterday with a mascot in the form of a nickel plated horseshoe. When the members of the team were introduced to the speaker by Rep. Denby of Michigan, one of them caught sight of the horseshoe, which was used as a paperweight on Mr. Cannon's desk, and said it would have been serviceable "while the team had suffered two successive defeats at the hands of the Washington players." Whether the speaker's mascot yesterday has not been determined.

## Valuable Advice to Sufferers From Skin Diseases.

Under no circumstances should medicated or plain soap or any preparation containing alcohol or water, be used by sufferers from eczema and similar skin troubles. Those things aggravate the trouble and make it impossible for the skin to heal. The new medical compound called Cadum is the best and surest remedy, as it contains neither water nor alcohol. When applied, it excludes the air and other irritating agents, stops the itching at once, and sets up the healing process immediately. Most wonderful cures are reported from all sections. Cadum is just as effective in the treatment of psoriasis, ringworm, pimples, blotches, rash, eruptions, chafings, itching piles, rough, scaly skin, sores, acne, herpes, etc. 10c and 25c. ## THE CENSUS

## A STATEMENT ISSUED BY CHIEF GETTEMY

Chief Gettemy has issued the following statement relative to the census.

"The newspapers throughout the commonwealth have, in many instances published coupons or other notices requesting persons who believed that they had not been enumerated in the present census to furnish their names and addresses either to this office or to one of our special agents; and wherever it has been found that such persons had not been enumerated and they have furnished the desired information concerning themselves, the data have been entered on the proper schedules.

It is necessary now, however, to bring this supplementary method of gathering information to a close, in order that the final examination of the schedules preliminary to their being forwarded to Washington for tabulation, be not unduly delayed. I shall, however, be glad to receive, up to and including May 31, the names and addresses of any persons who had a place of abode in Massachusetts on April 15 at which they believe they were not enumerated, and also to receive any information from citizens or others calculated to be of service in assuring a complete count of the population.

Charles F. Gettemy, Supervisor.

## PRIMARY REFORM

## MEASURE DEFEATED IN NEW YORK ASSEMBLY

ALBANY, N. Y., May 27.—By the decisive vote of 46 to 94 the Cobb compromise direct nomination bill, after having passed the senate yesterday, was defeated in the assembly last night as the climax of a session of 14 hours.

A motion to reconsider was lost. The bill received 21 less votes than the Hynman-Green direct nomination bill which was defeated two weeks ago. The result of last night's vote was greeted with cheers.

As the legislature will adjourn today and Gov. Hughes has announced that he will veto the McCabe-Phillips bill, which has passed both houses, the only hope of primary reform or direct nominations legislation this year lies in the possibility of an extraordinary session being called. Leaders of both factions regard this as highly probable.

## BOLD ATTACKS

## MADE ON YOUNG WOMEN AT CHARLOTTE, N. C.

CHARLOTTE, N. C., May 27.—Two bold attacks on young women in broad daylight in this immediate section yesterday, in which one of the alleged assailants was a white man and the other a negro, aroused the townspeople to a frenzy, with the result that the negro was fatally shot, while a posse of citizens with bloodhounds is hunting for the white man with the intention of lynching him.

## ARGENTINE IS PLEASED

BUENOS AYRES, May 27.—News that the government of the United States has practically authorized the admission of 20 officers of the Argentine navy to the American squadron is favorably commented upon here, and has produced an excellent impression in all circles. The cordiality of feeling thus engendered is being expressed by manifestations of regard for the American naval officers now visiting this city.

## PAPER MONEY WANTED

WASHINGTON, May 27.—There is a demand throughout the country for paper money of the smaller denominations, which the treasury is unable to meet. To relieve the situation the department will encourage banks holding silver certificates of the denomination of \$10 and over to send part of them to the treasury so they may be exchanged for those of smaller denominations.

BROCKTON, May 27.—While his horrified father looked on helplessly, Julian T. Norris, the 17 year old son of T. B. Norris, a wealthy Brockton hotel proprietor, early last evening was crushed to death by an elevator on which he had attempted to leap while it was moving.

The accident took place in the Hotel Brook building.

## EXPECTED SNAG

## WAS REACHED IN POSTAL SAVINGS BANK BILL

WASHINGTON, May 27.—The republican house caucus on the postal savings bank bill struck the expected snag last night when it reached section 9 of the Gardner bill, having to do with the disposition of the deposits of postal savings. Reaching no decision on this feature, the caucus, after three hours' deliberation, adjourned until tonight.

The Gardner bill, on which the caucus was working, would credit 47 1-2 per cent of the deposits to the withdrawal by the board of trustees and invested in the government's or other securities and 5 per cent additional to

be used as a reserve, and it would require the remaining 17 1-2 per cent to be kept in the local banks in the city where the postal deposits were received.

**80 YEARS OLD CHIEF KOHLER****Mrs. Burbank Held Has Been Suspended Birthday Celebration Under Charges**

Mrs. John J. Burbank celebrated the 80th anniversary of her birth yesterday at the home of her son, Percival P. Burbank, 14 Eighth avenue. The occasion proved to be a very pleasing one and the venerable lady considered herself greatly honored by hearing the news that a son was born to Mr. and Mrs. Edgar P. Burbank of 26 Jewett street earlier in the day, the new arrival being her great grandson.

Mrs. Burbank was born in Haverhill, N. H., May 28, 1830. Her maiden name was Elizabeth Dohy and she was united in marriage to John J. Burbank in the town of her birth in 1850.

Mr. and Mrs. Burbank lived for a while in Boston after their marriage, but came to this city over 10 years ago and have since then resided here. Four children were born to them. Three are living, Percival P., who is the well known fruit dealer, John Ambrose Burbank of Somerville and Mrs. Isaac A. Cronk of Worcester. Two grandchildren living in this city are Mrs. Ira S. Potter, formerly Miss Grace Burbank, and Mr. Edgar P. Burbank, children of Percival P. Burbank.

CLEVELAND, O., May 27.—"The best chief of police in the world," as Colonel Roosevelt called Frederick Kohler, is suspended by the order of Mayor Baber. The charges, which allege drunkenness and immorality, must be heard by June 1 by the civil service commission, consisting of three men. Among the charges brought against Kohler is one that during the seven years which he has been at the head of the police department he has utilized the detective force for the collection of facts concerning prominent officials and others, to be used in the event that he was attacked.

**MORSE'S WIFE****WORKING HARD TO SECURE HUSBAND'S RELEASE**

NEW YORK, May 27.—Mrs. Charles W. Morse said yesterday that she will sell all her household effects and art objects to raise funds to continue the effort for her husband's release from the federal prison at Atlanta. For months Mrs. Morse has been directing the work of obtaining names to a monster petition praying for a presidential pardon for the convicted banker. The Morse home on Fifth avenue has already been sold and Mrs. Morse must soon vacate. She intends to visit her husband at Atlanta, probably next week.

**ANNUAL FESTIVAL**

The annual festival of the Pawtucket Congregational church was held last night and the luscious strawberry was the piece de resistance.

The committee in charge included A. H. Marshall, C. F. Sheridan, B. B. Hart, Alonzo Putnam and W. T. S. Bartlett, all of whom essayed the roles of waiters. Among the ladies who assisted were Mrs. A. H. Marshall, Miss Hattie Jameson, Mrs. F. E. Harris, Mrs. Peavey, Mrs. Thomas Varum, Mrs. James H. McKinley, Mrs. Maud Ansart, Mrs. Clarence Coburn, Mrs. C. F. Sheridan, Mrs. Daniel Bean, Mrs. C. F. Miles and Miss Alice Blake.

After the strawberries and refreshments had been served, a play was given, entitled "Shall Our Mothers Vote?" This was under the direction of James Grant. Included in the cast were George Axon, Ian Leggett, William Kinghorn, James Grant, Lester Armstrong, George Willett, Lee Conley, James Kinghorn, Harry Peavey, Stephen Sileox, George Deunis.

**HELD A SMOKER****MEMBERS OF COMPANY G HAD NUMBER OF GUESTS**

An enjoyable smoker was held by the members of Company G of the Sixth regiment at the state armory in Westford street, last night. There was a large attendance and the program, which was carefully arranged and well carried out, was an extra good one.

The first thing on the program was the drill, after which supper was held and then came the amusement. There were songs, speeches, wrestling bouts and music.

One of the features of the affair was the "net" put on by the Brunette brothers, professional trick cyclists.

One of the members of the team is ex-Sergeant Brunette of Company G, while the other is ex-Private Alfred J. Doyle.

There were songs by Corp. Hanahan, and Private O'Brien. Then there was a pleasing piano solo by Herbert Hird. The wrestling match was a 15-minute bout to a draw between Wilfred Dube and Private Thomas Erick. The three three-round boxing matches were between Privates Kelleher and Sousa, Corp. Loupret and Private St. Peter, and Privates McCellan and Scobie. Lieut. Thomas W. Doyle was master of ceremonies.

Among the invited guests, present were Humphrey O'Sullivan, Capt. Geo.

E. Worthen, Arthur F. Salmon, Commander George Sutherland of the Spanish War Veterans, Capt. Colby T. Kittredge of the general staff, ex-Mayor George H. Brown, and the following former members and of the company: Lieut. George S. Howard, Sergeant William Whitton, Corp. Michael Doyle, Walter Worthen, Sergeant Brunette and Alfred J. Doyle.

**EMPIRE THEATRE**

One of the finest shows ever in Lowell seems to be the consensus of opinion about the vaudeville and moving pictures at the Empire this week. With

the new show starting yesterday came the two Barretts. They portray a novelty juggling act, doing most of their work with straw hats and Indian clubs. Davis and Merrill are also here, with a little dramatic entertaining act which at the same time portrays an Italian character. These acts are direct from Keith's.

Then there are the moving pictures, which have for a feature, Ramona. This picture tells the story clearly and is very touching. There is also a western picture, besides the funny ones.

Sunday, there will be a special program for the concert and illustrated songs will also be given.

**PRETTY PARTY****DRESSMAKERS FROM NEW YORK STORE MAKE MERRY**

A May party and cotillion was given last evening in O. U. A. M. hall by the Revandos, a club of dressmakers from the New York store. The hall was so beautifully decorated as to make it appear a veritable flower garden. To the general decorating scheme was added 100 May baskets festooned from the electric light.

The cotillion was led by Fred Burns and Miss Alice Norton, who was floor manager of the dance. They were fol-

lowed by about 100 couples who received flowers for favors. Gilmore's orchestra furnished excellent music for the affair and Henry Bros. catered during intermission. The affair was entirely delightful and proved a success from every point of view.

The dance was under the direction of the following: General manager, Miss Josephine Norton; assistant general manager, Miss Verna Rockwell; floor director, Miss Alice Norton; assistant floor director, Miss Esther McOaker; chief aid, Miss Adele Barrett; aids, the Misses Anna Wilson, Lillian Sennett, Linnie Wood, Beatrice Collins, Katherine Ralston, Lillian Estabrook and Lea Actin.

## Are to Enjoy a Holiday Next Monday

All of the mills and a majority of other plants of lesser magnitude will not run on Monday, Memorial day. The Lowell hosiers have decided not to buy any more cotton until the price strikes a gait that will give the manufacturer a look in. This of course will mean a curtailment and the same has been in process for the last few weeks. It does not mean, however, that the plant will shut down for any considerable length of time as the hosiers have a stock of goods on hand that it will finish up.

**LOWELL HIGH**  
**SHUT OUT BY MEDFORD HIGH YESTERDAY**

The Lowell High team went to Medford yesterday and were whitewashed, 8 to 0. The Lowell boys had a couple of chances to score, but the necessary single was not forthcoming. Medford, on the other hand, hit the ball hard at just the right times. They bunched hits in several innings and had no trouble in walking away with the game. Leggett and Edwards were the battery for the Lowell team, while Fahey, the star Medford pitcher, was on the slab for the home team, and allowed but three hits during the game.

**AMATEUR BASEBALL**  
 The games of the Grammar School league Saturday at the North and South commons, Fort Hill and Etnell street will be worth witnessing and will be called at 10 o'clock.  
 The Franklin Stars would like to play the Glendales Monday, May 30, p. m., instead of June 4. We would like to arrange a game with the Rockdals for June 4 on the North commons. Any 15 year old team in the city is invited to play us. Send all challenges to "Chicken" Hogan, 56 Franklin street, city.

Saturday afternoon at Faulkner park in North Billerica, what promises to be one of the fastest and most interesting games of the season will be played, when the O. M. L. Cadets and Y. M. C. A. teams of the Lowell & Suburban league meet for their first league game. The batteries for the game will be: for the Y. M. C. A. team, Doyle or Stephens and Manning; for the Cadets, Condon and Clark. The members of the Cadet team are requested to take the 1.30 car from the square.  
 The Cadets have not as yet arranged a game for Memorial day, and would like to hear from any strong team in or around Lowell. Paul Clark, 297 East Merrimack street.

The Pawtucket Blues of the Stony Brook league would like to arrange for a game for Monday, May 30, with any team in the Lowell & Suburban league. The game to be played in the forenoon. Send all communications through this paper, or telephone 1491-5.

**WANT RAILROADS ENJOINED**  
 CHICAGO, May 27.—On next Tuesday, the day before the increased rates go into effect, a delegation of shippers from the principal commercial centers of the central west, including Chicago, will appear before Attorney General Wickersham in Washington with a petition that the government ask the federal courts to enjoin the railroads from putting the rates into effect.  
 The contention will be that the committee which agreed upon the rates on behalf of the carriers is an illegal combination.

## BILLY SULLIVAN, GREAT BACK-STOP, WHOSE ABSENCE IS FELT

Chicago baseball fans are anxiously awaiting the return of Billy Sullivan, the former manager and star backstop of the White Sox. Sullivan has been laid up since he stepped on a rusty nail during the spring training trip. He recently arrived in Chicago, but is still limping. Sullivan is confident that he will be able to get back into the game before many weeks. "I will have to get an arch for my foot," said Sullivan recently, "and I will have to rest it awhile longer before I can play ball, but you can bet all your money that I'll be back in the game some time and I won't stay out of it a second longer than I have to." His life was despaired of at one time, and the physicians were positive his foot would have to be amputated.

## THE AUTO RACES

### Bill Was Passed by the Senate

The bill of the Lowell automobile club, giving the authorities of Lowell and Tyngsboro the right to close certain streets and roads between Sept. 15th and 23d in connection with the motor car races of the Lowell Automobile club passed the senate yesterday, thanks to the splendid efforts of Senator Hibbard, and will now go to the house for action.

## GOVERNOR DRAPER

Says He Will Not Sign the  
Eight-Hour Bill

BOSTON, May 27.—At the request of the legislative committee of the state branch of the American Federation of Labor Gov. Draper yesterday received two of their number, John Weaver Sherman and Henry Sterling, in a conference on the "eight-hour" bill which is in his hands awaiting executive action.

After the conference Mr. Sherman gave out a statement in which he said they had asked the governor to sign the bill, urging that the results of the elections for the senate and the house last year, the increased majority in the legislature this year for the bill and the fact that cities and towns representing a great majority of the people had adopted the eight-hour day for

their municipal employees were proofs that the sentiment of the people was overwhelmingly in favor of the bill.

Mr. Sherman and Mr. Sterling said that the governor gave them no hope for any change in his attitude in the matter.

When shown the statement given out by the labor men, Gov. Draper said he has no desire to be drawn into a controversy on the matter, but in reference to the elections he said it would be a fairer statement to set forth that the people had also re-elected a governor who had stated his position and what he would do if re-elected.

"The bill was returned to the governor in the same form in which it was presented to him last year.

## IN POLICE COURT

Convictions in Liquor, Larceny  
and Other Cases

Alton W. Wilkins was arraigned before Judge Hadley in police court this morning on a complaint charging him with drunkenness and the larceny of \$50 in money from Frank R. Strout, the meat and provision dealer at 329 Bridge street. Wilkins admitted that he had been drinking, but denied that he stole the money.

The court after considering the testimony which had been found found the defendant guilty and ordered him to pay a fine of \$35 within three days or spend the next three months in jail.

Arthur B. Strout, son of the complainant, was the first witness. He testified that on Tuesday night when he left the store he placed \$111.39 in the safe. He knew that there were several \$10 bills.

Mr. F. R. Strout, the complainant, said that he opened the store at 5:30 o'clock in the morning and shortly afterwards Wilkins, as was his habit, entered the place and sat down at a table near the safe to read the morning paper. Mr. Strout had opened the safe and when he saw Wilkins with some of the money in his hand, he went out to the sidewalk and as he came back he saw that Wilkins had left his seat and was in a stooping position. A few minutes later Wilkins left the store.

Frank Gendreau, a barber with a place of business in Lakeview avenue, told the court that yesterday morning

Wilkins entered his place and gave him \$14.50, saying, "I want you to save that for me, because I am going to buy a suit of clothes." Mr. Gendreau took the money and kept it until later when Inspector Maher and Patrolman Donnell arrested Wilkins.

Inspector Martin A. Maher, who was one of the arresting officers, testified that Wilkins denied that he stole the money, but said that he was willing to settle if Mr. Strout would agree.

Patrolman Donnell said that Wilkins spent the greater portion of his time about liquor saloons and would go to work only after he had been cautioned that he would be sent away.

## Illegal Keeping of Liquor

Adolphus Tetraault was charged with illegally keeping liquor at his home, 9 Fulton place. Last Sunday, Sergeant Duncan and Inspector Grady visited Tetraault's house and found six cases of beer and a quantity of whiskey. Tetraault admitted his guilt and a fine of \$50 was imposed.

## Entered Plea of Guilty

James Gergoulakos, who was charged with assaulting Antonios Sempatakos, through his counsel, J. Joseph Hennessy, entered a plea of guilty and the case was continued for a week for sentence. The defendant, it is alleged, drew a revolver during the disturbance in Market street Tuesday night and threatened to do bodily harm to the complainant.

## Stabbing Affray

Costas Grout and Theodoros Kanavos got mixed up in an argument last night shortly before midnight and as a result the former received a wound in the left arm, it being alleged that Kanavos wielded a jack knife. While the fight was at its height word was telephoned to the police station and Patrolmen A. McCullough and Creamer were soon on the scene and placed Kanavos under arrest. In court this morning Kanavos was held in \$300 bonds for his appearance one week from today.

## Assault and Battery

Noc Donalds was found at 50 Tucker street late last night in a dazed condition with a split nose and a bad cut on his head which later required six stitches. The ambulance was summoned and the man was taken to the Lowell hospital. About 1:30 o'clock this morning Maxine Thibault was placed under arrest by Sergeant Giron and Patrolman Lamoureux and booked for assault and battery. When the case was called in court this morning it was continued until June 1 at the request of the government.

## More Stabbing

Marian Gonzales was stabbed twice in the head and once in the shoulder late last night during the course of a melee in Chapel street. Later Giovanni Lucardi was placed under arrest, charged with the assault. Gonzales was attended by Dr. Thomas F. Carroll.

Lucardi was placed under arrest by Patrolmen Daniel C. Donovan, Burke and M. Sullivan. The officers had a long and hard chase after the man and it is alleged that when he was placed under arrest he had an open jack knife in his hand.

## Drunken Offenders

Joseph T. Coughlin, charged with being drunk, was found guilty and placed on probation on condition that he would go to the city farm. "The man is a bad way physically and the court deemed it better to allow the man his freedom if he would go to the hospital instead of sending him to jail.

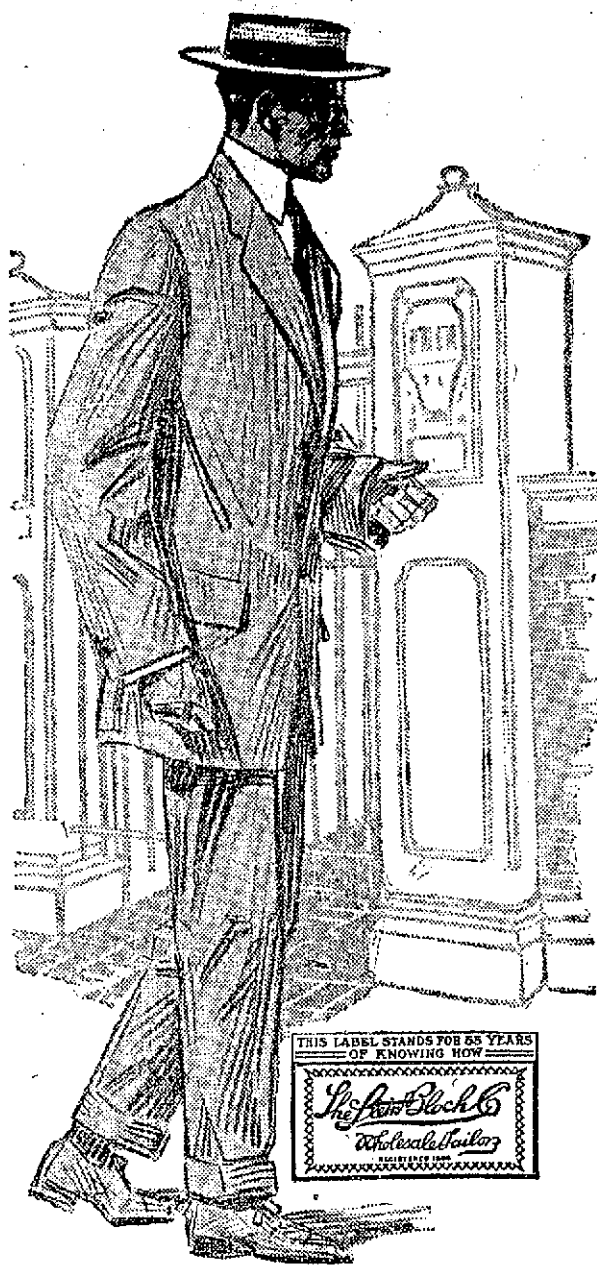

Cornelius Shea, charged with being drunk, was fined \$11. John McGuinness was fined \$6, and five first offenders were fined \$2 each.

\$17.50

This has been a trying season to the manufacturers. Between late deliveries of piece goods from the mills, strikes among the workers and the resulting cancellations by retailers, most manufacturers are loaded with spring goods.

The very heavy suit selling in our recently acquired store in Springfield, made it necessary for us to replenish, with the result that we can offer you today clothes from the world's best makers at prices less than ordinary makes.

We have divided the purchase between our Lowell and Springfield stores and place them on sale here today at \$17.50 a suit.

In the lot are three piece suits of fancy blue serges, fancy gray worsteds and velour cassimeres in the most wanted patterns. Also vestless suits of gray homespun and fancy cassimeres.

There are several models—including some very clever models for young men with 33 inch coats—high cut vests and peg top trousers.

Every suit is Brand New—fresh from the tailors. See them in our windows

## MR. MAN

That buys the coal, did it ever occur to you that to be a successful coal man, in the full sense of the word, you must have practical experience? Let us understand one another. The money that started me in the coal business I earned myself screening, shoveling and teaming coal right here in your own city. Today my coal yard and facilities for handling coal are second to none in this city. I know what coal is, and what coal is not. I know what to buy, and what not to buy, that means my customers do not have to suffer for my mistakes. I do not tell my men, go and do it, I say, come and do it; that means you hire your own foreman in place of the coal dealer hiring him for you. When you are about to place your coal orders, think this matter over.

Mail and telephone orders will receive immediate attention.

# MEMORIAL DAY

## Exercises Held in the Public Schools Today

Memorial day exercises were held in all of the public schools today the majority of them taking place during the afternoon. The exercises at the high school took place in the morning at 8:30 o'clock. The prettiest and most impressive feature of the exercises, as a whole, took place at the Lincoln monument in Lincoln square when the children from the Abraham Lincoln school marched about the monument strewn flowers on their way. This very pretty feature took place during the afternoon and besides the exercises at the school. Besides the flowers a whole, took place at the Lincoln monument when the children wreaths were

placed upon the monument by G. A. R. soldiers and this will continue to be an annual custom in connection with the Memorial day exercises at the Lincoln school.

The following program constituted the exercises at the high school: Patriotic music; Banjo, Mandolin & Guitar club; declamation, Memorial Day, John D. Long, Randolph W. Gleason; essay, Reminiscences of Peace and War, original, Vera F. Sullivan; singing, Unfold Ye Portals, Gounod, High school chorus; recitation, The Rear Guard, Gladys H. Arnold; declamation, Heroes and Martyrs, Edwin H. Chapin, Edward F. Slattery; solo, The Mission of the Rose, Ralph R. Meloon; recitation, Our Ranks are Getting Thinner, Louis Eisenbeis, George W. Jones; essay, Life of Gov. Andrews, original, Carl W. Taylor; recitation, The Honored Dead, Robert Ingersoll, Anna J. Masterson; singing, America, school.

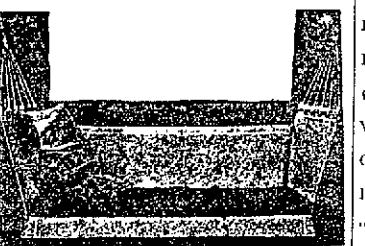

Programs at other schools were as follows:

**ABRAHAM LINCOLN SCHOOL**  
Salute to the Flag; piano solo, May Carlson; Chorus, "Battle Cry of Freedom, the School; piano solo, Mildred Hutchins; recitation, "Old Abe, the War Eagle," Bertha Braverman; chorus, "The Stars and Stripes Forever,"

## THE GILBRIDE COMP'Y

On the Corner

William H. Saunders had charge of the funeral arrangements.

**COUGHLIN**—The funeral of the late Mrs. Mary Coughlin took place this morning at 8:30 o'clock from her home, 49 Dayton street and was largely attended by sorrowing relatives and friends including a number from out of town. Among the latter were Mrs. Susan Bannet, William Howard, James Howard, Mrs. Jane Howard, Miss Jane McManus, Mrs. Wells, Mrs. McCarthy, Mrs. Fraser, Mary McGrath and Mrs. Frank Dearborn, all of Woburn, and Michael and Peter Maguire of Waltham. The cortege proceeded to the Sacred Heart church, where, at 9 o'clock a solemn high mass of requiem was celebrated. Rev. Bernard Fletcher, O. M. I., was celebrant, Very Rev. T. Wade Smith, O. M. I., deacon, and Rev. Lawrence F. Tighe, O. M. I., sub deacon. Rev. Denis Sullivan, O. M. I., of the Immaculate Conception church was present in the sanctuary. The choir, under the direction of Mrs. Adelaide Muldon, sang the Gregorian mass and during services appropriate selections were rendered. Mrs. Muldon presiding at the organ. The bearers were Charles McCarthy, W. S. Grady, Albert Barlow, Michael Harrington, Joseph McCarron and William McManus. At the grave, Rev. Fr. Fletcher read the committal prayers and the burial was in the Catholic cemetery. Undertakers J. P. O'Donnell & Sons in charge.

**LAMPSON**—Mrs. Martha Cote Lampson, wife of Alfred Lampson and a former resident of Granville, died at her home in Brookside Monday, after a brief illness. She leaves a husband and six children. E. Whately and Mr. James E. Donnelly sustained the solos. Mrs. McKennedy mourned her loss. The funeral took

place at Granville on Wednesday morning. A funeral mass was celebrated in St. Catherine's church by the pastor, Rev. Edmund T. Schofield. Burial was in St. Catherine's cemetery, Granville. Undertaker J. A. Healey had charge.

**MARLEY**—The funeral of Mrs. Annie Marley took place this morning at 8:30 from her home, 29 West 4th street and was largely attended. A funeral high mass was celebrated in St. Michael's church at 9 o'clock by Rev. Fr. Murphy. The choir sang the Gregorian mass and was under the direction of Mr. Thomas P. Boulger. Burial was in the Catholic cemetery where Rev. Fr. Murphy read the prayers at the grave. The bearers were Michael Murphy, Michael Gardner, Joseph Green, John Waldron, Frederick Allen, Patrick Waldron. The funeral was under the direction of Undertakers C. H. Molloy & Sons.

# THE LOWELL SUN

JOHN H. HARRINGTON, Proprietor

SUN BUILDING, MERRIMACK SQUARE, LOWELL, MASS.

Member of the Associated Press

THREE DOLLARS PER YEAR. TWENTY-FIVE CENTS PER MONTH

The sworn daily average circulation of The Lowell Sun for the year 1909 was

## 16,828

Sworn to by John H. Harrington, proprietor, Martin H. Reidy, business manager, and Alfred Pilotte, pressman, of The Sun, before me, January 1, 1910. J. JOSEPH HENNESSY, Notary Public.

This is by far the largest average circulation of any newspaper in Lowell.

There is a movement against the long and sharp hatpin protruding three or four inches from the hat. It is dangerous in a crowded car or even on the street.

Some drivers of vehicles on our public streets are in the habit of showing great carelessness by driving rapidly around street corners. The auto drivers are not to blame for all the accidents.

### THE SMOOTH PAVING JOBS

It is to be hoped that Supt. Putnam will push through the smooth paving jobs undertaken this year as rapidly as possible so that the work will be finished before Labor day, when we are likely to have a parade. We are to have auto races a little later, and it would be a great inconvenience if any of our public streets should be torn up at that time.

### TRADE WITH CANADA

It is now the Canadians who declare that reciprocity is a dead issue in Canada. They are awaiting an opportunity to retaliate. Canada purchases of the United States \$110,000,000 worth annually more than we buy of Canada and if our tariff rates were moderate the trade would be much larger on both sides. With an extension of the reciprocity principle we could buy lumber and farm produce at very reasonable rates from Canada. The standpaters, however, don't want any such arrangement.

### SWIMMING POOL FOR CHILDREN.

The park department by the expenditure of a small amount of money could provide a swimming pool for children in the pond on the South common. That pond could be easily deepened and lined with concrete so that it would be suitable for boys to swim in without any danger. A pond even of that size would afford an opportunity for a vast number of children throughout the city to learn to swim. Even this approach to a public bath system would result in the saving of numerous lives. If the city council cannot provide any system of public baths, it might make an appropriation to be expended by the park department for this purpose, so that a swimming pool might be provided for children even during the summer. It would prevent the boys from seeking the canals and the rivers at the risk of being drowned.

### SOUTH AMERICAN TURBULENCE

At present it is Nicaragua that is on the rampage in South America. Those saucy little states are so ready to do insulting things and to defy superior powers, in their haughty assertion of petty sovereignty, that if they were held to strict accountability as the laws of nations go, they would all be gobbled up by larger powers long ago. It is the Monroe doctrine that saves these pugnacious little states from immediate conquest, and yet they do not hesitate on the slightest occasion to insult the United States, to abuse our friendship and take advantage of the security thus afforded them to make trouble and evade if not utterly to repudiate their obligations, financial and otherwise.

The other day a Nicaraguan gunboat, Venus, searched an American schooner in spite of the fact that a ruling from Washington had been issued denying the Venus the right of search. There is an insurrection on in Nicaragua. Few of these little republics are ever without an insurrection in some form. What is wanted in South America is consolidation of some form that will hold the unruly elements in check either by compelling them to go to work or by putting them in prison.

### HALLEY'S COMET SPLIT IN TWAIN?

And now cometh astronomers who in all seriousness proclaim that not only the tail of Halley's comet but the head also divided in twain. It is a most remarkable occurrence for a heavenly body whose period of revolution around the sun has been recorded with so much accuracy since 1680, when Edmund Halley computed the length of its orbit and the time of its return. Why the comet should lose its head and go to pieces on this trip more than on any former occasion is difficult to determine. We are inclined to the belief, however, that Halley's comet will be with us at the usual time, seventy-six years hence; but most of us will then be dead and gone. The observation of the comet has been so unsatisfactory that the astronomers have not yet come to any definite conclusion upon the matter of its unexpected diversions. Judging from the appearance of the comet to the naked eye last night it would seem that both head and tail are still united and intact. Should the comet split in twain, however, and the parts fly in different directions no harm whatever would be done. It is very generally believed that the comet is not a solid body and its being gaseous and light, enables it to move at a very rapid rate under the attraction of the sun, for there is no atmosphere to retard its motion through space. It is stated that the comet of 1882 divided into four parts which separated and vanished. These parts may be moving as distinct comets, and appearing occasionally to the earth as unlisted comets frequently do. There are other comets than Halley's that have regular orbits and periods of revolution, comets of recognized prodigy and stability of character. They have been apparently keeping to the same course from time immemorial, and why they should not go to smash as well as Halley's is not clear. Of course it is recorded with strong attestations by astronomers that in 1882 the earth passed through the fragments of a comet, the pieces appearing as fiery meteors. On the whole there is still much to be learned about these celestial visitants but every new arrival and every return of a former visitor gives our astronomers the opportunity they desire of studying the motions, the habits and constitutions of these elusive bodies.

## Splendid Qualities Correct Styles and the Right Prices

Are bringing us a great and growing business in ROGERS-PEET'S fine clothing. Here are suits actually better than the majority of tailors make to measure, and suits that nine times out of ten fit to start with better than a tailor will fit you. Every pattern in Rogers-Peet's clothing is exclusive. Every garment warranted not to fade. You can buy this superior clothing—unquestionably the best that is manufactured—of the new Tweeds, Donegals, Bannockburns, Wool Cassimeres, Cheviots, Fancy Worsteds, and Serges, in regular suits or vestless suits for **\$20 Suit** And from that to \$40

## MEN'S HAND TAILORED SUITS for \$15.00

We demonstrate today what careful manufacturing can do towards producing smart up-to-date hand tailored clothing for a moderate price. This is a season of cheviots and soft faced wool goods, and you will find these new materials all represented in our stock for \$15.

For spring and summer these soft, pliable woolen fabrics are especially well adapted and most men will welcome the change to these comfortable, easy fitting cassimere suitings. Grays, in a wonderfully wide range of shades and attractive patterns predominate, and there is a showing of tans and browns—colors that you will see plentifully next fall.

For the man who prefers worsteds, we have provided liberally of grays and the many new weaves of fancy blues and fine blue serges—all for **\$15**

### STYLISH SUITS

### SEEN AND HEARD

A little girl from a London East End slum was invited, with others, to a charity dinner.

In the course of the meal the little maiden startled her hostess and the aristocratic company by solemnly propounding the query:

"Does your husband drink?"

"Why, no," replied the astonished mistress of the house.

After a moment's pause the miniature quizzet proceeded with the equally bewildering question:

"How much coal do you burn? What is your husband's salary? Has your husband any bad habits? Does your son go to work?"

By this time the presiding genius of the table felt called upon to ask her humble guest what made her put such strange questions.

"Well," was the innocent reply, "mother told me to behave like a lady, and when ladies call at our house they always ask my mother these questions."

A certain member of the Pittsburgh Stock Exchange has set his nephew up in business three times, and the young man takes something essential to success in the line selected for him, and has failed with each effort.

When he recently appeared before the uncle with his fourth request, the latter said:

A great deal as the result of your last failure. Pitch in on your own hook and go it alone till you pay off those debts. When you've done that, I'll give you a check for what they amount to. Such an experience will do more good than all the money I could give you now."

Two months later the nephew walked in with every claim receipted in full, and the uncle was so delighted that he gave the promised check.

"How did you manage it, Howard?" he asked, after an expression of congratulation.

"I borrowed the money," replied Howard.

A well known newspaper man tells of the time when he conducted an "Answers to Correspondents" column for his newspaper. For the convenience of such subscribers as wished personal replies to their queries, the editor would send responses direct when stamped envelopes were enclosed for the purpose.

One morning the editor was in receipt of two communications requesting personal replies, one from an anxious mother who wrote touching the proper training of twins, the other from a farmer who asked for a method of getting rid of grasshoppers.

The editor, out of the fullness of his knowledge, wrote the two replies, but in the press of business got them in the wrong envelope. To the mother of twins went this interesting recommendation:

Cover them carefully with straw

and then set fire to it. After jumping in the flames for a few minutes the little pests will be speedily done for.

The man who was troubled with grasshoppers was bidden to Give castor oil regularly in moderate doses and rub their gums with a bone.

### PEOPLE OF NOTE

President Faunce of Brown university recently addressed the Eastern Connecticut Teachers' association at Williamantic, Conn., on the subject, "Efficiency in Teaching."

Arthur H. Blanchard (engineering) has been elected to the Societe des Ingenieurs Civils de France. Professor Blanchard is spending his sabbatical year in France.

The French Society for the Prevention of Cruelty to Animals has bestowed its highest award upon Edward Rostand for his "Chanteclair."

In his letter of thanks M. Rostand says: "I have always been passionately fond of animals, and I am pained by never having made a single animal cry with pain than of having, one day, made a number of them talk."

The will of William Bayard Cutting, Jr., of New York, who died at Assouan, Egypt, leaves \$25,000 to Harvard, "for purposes which will be specified by Edward Haysdoper Wells of Boston, or in the event of his death, by Theodore Lyman of his death."

The testator leaves a trust

fund of \$200,000 for his wife, Lady Sybil, and his daughter, Iris, and gives his wife \$25,000 besides. He gives two friends, J. Gordon Cardiner of Florence, Italy, and Graf Erwein Wurmacher Stuppach of South Tyrol, Austria, \$5000 each.

Mrs. Anna L. Jessups, a supervisor of sewing in the public schools of New York, is at the head of the movement to teach children to use large hand looms, weaving twenty-two inch fabric, instead of the miniature looms commonly used for instructing the children in the principles of hand weaving. At the exhibition of handwork in the schools which has just closed several of the child weavers gave very creditable exhibitions of their skill in the use of the large looms. Several hundred rugs, all designed and woven by the children, were shown.

Pierre Marthe, who invented the original steel smelting process by which the famous Silenus-Marthe steel is produced, has been discovered lying in bed in and in poor circumstances in the neighborhood of Paris. The French steel smelters' organization, known as the Comite des Forges de France, immediately opened a subscription list with \$20,000 and invites donors all over the world to contribute, with the object of placing Marthe beyond the possibility of actual want. The inventor is 86, and a celebration is planned for the middle of next June to honor him. At the

same time the money collected will be handed over to him.

Emily Callaway, a graduate of Wellesley college, has been engaged by Wagenhals & Kemper to play the role of Kit McNair in "Seven Days" next season. This will be Miss Callaway's professional debut on the stage, although she was associated with theatricals at Wellesley. She is the third from the same college to adopt the stage as a profession, her predecessors being Helen Hale and Diamond Donner, both of whom began in the chorus.

Miss Callaway was born in Chicago, but comes from a southern family. At college she was a member of the Barn Swallows club, and played boy parts in their theatricals. She is the author of several plays that were presented by the club, including "The Return of Deborah," "Miss Oliver's Dollars," "The Power of Friendship," and "Prince Charley." Incidentally she "went in for" athletics and won the right to wear the college "W."

## BOSNIA'S CARGO IS NOT CREDITED

Estimated to be Worth  
\$1,250,000Report That Moody is to  
Resign

BOSTON, May 27.—The big German steamship Bosnia, freighted with one of the biggest cargoes ever brought to Boston, came up the harbor on the top of high water yesterday afternoon and went to a berth at the new pier at Mystic wharf. In her great holds were more than 11,000 tons of merchandise.

When the Bosnia left Hamburg she grounded in the lower Elbe on account of her extreme draft of 29 feet, but was assisted about without damage and proceeded for this port.

One seasonable shipment was a big consignment of straw hats. She also had nearly 100 tons of Epsom salts, 1800 cases of sardines, 2000 bales of wood pulp, 1000 bales of rags, an immense quantity of toys, musicware, crockery and earthenware, and over 1,000,000 postal cards. There were also many tons of chemicals, fertilizer, poison and drugs. About 7000 tons of the cargo will be unloaded here and the balance will go to Baltimore.

Capt. Schmidt said the grounding of the vessel in the Elbe was not unusual, as nearly every steamer drawing more than 25 feet touches bottom at low tide. He said the weather was foggy the greater part of the distance and it was particularly thick approaching the coast.

It is estimated that the cargo of the vessel is worth \$1,250,000.

WASHINGTON, May 27.—The rumor, again revived, that Associate Justice Moody is to resign is given no credence by Representative Gillett, Justice Moody's most intimate friend.

"If Mr. Moody intends to resign from the bench he has not written to me about it, and I think I know," Mr. Gillett said yesterday when asked if he had heard about the latest resignation rumor. "I had a letter from Mr. Moody only a few days ago. Mr. Gillett said: 'Mr. Moody was cheerful and evidently in good spirits, as he wrote that he was smoking while dictating, the first cigar he had smoked in some months.'"

It is quite certain that if Mr. Moody finds that the condition of his health will not permit him to resume his place on the bench he will not resign until some provision has been made by congress for his future. Should he resign under present conditions he would forfeit his salary and pension, which he can ill afford to do, while he can continue to draw his salary as long as he lives even if he should never do another day's work in the court.

## FINAL ARRANGEMENTS

For The Observance of Memorial  
Day Announced

Final arrangements for the observance of Memorial day and Memorial Sunday by the local joint of the G. A. R. have been completed. Despite the fact that the ranks of the veterans are being depleted year after year the observance this year promises to be one of the most successful ever held. The Memorial Sunday services will be held at the First Congregational church in Merrimack street on May 29th at 2:30 o'clock in the afternoon. The chairman of the committee on arrangements is Earl A. Thissell, while

the orator of the day will be Rev. Alexander Blackburn, D. D. Frank Brown Murphy will be musical director and the choir of the church will be in attendance. The solo parts will be sustained by Mrs. Stella Wilson, and Solon W. Stevens will preside at the organ. The program will be as follows: Hymn, "Glorious Christian Soldiers," By Full Choir, Audience and Organ. Organ Recital. Solon W. Stevens. Reading of Scriptures. Rev. James Edgar Gregg. Anthem, "Praise Ye the Fathers."

First Cong. Choir and Organist. Frank Brown Murphy, Director. Invocation. Rev. Joseph W. Stephan. Chorus, "Gone to Their Rest"....Rockel Roll Call of the Dead. Quartet and Roscoe McDaniel, Bugler. Chorus, "To Thee, O Country."

President Lincoln's Address at Gettysburg, Nov. 19, 1863. Read by Rev. E. Victor Bigelow. Prayer. Rev. N. W. Matthews. Solo, "Forever With the Lord." Gounod. Remarks by His Honor, the Mayor, John Francis McDaniel. Chorus, "American Hymn"....Kellar. Oration. Comrade Rev. Dr. Alexander Blackburn. America. Read by Rev. C. E. Fisher. Sung by Chorus and Audience With Organ Accompaniment. Benediction. Rev. J. M. Craig. Organ.

Memorial Day. On Memorial Day, Rev. John F. Burns of St. Peter's church will officiate at the services at Monument square at the conclusion of the parade and Rev. Donald A. Sullivan, O. M. L. of the Immaculate Conception church, will officiate at the Catholic cemetery.

## ACCUSES SON

BOSTON, May 27. Charged with the theft of \$27.75 from his father, Augustus Ryer was arraigned in the South Boston district court yesterday, his father, John Ryer, and a sister testifying against him. The father claimed that his son had taken the money from beneath his head while he was sleeping. He claimed that Mrs. Ryer had left him \$2000 on her death, which he kept in his pockets during the day time, and under his pillow at night. Mr. Ryer, senior, and the young man's sister, claimed in court that young Ryer had misappropriated over \$100 within a few hours for he only had \$100 with him when arrested. Ryer was held on this charge in \$1000 for the superior court. He was later sentenced to serve three months on Deer Island for stealing furniture owned by Morris Olin of West Broadway, South Boston. He appealed and was held in \$200.

## WILL IS ALLOWED

Mrs. Lincoln Leaves  
\$50,000 to Nurse

BOSTON, May 27.—Judge Grant of the probate court yesterday allowed the will of Mrs. Annie Preston Lincoln of Commonwealth avenue, who left several big private bequests, including a gift of \$50,000 to her nurse, Nellie K. Melsaac. The estate is worth about \$330,000, of which \$299,000 is personal and \$31,000 real property.

Under the will of Herbert L. Littlefield, filed in the probate office yesterday, the entire property of the testator goes to George E. Kimball, an assistant clerk of the superior court, and his brother, Allen Kimball. Littlefield committed suicide by drowning in the Charles river.

The testator was a friend of the Kimballs whom he had known from boyhood. He was a personal friend of their father and their uncle. He was unmarried. His nearest relatives were cousins. George E. Kimball is executor of the will. The exact value of the estate is not known, but it is said to be about \$35,000.

The will of Olive L. Hubbard was filed in the probate office yesterday. She left \$2000 to Henry O. Cushman in trust for the benefit of her grandson, William E. Drew, the principal to be paid him when he reaches the age

of 21 and he should not live to attain that age then the money will go to the American board of commissioners for foreign missions, and \$5000 to Cushman in trust, the net income to be paid to Eunice H. Huntley, sister of the testatrix, for life and on her death \$3000 of the amount will go to the American Bible society and \$2000 to the American tract society. Mr. Cushman is named as executor. The will is dated April 12, 1909.

Judge George of the probate court yesterday authorized James S. Murphy

and John R. Murphy, trustees under the will of Mary J. O'Reilly, widow of John Boyle O'Reilly, to sell the estate in Hull where the famous poet lived. The price to be paid for it is \$7000.

# COMET SEEN BY ALL

## Was Clearly Visible in Western Sky Last Night, but Not Brilliant

For the first time since its proximity to our planet Halley's comet was clearly visible last night from sunset until about 11 o'clock. It appeared as a star followed by a long trail of light. It is not nearly so brilliant as it would have been if seen a week ago, when much nearer the earth. It was viewed by many thousands last night, appearing as soon as the light had faded sufficiently after sunset. It was noticed that occasionally the tail would appear much more luminous than at others, giving like a streamer in the northern lights. The length of the tail, measured by the astronomers, was from 30 to 40 degrees, only one-third the length reported when the comet was nearer the earth.

It was unfortunate that it was not seen in the period of its greatest brilliancy. It will be seen again tonight if the sky is clear, from dark till 10:00, when it sets or goes down in the west. It should be visible for over three hours.

The assertion that the tail was lost or had divided in two parts and that even the head had been divided seems

to be without foundation, judging from the normal appearance of the comet last night.

The Harvard astronomers are supported in their contention that the comet's nucleus is not divided, by observations made last night by Prof. David Todd of the Amherst college observatory, who reported that the comet's head is normal.

There will, therefore, be no need of calling in an alienist for expert examination.

### COMET'S HEAD NORMAL

AMHERST, May 27.—Observations of Halley's comet, made last night by Prof. David Todd at the Amherst college observatory, indicated that the comet's head is again normal. No traces could be seen of the bifurcation of the comet's head, reported by an Arizona observer. The tail last night was 30 degrees long.

### VISIBLE UNTIL JUNE 10

PROVIDENCE, R. I., May 27.—Halley's comet will be visible on its west-

ward flight until June 10, according to an announcement made last night by Frank E. Seagrave, the astronomer who is said to have first computed accurately the comet's ephemeris, or time of appearance, in the eastern sky. As a whole, Mr. Seagrave found the wanderer more brilliant than he expected, he said.

Grown students gathered on College hill and cheered Halley and his comet. The parks throughout the city were thronged by thousands of comet gazers.

### BOSTON PEOPLE INTERESTED

BOSTON, May 27.—Thousands of Bostonians came out in the balmy air last night to gaze upon Halley's comet. Around the "telescope man" on the common the crowd fairly crawled over one another to hear the "real" story of the "bifurcated" tail, the split nucleus, and the strange "jet."

### VISIBLE AT HARVARD

CAMBRIDGE, May 27.—For more than three hours Halley's comet was

## FALLING HAIR

People in Paris Have a Simple Way of Stopping It

It was Dr. Sangerbon, of Paris, who first discovered that dandruff and falling hair were caused by a microbe.

So in Paris, where the hair is better understood than in America, the people found that the easiest way to stop falling hair and get rid of dandruff was to kill the microbe that did the damage.

And now that Parisian Sage, the remedy that kills the dandruff germ is sold in every town in America, the clean people of this country have awakened to the fact that dandruff is unnecessary; that falling hair and itching scalp can be quickly stopped, and that people who use Parisian Sage will never grow bald.

To every reader of The Sun who wishes to eradicate disgusting dandruff, stop falling hair, and have an immaculately clean scalp, free from itching, Carter & Sherburne make this offer:

Money returned without red tape, if Parisian Sage does not banish dandruff, stop falling hair and itching scalp in two weeks.

Parisian Sage is sold by druggists everywhere, and by Carter & Sherburne for 50 cents a large bottle. It is an ideal, daintily perfumed hair dressing, free from grease and stickiness, and will cause hair to grow luxuriant and lustrous. It is used by refined women the world over.

Mail orders filled, charges prepaid, by the American makers, Giroux Mfg. Co., Buffalo, N. Y. The girl with the Auburn hair is on every package.

visible at the Harvard college observatory last night, it being the first time a satisfactory view had been secured since the comet went into the west.

The nucleus, measured photometrically with the large telescope, was found to be of 6.43 magnitude, which compared with a magnitude of 5.57 of two nights ago, showing the nucleus had grown slightly brighter.

Notwithstanding it was recently reported that the nucleus had divided nothing of such a division was seen last night, in fact the head of the comet was found to be quite sharp and stella.

The maximum of light or "jet," which was seen projecting from the nucleus toward the southwest on May 23 and May 24, measuring some two and a half minutes of arc, had entirely disappeared last night.

From the observations taken by the naked eye the total light of the head was estimated to be of about 2, magnitude or about equal to the Polar star.

The length of the tail was estimated to be of about 40 degrees, possibly longer and extending nearly to Jupiter.

### WANT FIGHT STOPPED

CHICAGO, May 27.—The Presbyterian Brotherhood of Chicago last night addressed an appeal to Gov. Gillett of California to prevent the proposed boxing contest between Jeffries and Johnson. The telegram sent to the California executive is as follows:

"We, business men of the Chicago Brotherhood, in the name of all that stands for true and manly sport in America, respectfully urge upon you

the prevention of the Jeffries-Johnson prize fight or so-called boxing match, by so doing your great power as governor will be exerted for its highest purpose, clean sports encouraged, the harmful influence of moving pictures of fighting bouts prevented and the honor of your great state upheld in the minds of all good citizens of the nation."

## High Cost of Living Contest

Madam—you try to serve palatable, satisfying meals and probably you often, think marketing is very expensive.

We've thought about the high cost of living also. We are interested to know just how good a dinner—costing fifty cents—can be served to five people.

To the housewife who submits in writing the best menu for a 50c. dinner sufficient for a family of five persons, we will present the choice of a

This contest closes June 15, 1910. There are no coupons to save or cut out. Just write one menu or several—on one side of any kind of paper, hand to any BARSTOW STOVE Dealer or mail to "Range Contest Department," BARSTOW STOVE COMPANY, Providence, R. I.

This contest will be decided strictly on its merits by the following committee which has consented to judge for us:

Mr. M. H. Reidy, Business Manager of The Lowell "Sun"; Mr. John P. Curley, of the John Street Public Market; and Mr. D. J. Page of the D. J. Page Co.

Don't forget to put your name and address on each menu you send and remember that each dish you name must be figured at the actual market cost of food.

Learn what a splendid range you can compete for, by stepping into a BARSTOW STOVE Dealer's and asking to see it.

BARSTOW RANGES possess every improvement worthy of use in a range and many special time and labor-saving features found in no other ranges.

We will award a combination range with gas oven and gas shelf for use with or without coal fire.

It has two heat indicators, sectional covers, towel dryer, oven food rake, simmering cover, nickel parts detach quickly when polishing.

Like all BARSTOW RANGES, it will cook a 50c. or \$50 dinner with two-thirds the fuel required by other makes.

## RIKER-JAYNES WEEKLY BULLETIN

ONE of the leading magazines prints this month an article on the danger of using adulterated, impure and habit forming drugs, and the writer concludes with the following advice:—

"He can size up his drug store, take the measure of the man in charge and resolutely refuse to buy of the man who is careless about what he passes over the counter. Always in every town there are some druggists who are more careful than others. And some who have more morals and more conscience about what they do. \* \* \* Everyone can hunt out the druggist whom he prefers to trust."

The whole article is a boost for Riker-Jaynes' methods. Our whole business life has been devoted to studying methods to safeguard your interests. We conduct an analytical laboratory, which insures to us and to you drugs of high quality, and you will find our drug clerks men of experience and intelligence.

## GOVERNOR HUGHES

## Failed to Secure His Direct Nomination Bill

ALBANY, N. Y., May 27.—With haunting visions of being called back into extra session because of their failure to enact such electoral reforms as are advocated by Gov. Hughes two hundred tired legislators prepared to leave for their homes today, starting with the most sensational bribery trial in the legislative annals of the state—the trial of Senator Jotham P. Aldis—and ending in a red hot fight over the various direct primary measures the session which ended at noon today has been one of the most strenuous in years.

Governor Hughes fails to secure his

pet direct nominations scheme but has been fortunate in obtaining favorable legislation on all his other more important recommendations. They include the state's refusal to endorse the federal constitution, a resolution calling for a general investigation of corrupt practices, the placing of telephone and telegraph companies under supervision of the public service commission, second district, strengthening the laws against race track gambling, more stringent measures for the suppression of the "white slave traffic" and important reform in the insurance and banking laws.

## BIG ATHLETIC MEET

PHILADELPHIA, May 27.—Taken as a whole, the class of athletes who will compete in the annual intercollegiate track and field championships, which begin on Franklin field this afternoon, is as good as any that have been brought together in this important college athletic meet in years.

On the strength of performances during this spring it would appear that the team championship will be won by either Harvard, Yale or Pennsylvania. Yale is strong in the field events, Harvard is well equipped in both field and track and will make a desperate attempt to regain the championship won last year, while Pennsylvania's greatest strength lies in her track men up to and including the one mile event.

The smaller colleges with a few stars may be important figures in determining the championship.

With the exception of the one and two mile races, all the track events today will be limited to trial heats, leaving finals until tomorrow.

The trials in the pole vault and high jump events today will reduce the large number of entrants to five for the finals. The height cleared today will not count, except to gain admission in the finals.

In the shotput, hammer throw and broad jump, however, the distance will count, and the men making the best performances today or tomorrow in these three events will be the winners. The weather is perfect and the track fast.

## GEORGE C. LEE'S WILL

CAMBRIDGE, May 27.—The will of the late George C. Lee of Newton, grandfather of Mrs. Alice Roosevelt Longworth, was allowed by Judge McIntyre of the Middlesex county probate court here today. Mr. Lee left an estate and personal property valued at \$975,000. Of this estate Mrs. Longworth receives one-twelfth of the residue. The bequests were all of a private nature.

INDIANAPOLIS, May 27.—Former Congressman Jesse Overstreet, who represented this, the seventh district of Indiana, from 1896 to 1905, died at his home here after a long illness.

**Dr. Temple's Treatment Free to the Sick**

THIS IS THE OFFER

Anyone applying for treatment at the office, 37 Central street, Mansur block, rooms 10, 11, 12, will be treated one week free, that is, without charge or compensation whatsoever for medicines, office treatment or advice. No money will be asked under any circumstances. This is absolutely and positively free to all sufferers with any form of a nervous or chronic disease of the stomach, liver, kidneys, bladder, blood or rectum. The offer is limited in time only. You must come this week.

**THE FREE TREATMENT PLAN**

is not a philanthropic or charity offer, but simply a business proposition, made for the purpose of becoming quickly acquainted with the sick, to introduce this new and progressive method of treatment and to prove this wonderful system of healing; therefore, all may call—the high, the low, the rich, the poor, without fear or favor. The doctor believes that the grateful endorsements of the many who will be relieved and cured will attract public attention to his office and system of treatment and bring sufficient patronage to repay the great outlay and expense entailed by this offer.

Observe the days and hours which the Free Treatment is given: Mondays and Wednesdays, 10 a. m. to 12, 2 to 5, 7 to 11; Sundays, 10 to 12. Other days by appointment only.

## CABINET RESIGNED

COPENHAGEN, May 27.—The resignation of the cabinet whose policy of defense failed to receive support in the recent election was placed before King Frederick by Premier Zappala today. His majesty asked that the ministers continue their duties pending the election of their successors.

## EXPERT TESTIMONY

ST. LOUIS, Mo., May 27.—That expert testimony is to play an important part in the trial of Mrs. Dora Doxey charged with the murder of William Doxey, developed today. Dr. J. A. Hartman, of the coroner's office, was the first witness called when court reconvened. The question of whether Doxey was suffering from a malady for which arsenical compound was used was asked repeatedly in the cross-examination. Testimonies by Mrs. Doxey's attorneys today.

## COLLEGE LIBRARIANS

NORTHAMPTON, May 27.—The spring meeting of the New England College Librarians association here today was marked by the formal opening of the new Smith college library.

President L. Clark Seydewitz of the college presided at the exercises and the dedicatory address was delivered by Dr. Dawson Johnson, librarian of Columbia university.

## TRAVELLED 25,000 MILES

SAN JOSE, Cal., May 27.—William Brown, who started from New Foundland in December, 1906, with a team of four dogs on a trip around the world for a purse of \$10,000, reached this city today on the last leg of his journey. He has travelled 25,000 miles, is ahead of time and has three of the four dogs with which he started.

## FLIGHT POSTPONED

ALBANY, N. Y., May 27.—Glenn H. Curtiss finished assembling his aeroplane this morning but postponed making a short trial flight because of threatened showers. He still hoped that he might be able to start for New York this afternoon but with his usual caution balked at predictions.

## WAR BELIEVED INEVITABLE

LIMA, Peru, May 27.—Another large contingent of the army is continuing to the northern frontier today. Despite official assurances from Washington that Peru and Ecuador have accepted the arbitration of the United States, Brazil and Argentina in their boundary dispute the popular opinion is that war is inevitable owing to the conditions that Ecuador imposes respecting mediation.

## RAILROAD MAIL CLERKS

KANSAS CITY, Mo., May 27.—A resolution was adopted at the annual convention of the railroad mail clerks today appealing to congress in the interest of a retiring scale of pay for railroad mail clerks. The resolution urged that clerks be allowed to retire at 60 years of age or after 25 years of service and be allowed three-fourths of their former salary. The convention ends tonight.

## POLICE OF WORCESTER

### Looking for Lad Suspected of Stabbing His Father

WORCESTER, May 27.—A 13-year-old boy is being sought by the police of this city, charged with having attempted to stab his father to death. Richard Caron, the son of Elias T. Caron of No. 6 Shale street, is the lad sought.

The case was reported to the police today after the father's wounds had been dressed at the city hospital. The father said that last night the boy was very noisy and about 9.30 he ordered his son to bed. Shortly afterwards the father retired. During the night Richard arose and dressed and

taking a three pronged fork from the kitchen closet entered his father's room crying: "I'll kill you." He then stabbed at his father, according to the latter's story, but in the darkness his aim was bad and the most serious wound was inflicted on the father's shoulder. The elder Caron screamed for help and Richard disappeared.

Other tenants in the house cared for the father through the night and today he was taken to the city hospital where his wounds were dressed. The police have not been able to secure any trace of the boy.

### LOSS IS \$2000

#### Fire in Lawrence This Morning

LAWRENCE, May 27.—Fire which threatened an entire block of wooden footer buildings numbered 90 to 128 Essex street broke out this morning. Two alarms were sounded as the buildings are in the heart of the business section and surrounded by wooden frame buildings. The fire started in Gustave Youngbauer's sausage shop and smoke filled every building in the block. The fire was confined to three stories. Youngbauer's, Abe Katz, shoes, and "Billy" Bell's saloon. The latter suffered the most damage. The entire damage will not exceed \$2000.

Hear Martel's new song, tonight.

## AMES IS CONFIDENT

### That He Will Win the Fight Against 'Senator Lodge

WASHINGTON, May 27.—Representative Ames returned from Massachusetts yesterday enthusiastic over the political situation in the state. "Everything looks good to me," said Mr. Ames. "Senator Lodge and his friends are working hard to defeat the will of the people, but I predict that they will be unable to do so."

Mr. Ames returned to attend the hearing before the house committee on foreign affairs today on the bill providing that the Panama canal exposition in 1915 should be held at New Orleans. In the course of the hearing Mr. Ames stated that he had been deluged with communications from Massachusetts urging that New Orleans be selected as the exposition site in preference to San Francisco. He said that many Boston people are interested in the United Fruit company, which operates steamship lines touching at Boston and New Orleans and has important property interests at New Orleans.

Mr. Ames' statement was received with enthusiasm by the crowd of New Orleans boomers present. They took it to mean that he was in favor of New Orleans, but he says he will vote for the best city.

Gov. Sanders of Louisiana, speaking of the geographical advantages of New Orleans, said it was within easy distance of every large center of population in the country. "It is close to Massachusetts," added Gov. Sanders, looking at Mr. Ames.

"Yes, I know," replied Mr. Ames, dryly. "One of my ancestors made the trip." Mr. Ames' humor was appreciated by the New Orleans people.

Representative Ames was asked about the recent denial of Representative Gardner that he had signed Mr. Ames' petition asking the ways and means committee to report the Ames Canadian reciprocity resolution. "Gussie is right and Gussie is wrong," replied Mr. Ames. "In my letter to Chairman Payne, which I read in the house, I stated that all of the Massachusetts republican congressmen signed the petition. That was a mistake which I corrected, or intended to correct, in my remarks on the floor. I intended to say then that all but two of the Massachusetts republicans signed the petition."

"Mr. Gardner was absent in the south when I prepared the petition. When he returned for a day or two I asked him to sign and he refused. Neither did Rep. McCall sign. He favors my resolution and thinks it should be reported, but being a member of the ways and means committee he would have been put in the position of signing a petition to himself. I intended to say these things in the house, but was in a hurry to catch a train and may have omitted to bring these facts to light. If so, the record should be corrected. I see no occasion for Mr. Gardner to raise the question he did. It will do him no good."

In the afternoon Rep. Ames and Foss talked over informally the political situation in Massachusetts. Both were at home recently. Although these two men belong to opposite parties they are not very wide apart in respect to certain phases of the Massachusetts political situation.

### Relative to the Erection of a Beaming Plant

The following petition relative to the erection of a beaming plant by the American Hide & Leather company was submitted to the board of health this afternoon. Similar petitions were submitted some time ago and there are others in circulation:

May 7, 1910.  
To the Board of Health, Lowell, Mass.  
Gentlemen: The undersigned, residents, property owners and taxpayers, disturbed and alarmed at the position taken by the American Hide and Leather company relative to the erection of a beaming plant, shown by their letter to your body dated April 25th, ult., their attitude being in effect that while it is insisted that your board has no authority or jurisdiction over the matter, the company nevertheless desires your approval to their erecting such plant on the location described in said letter, and seek from you a formal permit therefore, do hereby, emphatically protest against the establishment of any such plant, however modernized, upon the location suggested, or any other location in that immediate vicinity; and respectfully

pray that you withhold your approval thereof, and refrain from any action encouraging such project until an opportunity be afforded the citizens of Lowell to appear before you at a public hearing, time and place thereof to be fixed and duly warned by you, there to state fully their objections. ## AUTO WENT WILD EIGHT HOUR BILL

### Two Women Were Killed Instantly

LOGAN, O., May 27.—While returning from a party at midnight an automobile driven by William Sulder, president of a lumber company, ran over an embankment and Miss Lillian Wright and Miss Flossie Herman were instantly killed. Mrs. Goss has a fractured leg and Miss Sulder's leg was broken. Miss Wright was to have been married next Wednesday.

### Vetoed by Governor Draper Today

Gov. Draper this morning vetoed the eight-hour bill, so-called, as he intimated he would.

The bill will be taken up by the legislature next week and while there is no doubt that a majority will vote to pass the bill over the governor's veto it is a question whether the necessary two-thirds vote will be obtained to pass the measure over the veto.

DAUGHTER RECOVERING  
NEW YORK, May 27.—Mr. and Mrs. William J. Chalmers of Chicago, who made a sensational race from London to Quebec to catch the steamer Mauretania, because of the illness of their daughter, Mrs. Norman Williams, Jr., of Chicago, learned here today when the steamer docked that their daughter underwent a surgical operation several days ago and is now in the convalescent stage.

## REV. FR. CONWAY 91 YEARS OLD ANNUAL BONUS

### Preaches Eloquent Sermon at St. Peter's

The triduum under the auspices of the Immaculate Conception sodality of St. Peter's church was opened in that church last evening with a large congregation present. As the triduum is being conducted by two noted Jesuit preachers all the services are expected to be largely attended.

Last evening's sermon was given by Rev. Fr. Conway, S. J., vice president of Boston college. It was an eloquent and instructive discourse. This evening Rev. Fr. Gasson, S. J., president of Boston college, a foremost orator, will deliver the sermon. Fr. Gasson is a close friend of Rev. Dr. Keilher, pastor of St. Peter's.

Tomorrow will be devoted to confessions and the closing exercises will be held on Sunday with Fr. Conway again the preacher. There will also be a reception into the Immaculate Conception sodality.

### Julia Ward Howe Celebrated Birthday

BOSTON, May 27.—Mrs. Julia Ward Howe celebrated her 81st birthday today at her home at 241 Beacon street. Mrs. Howe spent the day quietly with her immediate family and a few friends. At the 81st milestone of her life, Mrs. Howe is full of healthy vigor, although her age is beginning to tell on her strength, and she finds that it is impossible to accept all the invitations she receives to make addresses and to attend receptions.

GOV. MARSHALL SPOKE  
CHICAGO, May 27.—Governor Marshall of Indiana, addressing the annual convention of the Presbyterian Brotherhood of Chicago last night, said he taught a "Bible class in Indianapolis from the international book of Sunday school lessons which he declared are so incoherently arranged that they 'hop around like a chameleon which killed itself trying to make good on a Scotch plaid.'"

Governor Marshall's appeal for militant methods in the church was preceded by the adoption of recommendations calling on Gov. Gillett of California to suppress the Jeffries-Johnson fight.

RESENTS CRITICISMS  
WASHINGTON, May 27.—President Taft today sent to Chairman Tawney of the house committee on appropriations a letter expressing deep resentment at the criticisms passed by democrats in the house debate yesterday upon the travelling expenses of the president. The president says he is especially distressed by "suggested reduction on southern hospitality."

### Paid to Moore Mill Operatives

The annual bonus allowed the operatives of the Moore Spinning mills at North Chelmsford for strict attention to business during the year was paid today. The bonus amounts to about ten per cent of the year's wages and is not paid to any operative who has been absent from his or her post of duty more than ten working days in the year, except such time as may be allowed for vacation. This system was adopted by the company a few years ago and works to the entire satisfaction of all concerned. It is an incentive for the operatives to attend strictly to business and it was stated today that a majority of the operatives were paid the bonus.

The Shaw Stocking company has declared the regular semi-annual dividend of three per cent. to be paid June 1.

### DEATHS

## BEATRICE AYER

### Becomes Wife of Young Army Officer

Miss Beatrice Banning Ayer, daughter of Mr. and Mrs. Frederick Ayer, of 206 Commonwealth avenue and Prides Crossing, and Lieut. George S. Patton, Jr., 16th U. S. cavalry, son of Mr. and Mrs. George S. Patton of San Gabriel, Calif., were married yesterday in St. John's church, Beverly Farms, by Rev. Dr. George A. Gordon of the Old South church of Boston, who was assisted by Rev. Eugene Hulgwin, rector of St. John's.

The ceremony was witnessed by relatives and friends from California, St. Paul, Virginia, New York, Washington and Boston, a special train conveying the party from Boston to Beverly Farms, and returning after the reception and dance that followed at Avalon, the summer home of the bride's parents at Prides Crossing.

Miss Ayer was a charming bride. Her gown was the one worn by her mother at the latter's marriage 25 years ago. It was of heavy cream-colored tulle with court train, and was worn in the same style as originally designed. The bridal veil of tulle was fastened with orange blossoms. She carried a prayer book.

The maid of honor was Miss Katherine Ayer, youngest sister of the bride. Miss Annie Patton, sister of the bridegroom, Miss Ruth Banning of Los Angeles, cousin of the bride, and Miss Rosalind Wood and Miss Helen Longyear of Boston were bridesmaids. They were dressed alike in cream lingerie frocks, richly trimmed with lace and insertion and worn over satin, and wore hats of Neapolitan lace, trimmed with blue satin ribbon and small wreaths of moss rose and forget-me-nots. They carried lilies of the valley.

The bridegroom, in military uniform, was attended by Frederick Ayer, Jr., brother of the bride, as best man. The ushers were Lieut. George Patton Brown, U. S. N., cousin of the bridegroom; Lieut. Philip S. Gage, U. S. A., Lieut. Paul H. Hoffman, U. S. A., Lieut. Francis G. Delano, U. S. A., and Lieut. James A. Brice, U. S. A.

They also wore military uniforms, and as the bride and bridegroom left the altar, after the ceremony, drew their swords and formed an arch under which the bride couple passed. It was an impressive and picturesque feature. The Ayer residence at Prides Crossing was beautifully decorated. Mr. and Mrs. Frederick Ayer were assisted in receiving by Mr. and Mrs. George S. Patton and Miss Wilson, an aunt of the bridegroom.

Among the guests were Dr. and Mrs. J. C. Ayer of New York, Mr. and Mrs. Charles Finning Ayer of Boston, Mrs. William M. Wood of Boston, Miss Annie Ruggles of Norwich, Conn., Mrs. William Ayer Park of New York, Miss May Banning of La Crescenta, Cal., Mr. and Mrs. Joseph B. Banning, Jos. B. Banning, Jr., and Mrs. P. Banning, all of Los Angeles; Mr. Alexander E. Horn of St. Paul, Mr. and Mrs. George

### WHEN THE SKIN AILS

Real "First Aid" in Eczema and Skin Troubles of Every Nature

Most medicinal preparations for physicians use tell on the label what particular disease they are best adapted to cure. All the troubles readily curable by posium, the new skin remedy, make a lengthy list, including every surface skin affection, from eczema to "first aid" whenever the skin ails. While primarily a remedy for eczema, acne, tetter, barber's and all other forms of itch, etc., it promptly cures all the lesser skin affections, pimples, blackheads, blotches, fever blisters, red noses, inflamed skin, rash, herpes, clears the complexion and keeps the skin in a healthy condition. Many of these minor troubles are eradicated by posium over night, others in a day or two, and many cases of eczema yield in two weeks. Itching stops on first application, and the skin begins to heal at once.

Every druggist keeps both the 50-cent size (for minor troubles) and the \$2 jar, each of these may be obtained at Falls & Burkshaw's, Carter & Sherburne's, and the Riker-Jaynes Drug Co's, as well as other reliable drug stores.

But no one is even asked to purchase posium without first obtaining a sample package, which will be sent by mail, free of charge, upon request, by the Emergency Laboratories, No. 32 West Twenty-fifth street, New York City.

Cole Scott, Mr. and Mrs. A. Sidney Beaufort, Mr. McKee Dunn of Richmond, Va.; Lieut. Llewellyn Bull of West Point, Mrs. W. Norris of New York, Gen. and Mrs. C. J. Allen of Washington, and Mrs. Holstein Harvey and Mrs. George S. Capello of Wilmington, Del.

Lieut. and Mrs. Patton will sail from New York Saturday for a month's trip abroad. They will make their home at Fort Sheridan, Ill., where Lieut. Patton is stationed.

### BODY LOCATED

MAN OVERCOME BY FUMES OF SEWER GAS

BOSTON, May 27.—After being carried for more than a mile through a section of the city sewer system, the body of John Gorman was located last night by searchers near the sewerage outlet at the old harbor pumping station, South Boston. The body had been in the silty channel for more than 50 hours, Gorman having fallen into the sewer from a manhole on Tuesday afternoon when he was overcome by the fumes of sewer gas.

### CANOBIE LAKE PARK

Canobie Lake Park will be formally opened for the season tomorrow morning. Improvements have been made by the management of all the concessions and from the standpoint of amusement, as well as in other directions, the park will be more attractive than ever. The dancing pavilion, restaurant, bowling alleys, merry-go-round, roller coaster, penny arcade and all the attractions, with the exception of the theatre, will be open. Half hour service will be run on all lines entering the park.

On Sunday, May 29, the first band concert for the season will be given by the Haverhill City band, under the direction of Captain C. L. Higgins. On Monday evening, May 30, an athletic carnival will be given with the aid of electric lights. The running track has been placed in first class condition, new pavilion built and additional arc lights installed. The races will be run under the sanction of the A. A. U., the events consisting of a 10 mile, 100 yard dash and 220 yard dash. The races will be held at night, and the grounds illuminated so that the runners will be in view at all times. The first three runners in the 10 mile race will win handsome watches, while the prizes in the other events will be medals, three in each event.

### LOWELL OPERA HOUSE

The comedy element predominates in the new program presented at the Opera House yesterday, when the mid-week change of bill at this theatre was seen. The vaudeville part of the program includes the fifth City Comedy Four, a quartet of young men who sing well and have a routine interspersed with good comedy, numerous recalls being demanded of them last night before the large audience present was satisfied. Robinson and LaFawn, comedy acrobats, also kept the audience in roars of laughter during fifteen minutes of clever acrobatic stunts that were exceptionally good. Scott and Dupree, a young woman of prepossessing appearance, and a nimble footed young man, proved to be a duo of clever, eccentric dancers, who made several changes of costume during their act, which was pronounced as good as anything of its kind seen for some time. Florence Brown is singing the latest popular illustrated melodies, while the pictures shown are all new and interesting, and include the biograph dramatization of Jackson's novel, "Ramona," as well as a number of other good subjects. The present bill will be repeated today and Saturday, and Sunday afternoon and evening; mother of the popular concert will be given with a complete change of pictures and a number of other special features. Matinees are given at the Opera House every day from 2 to 5, and two full shows are given at night, commencing at 7 and 8.30. Prices are five and ten cents.

### THEATRE VOYONS

Three real comedies are listed on today's bill at the Theatre Voyons, each funny enough to provide all the laughs necessary for an ordinary show. "The Girl in the Hat," a seven act and a true novelty. Gumbert contributes two excellent comedies, both witty and well acted. "The Wings of Love" is a charming love story of Holland with many picturesque scenes. The musical program is excellent in quality and is very pleasing. Sunday the concert will be given, and given at the Theatre Voyons, the of the Boston Opera company, will join the musical staff of the Theatre Voyons.

### INJURIES FATAL

BOSTON, May 27.—The life of seven year old Melbourne Radcliffe was crushed yesterday when his body was caught in an elevator well into which he had fallen, in a Back Bay apartment house.

### SENTENCED TO DEATH

PARIS, May 27.—The two soldiers, Grady and Michel, charged with the murder of Mme. Gouin, widow of Jules Edouard Gouin, a former governor of the Bank of France, were yesterday convicted by court martial. Grady was sentenced to death, and Michel to twenty years' imprisonment.

## For Fixing Standard Passed by the House Yesterday

BOSTON, May 27.—The Massachusetts senate yesterday refused to reconsider its vote by which the Berkshire trolley bill was passed to be engrossed, the division standing 3 to 19.

When the motion to reconsider was reached Senator O'Connor of South Boston said he wondered whether under this bill there would happen what occurred in New York under the railway act which resulted in the looting of New York.

Senator Lomasney of Boston said he had studied this bill and the whole bill is a joke. The directors of the New England Securities company are the puppet fingers of Pres. Mollen to control this railway. The New Haven, he said, is illegally holding stock in 600 miles of trolley railways. If the indignant voice of Massachusetts does not stop it, you will find the senator from Berkshire standing up here to ask that this senate validate the bonds of the New Haven railroad. Can the senate of Massachusetts, he said, ignore the recommendations of the railroad commissioners for years by passing this bill.

Mr. Lomasney said he was aware that he was to be followed by "that cunning, careful and astute senator, the colossus of Berkshire (Senator Tuttle)." He was going to give way to him to give the reasons why this "plunder" should be permitted by the senate of Massachusetts.

**Turtle Denies "Plunder"**  
Senator Tuttle said it was easy to call names; too easy for him to do so. It used to be the policy to run street railways by horses; it used to be the policy to kill murderers by hanging; it used to be the policy of having no street railways at all; and every effort made to develop a great enterprise had always been met by opposition like this. No man could point to any law, time or provision in this bill that could be construed as plunder. There is no plunder in it. Let the honorable senate vote as men upon a great undertaking and not to be influenced by attacks like these.

Mr. Tuttle said Mr. Lomasney, "going to head your railroad commission or are you going to listen to the sordid, dulcet tones of the honorable senator from Berkshire (Tuttle) with a two million dollar railroad up his sleeve. I tell you, Mr. President, that there is much damage in this bill."

## Instant Relief for Sore Feet

Sore Feet, Tender Feet and Swollen Feet Cured Every Time. TIZ Makes Sore Feet Well No Matter What Ails Them

Policemen all over the world use TIZ. Policemen stand on their feet all day and know what sore, tender, swollen feet really mean. They use TIZ because TIZ cures their feet right up. It keeps feet in perfect condition. Read what this policeman has to say: "I was surprised and delighted with TIZ for tender feet. I hardly know how to thank you enough for it. It's superior to powders or plasters. I can keep my feet in perfect condition. Believe me, I earnestly grate for TIZ. I am a policeman and keep on my feet all day."—Emory Harrell, Austin, Texas.

You never tried anything like TIZ before for your feet. It is different from anything ever before used. TIZ is not a powder. Powders and other foot remedies close up the pores. TIZ draws out all poisonous exudations which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or draw up your face in pain and you'll forget about your corns, bunions and callouses. You'll feel like a new person.

TIZ is for sale at all druggists at 25c per box, or it will be sent you direct if you wish from Walter Luther Dodge & Co., Chicago, Ill.

Millbury, Pierce and Leominster, Crane of Blackstone and Holden of Stoneham.

Mr. Dow of Boston offered an amendment striking out the 10 day period for the taking of the said sample. He said the purpose of the act is that milk shall be kept at the standard all the time and not for a period of 10 days only. His amendment was defeated and the bill passed to be engrossed.

**New Income Tax Bill**

When the state income tax bill was reached, Mr. Cushing of Boston asked why last year's law is not sufficient; that law provides for a tax upon all incomes which are not derived from property already taxed.

Mr. Dean of Wakefield said the present law applies in practice only to trades and professional men, and the committee felt it only fair to apply the same tax to all incomes.

Mr. Cushing thought the bill an excellent example of double taxation. Mr. Hall of Dover said the bill as drawn would permit the taxation of gross rather than net incomes. Mr. Bothfield of Newton and Mr. Wood of Cambridge opposed the bill as improperly drawn.

Mr. Saunders of Clinton was amused at the attitude of those who a month ago shouted that they believed in an income tax, but insisted that it should be a state rather than a national tax, yet now that the opportunity is given for a state income tax they say it is improper.

Mr. Mellen of Worcester said the existing law is a disgrace to the Commonwealth, and it is because it is so good that certain people want it left as it is.

Mr. Cavanaugh of Everett opposed the bill as unconstitutional, and Mr. Dean said he was willing that the bill should be amended if necessary, and he asked that it be ordered to another reading in order that such amendments might be drafted. It was ordered to a third reading on a voice vote.

**Smoke Bill Engrossed**  
The Boston smoke nuisance bill was next taken up. Mr. Montague and Mr. Charles Carter of Boston favored it.

Mr. Montague proposed an amendment providing that no prosecution shall be for violation of the act unless the courts have ordered it enforced.

Mr. Bothfield of Newton said the amendment had been agreed upon by the chamber of commerce and the public service corporation and Mr. Rouseman of Boston said he did not believe the bill could be passed without the amendment.

Mr. Conway of Boston said the amendment would make the bill a joke. The amendment was rejected and the bill passed to be engrossed.

**Mayor's Bill Again Rejected**  
Mr. Callahan of Boston moved to reconsider Wednesday's refusal to admit Mayor Fitzgerald's bill to curb the power of the civil service commission.

Martin Haver of Boston said his republican constituents insist that this un-American power be taken away from the discredited commission. Mr. Underhill of Somerville opposed the motion and it was defeated, 52 to 86, in a rising vote, and 66 to 116 on a roll call.

**Fines Bill Stands**  
Mr. Parks of Fall River moved reconsideration of Wednesday's rejection of the trade union fine bill, calling attention to the fact that 17 members who voted for the bill a week ago were absent Wednesday, while eight members changed their votes. The motion was defeated, 57 to 110.

**Children Must Wait**  
The resolve providing for improvements at the house for the feeble-minded in Waltham was referred to the next general court, on motion of Mr. Tufts of Waltham. He said the improvements are needed, but in view of the large state tax this year the trustees are willing to let the matter go over until next year.

Mr. Cullen of Somerville thought the improvements should be made at once, and Mr. Kerfe of Fall River took a similar view, but the house thought the matter could wait a year.

**B. & E. Bill's Third Reading**  
The Boston & Eastern tunnel bill was ordered to a third reading without debate, as was the bill providing for an investigation of the common control of gas, electric light and street railway companies.

**Inheritance Tax**  
The bill to permit the collection of an inheritance tax on property not in the Commonwealth at the time of the death of the owner was ordered to a third reading, on a roll call, 116 to 63.

## TWO GIRLS HELD

As Captives and Gagged at Brockton

BROCKTON, May 27.—One of the boldest acts ever perpetrated in this city was the alleged kidnapping Wednesday night of Miss Mildred S. Winsor and Miss Ruth Mitchell, attractive high school pupils, who were on their way to the home of Miss Marion Goodrich to attend an initiation of the Sigma Delta sorority of the Brockton high school.

The girls were taken from a car of the Old Colony road railway company to a house on Tremont street, bound and gagged and kept prisoners for two hours, until the arrival of the police scared off their captors. The alleged kidnappers gave their names to the police as Fred Woods and Arthur Bluskey, until recently pupils at the high school.

Miss Winsor claims that she was knocked down in the struggle, and that she is suffering from bruises. The police were notified by telephone, and when they reached the house where the girls were held captives they say that they were thrown off the track by adults.

Miss Winsor is the niece of Dr. H. H. Chevalier and makes her home with him.

## LOSES HIS JOB

POSITION OF SUPERVISOR OF WRITING ABOLISHED

LAURENCE, May 27.—The school committee last night voted to adopt the Palmer system of writing and to abolish the position of supervisor, which has been held for several years by Daniel W. Hoff. A petition from the grammar school masters to increase the maximum salary to \$2400 a year was referred to the committee on salaries.

Rev. James T. O'Reilly, in a communication, called attention to the apparent discrimination against parochial school graduates in the recent action by which it was voted to adopt a course for teachers in the high school, graduates of which attaining an average of 75 per cent would not have to take an examination after completing a normal school course. He did not regard this as intentional on the part of the board, however. The matter was referred to the committee on rules.

## SOCIAL AND FRATERNAL

Grand Union lodge, T. L. O. O. F., held a well attended meeting last night and transacted a large amount of routine business. An invitation was received and accepted from Obertin lodge to attend the meeting of that lodge on the night of May 31. At that time guests will be present from Lowell lodges, Shawshen lodge of Hingham and Crystal Point lodge of Woburn and the second degree will be worked.

Ladd and Whitney circle, U. L. L. of the G. A. R., held a well attended meeting at Post 185 hall Wednesday evening. Miss Blanche Morse, president of the organization, presided. Business of importance was transacted and final arrangements for memorial day were made. On Sunday, May 29, the circle will by invitation attend the morning services at the Central M. E. church, and in the afternoon at 3 o'clock, services at the First Congregational church. The circle will provide a banquet for the comrades and invited guests on Memorial day, at Post 185 hall, at the conclusion of the afternoon parade. In the morning the circle will decorate the grave of Sister Chapin, in the Edison cemetery. This service will take place at 9 o'clock.

## DRYDOCK DEWEY

MAY BE RAISED TO SERVICE IN FEW DAYS

MANILA, May 27.—Open valves and uncovered manholes permitted the partial submersion of the United States drydock Dewey at Olongapo in Subig bay Tuesday. A board of inquiry is pursuing a rigid investigation of all the circumstances that might have a bearing on the affair.

The dock has been raised ten inches in twelve hours through the use of the starboard pumps assisted by the tug Piscataqua and Wompatuck. Centrifugal pumps will be installed tomorrow and it is expected that the great floating dock will be raised to service within a few days.

## CHELMSFORD

The warrant for the special town meeting to be held at the town hall, Saturday afternoon. It contains a number of articles having interest and importance to the voters.

Frank E. Cudworth, son of C. M. Cudworth of Centre street, until recently in the employ of the Delaware, Lackawanna & Western railroad, has accepted a position as inspector of construction at the Brooklyn navy yard.

## THE FUR SEAL CATCH

JUNEAU, Alaska, May 27.—The total catch of fur seals by the natives in the open sea off the Alaska coast this season will not be more than 125 pelts. In former years the Indians have always made good catches. Japanese sealers using powerful boats are expected to reap a fat harvest. Eight of these vessels are now following the seal herds north to the rookeries.

## Y. M. C. A. RELAY RACE

LOS ANGELES, Cal., May 27.—Five hundred Y. M. C. A. athletes are in readiness for one of the most novel relay runs ever held on the Pacific coast. The message from Mayor Lloyd of Santa Barbara will be started from that city at 4.30 this afternoon and if the schedule is carried out it will be delivered to Mayor Strat of Redlands early tomorrow evening, after having traveled 250 miles. The route leads from Santa Barbara to Los Angeles and then to Redlands. The boys will cover the distance in relays of about one-half mile each.

## IN BRISK BREEZE

Hilliard Made Several Aeroplane Flights

NEWBURYPORT, May 27.—Several aeroplane flights, lasting an hour and a half and covering distances from one-quarter to one-half a mile at an altitude of 15 feet, were made today by William Hilliard in a Herring-Burgess biplane at the Plum Island aviation grounds. There was a brisk breeze blowing at the time and it was thought at first that the flights would have to be postponed until the air was calmer. Hilliard, it is said, jestingly made a vow last night that he would not eat again until he had made a flight and he evidently was hungry this morning, for he launched the machine despite the breeze and flew across the meadows in splendid style.

The biplane has lately been equipped with a new device to give lateral stability. This device is intended especially for use in windy weather, and today it had its first real test. The inventor and Mr. Hilliard say that it worked remarkably well.

W. Starling Burgess, the yacht designer, who is one of the designers of the aeroplane used in the Plum Island flights, said today that this morning's flights were the best that had been made at Plum Island.

## WOMEN'S GOLF CHAMPIONSHIP

QUINCY, May 27.—Two of the acknowledged leaders in the women's golf in the country, Miss Fannie C. Osgood of the Country club and Mrs. E. C. Wheeler of Wollaston met today in the finals for the championship of the Boston association. It was the first time these two players had come together in the last matches in the history of this organization, although they have met several times before in other tournaments. Both have also been in the closing rounds of national championships and while neither has yet attained the highest honor in golf in the United States they have both won twice a championship of the eastern association.

In today's match Miss Osgood was the challenger as Miss Wheeler won the title a year ago. A well fought match was anticipated by quite a large gallery that assembled around the initial tee at mid-forenoon.

## WELCOMED HOME

PASTOR AND HIS WIFE BACK FROM S. S. CONVENTION

Rev. and Mrs. Asa Reed Dilts who have just returned from the World's Sunday School convention in Washington and a welcome home was given them at Calvary Baptist church last night. In the receiving line with Rev. and Mrs. Dilts were Deacon and Mrs. Frank T. Fletcher, Deacon and Mrs. Samuel G. Stephens, Deacon Thomas G. Lyons, Deacon and Mrs. William F. Hills.

The members of the orchestra that played during the reception were Arthur R. G. Booth, Mr. and Mrs. C. M. Cushman and Frank Burgess.

A pleasant feature of the occasion was the presentation of a bouquet of carnations to Mr. Dilts, from the Father Lights society, and one of roses to Mrs. Dilts, from the Ladies' Benevolent society.

The ushers were Messrs. Elam R. Haisell, William G. Gardner, Orson B. McGregor, Harry C. Bowen, George R. Smith and Carlisle L. Stanley.

Mrs. Samuel M. Harris and Mrs. Albert S. Haynes poured, and the refreshments were in charge of the Ladies' Benevolent society of the church, of which Mrs. Dilts is president. Those assisting in the serving were Mrs. W. F. Hills, Mrs. Samuel G. Stephens, Miss Martha H. Baron, Miss Eliza H. Swan, Mrs. Hans Moller, Mrs. Samuel N. Harris, Mrs. William G. Gardner, Mrs. Albert S. Haynes and Mrs. M. L. Munson.

**GLADSTONE CLUB**

**Showed One Good Bout  
Last Evening**

But for the timely appearance of the comet, tall and all, in the rear of Washington park about 9:30 last evening and a six-round bout between Young Moran of Lowell and Ted Murphy, the former 105 pound champion of England the meeting of the Gladstone club last evening would have been the most dismal kind of a frost.

There were four bouts, three of which should have been presented, and it was during a tiresome wait for the principals in the final bout to come out that the crowd discovered the comet and amused itself making bets as to which would strike the earth first the comet or the principals in the final bout.

The main bout was to have been of 12 rounds between Jimmie Moriarty and Young Saxe of Boston. Some seven years ago Billy Gardner put Saxe out of the boxing game and to dig him up after seven years' inactivity as an opponent for a husky boxer like Moriarty looked too much like cinching it for the home boy. But Saxe appeared in the ring apparently confident that he could make a showing. He didn't, however, for he laid down without waiting for Moriarty to hit him and took the count without being struck.

Young Smith of Lowell and Young Nelson of Lawrence opened the show and the bout went only two rounds. Then along came George Stone of Lowell and Young Paparoulos of Lowell. The latter knew absolutely nothing about boxing and was put away with ease by Stone.

The real bout of the evening was a six round draw between Young Moran of Lowell and Ted Murphy of Boston. Late of England, two dandy little 105 pounders. The pair were quite evenly matched though Murphy was a trifle stronger and excelled at infighting. For the first three rounds Moran was the aggressor and showed a slight advantage but Murphy kept at him and had him somewhat work at the finish. The pair were loudly applauded at the finish and the decision was acceptable to all. It was announced that they are rematched for next Thursday night and it is hoped they will go a longer distance the next time. It was also announced that arrangements are being made to have Honey Melody and Moriarty appear again next Thursday evening. After last evening's meeting it will take first class programs to keep up the interest of the members in the meetings for they would hardly give up an evening to see another program like that of last evening. Washington park on a pleasant evening makes an ideal place for such a show and as the club is living up to the requirements of the law relative to permanent quarters, and admitting members only, the shows will make a popular summer attraction, provided good programs are offered.

**VERDEN DEFEATED**

"Spot Ball Charlie" defeated John Verden, 125 to 65, in a pool match at Buckley's pool parlors in Hurd street last night. The longest run was 36, made by the winner.

**HENRY J. TOLLES**

**Well Known Dunstable  
Farmer Fatally Injured**

Henry J. Tolles, one of the best known farmers in Middlesex county, died yesterday at his home in Dunstable, as the result of a fall last Monday, having his skull fractured.

He did not regain consciousness after the accident. He was 69 years of age.

Henry J. Tolles was the son of Horace C. and Sophia Wright Tolles of Nashua. He became one of the leading citizens not only of Dunstable, where he established himself as a farmer, but of the entire county. He was for a long time president of the Middlesex North Agricultural society and took great interest in the progress of the society. In grange work he was prominent, being a member of Prescott grange of Pepperell. He served his town in many official capacities.

Mr. Tolles of late years made a specialty of fruit growing and devoted his time mainly to producing Baldwin apples and his success in this made his product widely known. His farm consisted of 75 acres on Forest hill and was one of the finest in this section of the county.

Speaking of deceased as a departed friend, J. Walter Richardson said: "I knew Mr. Tolles for many years and admired his versatility as a farmer, his genial ways and his whole souled manly character. He was a great expert on apple culture and his product of this crop was widely sought. This, however, was but one of his many specialties. The passing of a man of such worth is a great loss to the community in which he lived."

He is survived by his wife, four children, Mrs. Fred I. Merrill of North Chelmsford, James U. and Henry D. Tolles of Nashua, N. H., and Fred Tolles of Hettiger, N. D., and four brothers, Willard C. James H., Jason E. and Xenophon D. Tolles, all of Nashua.

**BRINGS PART OF SPRINGFIELD  
STOCK TO LOWELL**

The D. S. O'Brien Co. of this city recently acquired what looks like a splendid opportunity in the clothing business in Springfield. It was practically a new store, opened last October and sold because of the ill health of one of the owners, Mr. Charles Cooley. It was the finest fitted store in Springfield and the only one with all cabinet fixtures. The finish throughout is in mahogany.

Mr. O'Brien opened up a sale to dispose of the Cooley stock, and through wide and aggressive publicity had a tremendous success, so much so that some lines were nearly sold out after a few days. Because of the heavy selling, Mr. O'Brien put through a deal with the Stein-Block Co. for a big lot of overstock suits at a big price concession, which purchase he divided between the Lowell and Springfield stores, thus enabling the Lowell public to benefit by the transaction.

In his adv., in another column, the D. S. O'Brien Co. tells the story about these suits. It's worth reading.

**ANNUAL BANQUET**

**Of the Children of  
Mary**

The fifth annual banquet of the Children of Mary sodality of the Sacred Heart church was held in the Sacred Heart parochial school in Moore street last night, and the affair proved to be a very enjoyable one. There were over 300 of the members of the sodality present, together with several invited guests and the clergy of the parish.

There was an excellent musical program carried out during the early part of the evening. The opening number was a vocal selection, entitled "Welcome to Our Pastor," rendered by Miss Marietta Nolan and the entire society. This was followed by a medley of Irish airs. The singers were Mrs. A. A. Muldoon, Misses Marietta Nolan, Alice Maguire, Katherine Hickey, Blanche Sullivan, Sadie Kenney and Mary Doyle. "Meet Me in Dreamland" was the contribution of Miss Katherine Hickey, and Mrs. Muldoon gave a number splendidly. Miss Alice Walsh gave the reading, and the solo and quartet, "Pretty Peggy" was a real hit as sung by Misses Blanche Sullivan, M. Maguire, M. Nolan and K. Hickey. The evening's entertainment ended with another medley of Irish airs.

About 9 o'clock everybody filed down to the long tables. At the head table were Very Rev. T. Wade Smith, O. M. I., Rev. Lawrence P. Tigue, O. M. I., Rev. Robert M. Barrett, O. M. I., Rev. Bernard Fletcher, O. M. I. and Rev. E. J. Cornell, O. M. I., all of the Sacred Heart parish, and Rev. Edward J. Fox, O. M. I., attached to the Immaculate Conception parish, but a former member of the Sacred Heart parish, and Rev. John M. McElroy, O. M. I. of the Newbury novitiate, former pastor of the parish.

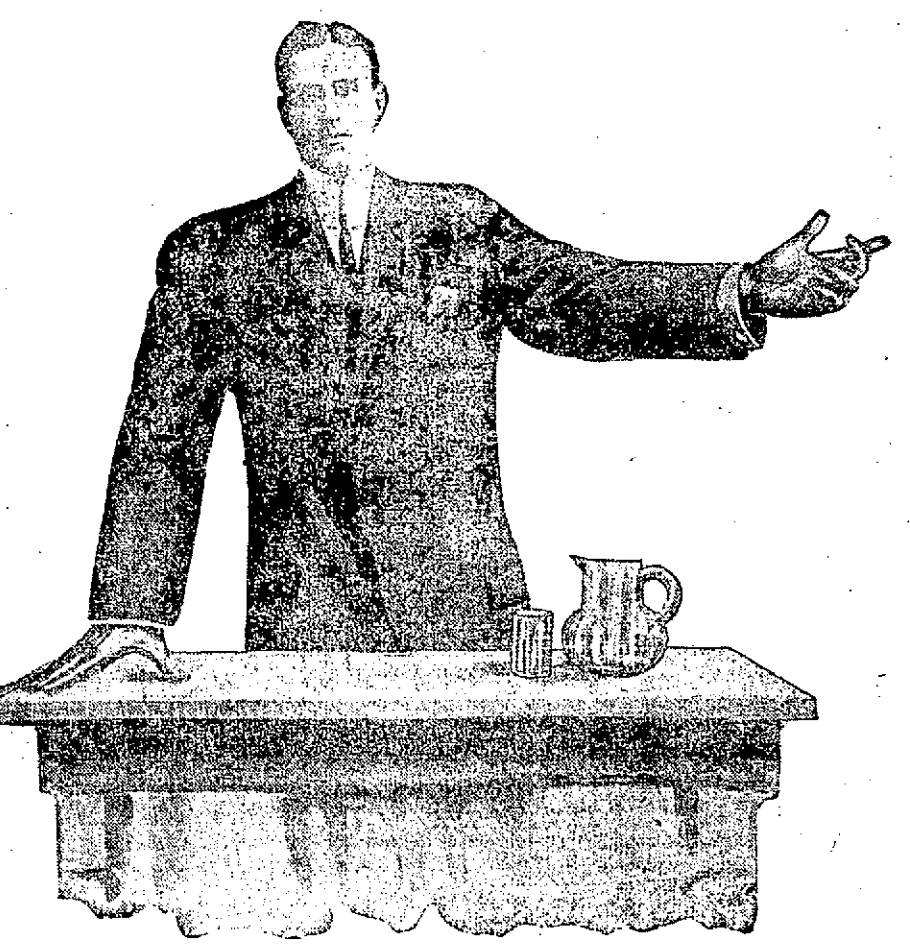

After the menus had been discussed, the hymn to the Sacred Heart was sung by the entire sodality. Then the floor was cleared and dancing was entered into. It continued until well towards midnight.

The enjoyable affair was managed by the officers of the sodality, as follows: Misses Mary E. Wood, Elizabeth Miskella, Lilla Holden and Nellie Murphy.

**UNITARIAN ANNIVERSARY**

BOSTON, May 27.—Today's meetings brought to a close the 54th anniversary week of the American Unitarian association in this city.

Following the opening prayer service in King's palace by Rev. Ralphy Perkins of Boston, the annual meeting of the Unitarian Sunday School society was held. The final business meeting of the association was held this forenoon in the chapel. President Edward A. Horton read the directors' annual report, after which there were questions and discussions. The election of officers then took place. Prof. George Coe of the Union Theological seminary, New York, gave an address on "A psychological point of view for teachers of religion," and Prof. Edward P. St. John of the Hartford school of religious pedagogy spoke on "Place of story telling in Sunday school work." A midday intermission was then taken.

**Rush--Rush**

In my day and time I suppose I have seen as many if not more busy seasons than any tailor who ever drew a chalk line or pushed a shears through cloth. But my memory fails to recall anything that ever approached the present season. Men who never before wore low priced clothing are surging in upon me--ordering with a confidence and an abandon, the country's aristocratic weaves at prices they know to be unrivalled by any concern in the land. Curiosity could lead these men as far as my store I admit, but curiosity you will admit could never compel them to leave their orders.

It is the marvelous values I show them, the marvelous values given to their friends who sent them in; the same marvelous values that will conquer you if you are in need of clothing and will only take the trouble to examine the goods.

# BROOKLYN MAN SAYS KING GEO. V HOLDS HIS JOB ILLEGALLY

NEW YORK, May 27.—John R. De Gueph, who has earned the title of "Brooklyn pretender" and who styles himself "Prince George Rex Wettin-Gueph" and also "John George Edward, rex of Great Britain and Ireland," has sent messages to the upper and lower houses of parliament and the people of the United Kingdom and Ireland in which he demands the British crown. After expressing his bereavement at the death of King Edward VII the writer says that he, John George Edward, rex of Great Britain and Ireland, "the legitimate

and lawful issue of the marriage of his late majesty King Edward VII. and the first princess consort, was unjustly and unlawfully deprived of his birthright as the first born son of the rightful sovereign. "The pretender" demands the abolition of the so called royal custom of polygamy. John Rex De Gueph will be recalled as Dr. John Rex Gueph Norman, under which name he was asked to leave the Hotel St. Regis in March of last year, and also as Dr. R. Gueph Norman of Bar-mah when he posed in 1897 as able to cure the blindness with which Chas. Broadway Romas was afflicted.

## LINEN SHOWER

WAS TENDERED MISS NORA A. MANGAN

Miss Nora A. Mangan, a cashier at the A. G. Pollard Co., who is to be married June 15th, was tendered a linen shower last night at the home of Mrs. Richard Burns, 203 Westford street, by the clerks of the A. G. Pollard company. There was a large gathering of friends and Miss Mangan was the recipient of many valuable and beautiful gifts.

During the course of the evening a delightful musical and literary program was carried out and later refreshments were served by George H. Miller. The party broke up at a late hour her friends wishing her future happiness.

## JIM JEFFRIES

To Give Boxing Exhibi-  
tion Tonight

SAN FRANCISCO, May 27.—James  
J. Jeffries will be in the limelight in  
consequence of his sparring exhibition  
here tonight. The former heavyweight  
champion is scheduled to square off  
this evening in the arena of Dreamland  
rink with Joe Choynski, Bob Ar-  
strong and his brother Jack. In these  
workouts the followers of the fighting  
game expect to get a line on Jeffries  
as he is.

Very quietly, according to his ex-  
pressed wish, Jeffries will slip into this  
city this afternoon just in time to se-  
cure a brief rest from his trip before  
going on the exhibition boards. He  
refused to come up a day ahead of  
time for a handshaking festival. To-  
night's exhibition probably will be his  
last showing in public until he enters  
the ring here July 4 to battle with  
Johnson for the world's championship.

## AFTER 4 YEARS OF MISERY

Cured by Lydia E. Pinkham's  
Vegetable Compound

Baltimore, Md.—"For four years  
my life was a misery to me. I suf-  
fered from irregularities, terrible  
dragging sensations, extreme  
nervousness, and that all  
gone feeling in  
my stomach. I  
had given up  
hope of ever  
being well when  
I began to take  
Lydia E. Pink-  
ham's Vegetable  
Compound.  
Then I felt as  
though new life  
had been given me, and I am recom-  
mending it to all my friends."—Mrs.  
W. S. Ford, 2207 W. Franklin St.,  
Baltimore, Md.

The most successful remedy in  
this country for the cure of all  
forms of female complaints is Lydia  
E. Pinkham's Vegetable Compound.  
It has stood the test of years and  
to-day is more widely and success-  
fully used than any other female  
remedy. It has cured thousands of  
women who have been troubled with  
displacements, inflammation, mela-  
ria, fibroid tumors, irregularities,  
periodic pains, backache, that bear-  
ing-down feeling, flatulency, indig-  
estion, and nervous prostration,  
after all other means had failed.

After the show Jeffries will return  
immediately to Ben Lomond to prevent  
loss of time from his regular training  
work.

Aside from their diurnal roadwork,  
neither of the fighters indulged in  
much exercise yesterday. Johnson is  
expected to rest today also, but to-  
morrow he will begin a three days'  
carnival of boxing at his beach quar-  
ters. Henceforth ringwork, it is  
thought, will hold the most conspicu-  
ous place in the training curriculum of  
both. Jim Corbett is expected from  
the east tonight in time to show up at  
the Jeffries soiree.

## LOTS OF EXCITEMENT

BOSTON, May 27.—The American  
A. C. held its meeting last night and  
there was plenty of excitement for the  
fans who attended. The first bouts  
furnished some, the hoodlums on the  
outside provided a lot, and someone  
on the inside added considerable in-  
terest by setting off a cannon firecracker under  
the seats.

The main bout between Terry Young  
of New York and Young O'Neil of  
Pawtucket proved a disappointment for  
the New Yorker failed to come to  
expectations. O'Neil outpointed him  
by a big margin in every round with  
left and rights to the face and jaw.  
Young landed some lefts in the face  
and rights to the jaw, but the blows  
did not bother O'Neil much.

O'Neil was given the decision at the  
end of the eight rounds.  
In the opening bout Max Kramer  
and Arthur Souza, the former national  
amateur bantam champion, put up a  
fast and clever contest. Kramer boxed  
better than he has for a long time  
and was given the decision at the end  
of six rounds.

Young Lorenzo of the North End and  
Joe Egan of the South End boxed six  
hot rounds and the bout was called a  
draw.

Tom Goodman of the West End and  
Bob Burns of the South End, colored  
welterweights, engaged in a bout that  
lasted less than a round, but it was a  
hot affair. Burns was stopped with a  
wallop on the jaw—Goodman got the  
award.

BERGIN RUSHES GOODMAN  
LEWISTON, Me., May 27.—Kid  
Goodman of Boston and Tommy Bergin  
of Lewiston were the principal attrac-  
tion for two six round bouts before the  
Twin City A. C. last night. In the first  
six rounds honors were evenly divided.  
Several times Bergin rushed Goodman  
to the ropes, but was unable to land  
any effective blows, while Goodman  
was successful in getting to his man's  
face with hard right uppercuts at  
times.

In the last bout for the first three  
rounds it was an even thing. In the  
fourth Bergin kept up a series of  
whirlwind tactics that sent Goodman to  
the ropes several times, and to avoid  
punishment the Boston man was  
obliged to do some fast footwork.  
Goodman, however, came back strong  
in the fifth, and sent his right to Ber-  
gin's face effectively time after time.  
Also in the sixth Goodman lived up  
and kept Bergin on the defensive for  
most of the round. Both bouts were  
called draws.

The semi-finals between Shadow  
McCormick of Lewiston and Herbert  
Porter of Auburn excited considerable  
local interest, and was a fast go while  
it lasted. Porter receiving a fierce right  
swing to the jaw in the latter part of  
the third, which sent him down for the  
count. It was a clean knockout. Por-  
ter had been holding his own up to that  
time.

MORAN LOSES ON FOUL  
LAWRENCE, May 27.—Steve Ken-  
nedy of this city was given the deci-  
sion by referee Buck over Johnny Mor-  
an of New York on a foul in the  
10th round before the Unity club last  
night. Up to that time Moran had held  
his own with the local boy. They  
started to rough it and the unfair blow

## A NEW POLICY

### In Naval Construction Inaugurated

WASHINGTON, May 27.—When Secretary Meyer yesterday set the seal of his approval upon plans for the two giant battleships, numbers 34 and 35, provided for in the navy appropriation bill soon to become law, he inaugurated a new policy in naval construction.

Heretofore it has been the practice to await an appropriation before undertaking the preparation of plans for naval vessels, with the result that many months elapsed before the department was in a position to call for bids. In this case the work practically has all been done in advance. The naval war college prepared the rough outlines of the ships; these were passed around among some of the most able captains in the navy for criticism and they were then revised by the general board and placed in the hands of the naval constructors. Secretary Meyer yesterday paid a special compliment to the bureau of construction for the rapidity and thoroughness with which it did its work.

Details of the vessels are withheld, but it is generally stated that they will be of 27,000 tons and carry ten 14-inch guns, making them more formidable than any ship now afloat.

## HOW TO CURE ECZEMA, PIMPLES, AND DANDRUFF.

We desire to say that when we took the agency for ZEMO, we were convinced that it was a valuable remedy for Eczema, pimples, and dandruff. Yet, we must frankly admit that Zemo has far exceeded our expectations as a treatment for skin diseases. We are pleased to state that we shall continue the agency as ZEMO has given splendid results wherever recommended. Our customers like ZEMO too, because it is a clean vegetable liquid for external use.

ZEMO effects its cures by drawing to the surface of the skin and destroying the germ life that causes the disease, leaving the skin clear and healthy. It does not soil the clothing of men and can be used freely on infants.

With every purchase we give a booklet on skin diseases explaining in simple words how any person can be cured at home of any form of skin or scalp diseases by this clean, scientific remedy. A. W. Dows & Co., druggists.

## THE U. S. TRADE

### WITH CANADA SHOWS A LARGE INCREASE

WASHINGTON, May 27.—Exports from the United States to Canada show a larger growth in the current fiscal year than those to any other of the important countries of the world. For the ten months ending with April, for which the bureau of statistics has just prepared a detailed record of the commercial movements, the exports to Canada amount to 174½ million dollars, against 129 million in the corresponding months of last year, and for the month of April alone, 22 million dollars, against 15 million in April of last year. The increase in exports for the ten months in question is thus 45 million dollars, while the total increase in exports to all parts of the world during the same period is but 55 million, the figures in each case relating to exports of domestic merchandise.

To France the export figures show for the period in question an increase of 9 million dollars, to Germany 11 million, to Argentina 51½ million, to Mexico 61½ million, to Australia 2 million and to Canada, as above indicated, 45 million dollars.

This increase in exports to Canada occurs largely in manufactures. Coal shows an increase of about 2 million dollars; cotton, about 2 million; wheat, about 11½ million; horses, about a half million; and furs and fur skins, about a half million; but aside from these the bulk of the increase occurs in manufactured articles. Agricultural implements show an increase from 11½ million dollars to 21½ million; automobiles, from 1 million to 3 million; cotton manufactures, from 11½ million to 21½ million; and lumber, from 21½ million to nearly 4 million. During the same period scientific instruments increased one million; wire, over 1½ million; builders' hardware, 1½ million; and books, maps and engravings, about 1½ million, while many other manufactures show smaller increases, though in many cases the percentage of gain is large. Meats show but slight increase and in some cases a decline in quantity. Mineral oils show in most cases a decline, though lubricating and heavy paraffin oils show a slight increase.

## ADAM STOCKTON NAMED

WASHINGTON, May 27.—Rear Admiral Charles Herbert Stockton, retired, was appointed president of George Washington university yesterday, to succeed Dr. Charles W. Needham, resigned. Admiral Stockton will assume control of the university Aug. 31 next. He was head of the navy war college from 1891 to 1894, and previously had a distinguished career in the naval service. He was retired October, 1907.

## MURDER CHARGED

### Man Killed in Course of Quarrel

PITTSFIELD, May 27.—Stopping at the house of Frank Carr, in the Black River district of Stephentown, N. Y., just over the Massachusetts line, ten miles north of here, late yesterday, Martin Casey, 60 years old, started a quarrel with Carr, that ended, it is charged, in the latter shooting him dead. Carr is said to have fired in self defense, Casey having aimed two pistol shots at him. Both participants are said to be horse traders. Carr, who has a wife and two children, was arrested on a charge of murder. The district where the crime occurred is a secluded stretch of backwoods.

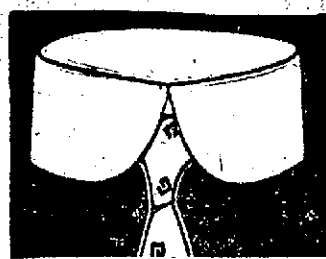

## SPEAKER CANNON

### PRESENTS DETROIT TEAM WITH MASCOT

WASHINGTON, May 27.—Speaker Cannon presented the Detroit ball team yesterday with a mascot in the form of a nickel plated horseshoe. When the members of the team were introduced to the speaker by Rep. Delby of Michigan, one of them caught sight of the horseshoe, which was used as a paperweight on Mr. Cannon's desk, and said it would have been serviceable "while the team had suffered two successive defeats at the hands of the Washington players." Whether the speaker's mascot was the cause of Detroit's victory yesterday has not been determined.

## Valuable Advice to Sufferers From Skin Diseases.

Under no circumstances should medicated or plain soap or any preparation containing alcohol or water, be used by sufferers from eczema and similar skin troubles. Those things aggravate the trouble and make it impossible for the skin to heal. The new medical compound called Cadum is the best and surest remedy, as it contains neither water nor alcohol. When applied, it excludes the air and other irritating agents, stops the itching at once, and sets up the healing process immediately. Most wonderful cures are reported from all sections. Cadum is just as effective in the treatment of psoriasis, ringworm, pimples, blotches, rash, eruptions, chaffing, itching piles, rough, scaly skin, sores, acne, herpes, etc. 10c and 25c. ## THE CENSUS

### A STATEMENT ISSUED BY CHIEF GETTEMY

Chief Gettemy has issued the following statement relative to the census.

The newspapers throughout the commonwealth have, in many instances published coupons or other notices requesting persons who believed that they had not been enumerated in the present census to furnish their names and addresses either to this office or to one of our special agents; and wherever it has been found that such persons had not been enumerated and they have furnished the desired information concerning themselves, the data have been entered on the proper schedules.

It is necessary now, however, to bring this supplementary method of gathering information to a close. In order that the final examination of the schedules preliminary to their being forwarded to Washington for tabulation, be not unduly delayed, I shall, however, be glad to receive, up to and including May 31, the names and addresses of any persons who had a place of abode in Massachusetts on April 15 at which they believe they were not enumerated, and also to receive any information from citizens or others calculated to be of service in assuring a complete count of the population. Charles F. Gettemy, Supervisor.

## PRIMARY REFORM

### MEASURE DEFEATED IN NEW YORK ASSEMBLY

ALBANY, N. Y., May 27.—By the decisive vote of 46 to 94 the Cobb compromise direct nominations bill, after having passed the senate yesterday, was defeated in the assembly last night as the climax of a session of 14 hours.

A motion to reconsider was lost. The bill received 21 less votes than the Human-Green direct nomination bill which was defeated two weeks ago. The result of last night's vote was greeted with cheers.

As the legislature will adjourn today and Gov. Hughes has announced that he will veto the Meade-Phillips bill, which has passed both houses, the only hope of primary reform or direct nominations legislation this year lies in the possibility of an extraordinary session being called. Leaders of both factions regard this as highly probable.

## BOLD ATTACKS

### MADE ON YOUNG WOMEN AT CHARLOTTE, N. C.

CHARLOTTE, N. C., May 27.—Two bold attacks on young women in broad daylight in this immediate section yesterday, in which one of the alleged assailants was a white man and the other a negro, aroused the townspeople to a frenzy, with the result that the negro was fatally shot, while a posse of citizens with bloodhounds is hunting for the white man with the intention of lynching him.

## ARGENTINE IS PLEASED

BUENOS AYRES, May 27.—News that the government of the United States has practically authorized the admission of 20 officers of the Argentine navy to the American squadron is favorably commented upon here and has produced an excellent impression in all circles. The cordiality of feeling thus engendered is being expressed by manifestations of regard for the American naval officers now visiting this city.

## PAPER MONEY WANTED

WASHINGTON, May 27.—There is a demand throughout the country for paper money of the smaller denominations, which the treasury is unable to meet. To relieve the situation the department will encourage banks holding silver certificates of the denomination of \$10 and over to send part of them to the treasury so they may be exchanged for those of smaller denominations.

## Expert Watch Repairing

Eighteen months is the extreme time which should be allowed between the cleaning of a watch. In that time the best of oil dries and the work of overcoming friction, together with accumulating dust, wears out the delicate machinery and impairs its usefulness permanently.

Do not wait until your watch begins to lose time before you have it examined. Let us overhual it for you. All work guaranteed.

## JULIAN T. NORRIS

### Brockton Boy Was Crushed to Death

BROCKTON, May 27.—While his horrified father looked on helplessly, Julian T. Norris, the 17 year old son of T. R. Norris, a wealthy Brockton hotel proprietor, early last evening was crushed to death by an elevator on which he had attempted to leap while it was moving. The accident took place in the Holbrook building.

## EXPECTED SNAG

### WAS REACHED IN POSTAL SAVINGS BANK BILL

WASHINGTON, May 27.—The republican house caucus on the postal savings bank bill struck the expected snag last night when it reached section 9 of the Gardner bill, having to do with the disposition of the deposits of postal savings. Reaching no decision on this feature, the caucus, after three hours' deliberation, adjourned until tonight.

The Gardner bill, on which the caucus was working, would credit 47 1-2 per cent of the deposits to the withdrawal by the board of trustees and invested in the government's or other securities and 5 per cent additional to

be used as a reserve, and it would require the remaining 47 1-2 per cent to be kept in the local banks in the city where the postal deposits were received.

## 80 YEARS OLD

Mrs. Burbank Held  
Birthday Celebration

Mrs. John J. Burbank celebrated the 80th anniversary of her birth yesterday at the home of her son, Percival P. Burbank, 14 Eighth avenue. The occasion proved to be a very pleasing one and the venerable lady considered herself greatly honored by hearing the news that a son was born to Mr. and Mrs. Edgar P. Burbank of 96 Jewett street earlier in the day, the new arrival being her great grandson. Mrs. Burbank was born in Haverhill, N. H., May 26, 1830. Her maiden name was Elizabeth Doty and she was united in marriage to John J. Burbank in the town of her birth in 1850.

Mr. and Mrs. Burbank lived for a while in Boston after their marriage, but came to this city over 40 years ago and have since then resided here. Four children were born to them. Three are living, Percival P., who is the well known fruit dealer; John Amos Burbank of Somerville and Mrs. Isaac A. Cronk of Worcester. Two grandchildren living in this city are Mrs. Ira S. Potter, formerly Miss Grace Burbank, and Mr. Edgar P. Burbank, children of Percival P. Burbank.

## CHIEF KOHLER

Has Been Suspended  
Under Charges

CLEVELAND, O., May 27.—"The best chief of police in the world," as Colonel Roosevelt called Frederick Kohler, has been suspended by the order of Mayor Baker. The charges, which allege drunkenness and immor-

ality, must be heard by June 1 by the civil service commission, consisting of three men. Among the charges brought against Kohler is one that during the seven years which he has been at the head of the police department he has utilized the detective force for the collection of facts concerning prominent officials and others, to be used in the event that he was attacked.

## MORSE'S WIFE

WORKING HARD TO SECURE HUSBAND'S RELEASE

NEW YORK, May 27.—Mrs. Charles W. Morse said yesterday that she will sell all her household effects and art objects to raise funds to continue the effort for her husband's release from the federal prison at Atlanta. For months Mrs. Morse has been directing the work of obtaining names to a monster petition praying for a presidential pardon for the convicted banker. The Morse home on Fifth avenue has already been sold and Mrs. Morse must soon vacate. She intends to visit her husband at Atlanta, probably next week.

## ANNUAL FESTIVAL

The annual festival of the Pawtucket Congregational church was held last night and the delicious strawberry was the pièce de résistance.

The committee in charge included A. H. Marshall, C. F. Sheridan, B. R. Hunt, Alonzo Putnam and W. T. S. Bartlett, all of whom essayed the roles of waiters. Among the ladies who assisted were Mrs. A. H. Marshall, Miss Hattie Jameson, Mrs. F. E. Harris, Mrs. Penney, Mrs. Thomas Varnum, Mrs. James H. McKinley, Mrs. Maud Ansart, Mrs. Clarence Coburn, Mrs. C. F. Sheridan, Mrs. Daniel Bean, Mrs. C. F. Miles and Miss Alice Blake.

After the strawberries and refreshments had been served, a play was given, entitled "Shall Our Mothers Vote?" This was under the direction of James Grant. Included in the cast were George Axon, Ian Leggett, William Kinghorn, James Grant, Lester Armstrong, George Willett, Lee Conley, James Kinghorn, Harry Penney, Stephen Sisco, George Dennis.

## HELD A SMOKER

MEMBERS OF COMPANY G HAD  
NUMBER OF GUESTS

An enjoyable smoker was held by the members of Company G of the Sixth regiment at the state armory in Westford street, last night. There was a large attendance and the program, which was carefully arranged and well carried out, was an extra good one.

The first thing on the program was the drill, after which supper was held and then came the amusement. There were songs, speeches, wrestling bouts and music.

One of the features of the affair was the "act" put on by the Brunette brothers, professional trick cyclists.

One of the members of the team is ex-Sergt. Brunette of Company G, while the other is ex-Private Alfred J. Doyle.

There were songs by Corp. Hanahan, and Private O'Brien. Then there was a pleasing piano solo by Herbert Hird. The wrestling match was a 15-minute bout to a draw between Wilfred Dube and Private Thomas Brick. The three three-round boxing matches were between Privates Kelleher and Sousa, Corp. Loupret and Private St. Peter, and Privates McClellan and Scobie. Lieut. Thomas W. Doyle was master of ceremonies.

Among the invited guests present were Humphrey O'Sullivan, Capt. Geo.

W. Worthen, Arthur F. Salmon, Commander George Sutherland of the Spanish War Veterans, Capt. Colby T. Kittredge of the general staff, ex-Mayor George H. Brown, and the following former members and of the company: Lieut. George S. Howard, Sergt. William Whitton, Corp. Michael Doyle, Walter Worthen, Sergt. Brunette and Alfred J. Doyle.

## EMPIRE THEATRE

One of the finest shows ever in Lowell seems to be the consensus of opinion about the vaudeville and moving pictures at the Empire this week. With

the new show starting yesterday came the two Barretts. They portray a novelty juggling act, doing most of their work with straw hats and Indian clubs. Davis and Merrill are also here, with a little dramatic entertaining act which at the same time portrays an Italian character. These acts are direct from Keith's.

Then there are the moving pictures, which have for a feature, Ramona. This picture tells the story clearly and is very touching. There is also a western picture, besides the funny ones.

Sunday, there will be a special program for the concert and illustrated songs will also be given.

## PRETTY PARTY

DRESSMAKERS FROM NEW YORK  
STORE MAKE MERRY

A May party and cotillion was given last evening in O. U. A. M. hall by the Revandos, a club of dressmakers from the New York store. The hall was so beautifully decorated as to make it appear a veritable flower garden. The general decorating scheme was added 100 May baskets festooned from the chandeliers.

The cotillion was led by Fred Burns and Miss Alice Norton, who was floor manager of the dance. They were fol-

lowed by about 100 couples who received flowers for favors. Gilmore's orchestra furnished excellent music for the affair and Henry Bros. catered during intermission. The affair was entirely delightful and proved a success from every point of view.

The dance was under the direction of the following: General manager, Miss Josephine Norton; assistant general manager, Miss Vera Rockwell; floor director, Miss Alice Norton; assistant floor director, Miss Esther McKenney; chief aid, Miss Adele Barrett; aids, the Misses Anna Wilson, Lillian Sennett, Linnie Wood, Beatrice Collins, Katherine Ralston, Lillian Estabrook and Lea Achin.

# LATEST STATE HIGHWAY

## Bill Authorizing It Sure to Become Law

The bill for the state highway from Lowell to Lawrence was engrossed in the house today. It will probably pass the enacting stage tomorrow and then go to the governor for his signature. The passage of the measure into law is assured so that those who have fought for the state highway have won. It will be a great convenience to Lowell

and Lawrence, as well as to the intervening territory. The counties will have to rough grade part of the road over private land and of this the city of Lowell will have to pay part of the expense. Sen. Hibbard worked very hard for the improvement since the agitation began and used his influence in the senate and house in favor of its passage.

## THE O. M. I. CADETS

### To do Guard Duty Sunday Night

The O. M. I. Cadets will meet in their armory at the Immaculate Conception school tonight at 7:30 and preparations will be made for the parade to be held at the Immaculate Conception church Sunday evening. The Cadets will act as a guard of honor and will wear the regulation uniform. Rev. Dennis Sullivan, O. M. I. wants the presence of every cadet at the meeting tonight as there are important instructions relative to the guard duty on Sunday night to be explained. The Cadets will also act as escorting the

guard at the great Hibbard parade to be held here in August when it is expected that at least 20,000 men will be in line. Rev. Fr. Flynn, O. M. I., is county chaplain of the Hibbardians and is stationed at the Immaculate Conception church, and so Fr. Sullivan has called on the cadets to take part in the great A. O. H. demonstration in August. Maj. Haggerty of the cadets is adjutant of the High School regiment and at the field day of the High School boys made a grand showing. He was an important place and the young cadet acquitted himself admirably.

## STOCK MARKET

### CLOSED HEAVY AND DULL THIS AFTERNOON

Prices Yielded Easily On Slight Dealings—There Was Nothing Sensational in Today's Dealings

NEW YORK, May 27.—The opening stock market was irregular within a narrow range and the dealings were quite active. The prominent speculative stocks were lower and the decline was extended after the opening. Union Pacific and Reading lost 1 and Southern Pacific, St. Paul, Baltimore & Ohio, Amalgamated Copper, American Smelting and International Mercantile Marine and large fractions. New York, Chicago & St. Louis and Am. Hide & Leather and rose 1 and Am. Car

Stock was supplied in abundance and prices went materially lower. U. P. showed a loss of 1 1/2, St. Paul 1 1/4, Atch, Baltimore & Ohio, Northern Pacific, Can. Pac., U. S. Steel, Con. Gas and others a point. Buying for both accounts caused considerable fractional rally after which the market became very dull. Brooklyn Union Gas gained 1 1/4.

The unsettlement in the cotton and grain markets was supposed to throw some pressure on stocks. Prices recovered pretty well before noon but business shrank to nominal proportions. Bonds were steady. The railroad stocks were neglected, but several of the minor specialties were strong. American Hide and Leather and advanced 2 and Consolidated Gas 1 1/4. Prices did not vary much more than an eighth or so in the latter part of the day and business was at a standstill.

The market closed heavy and dull. Prices yielded easily on light dealings falling to the low point in some cases.

**Spot Cotton**  
NEW YORK, May 27.—Cotton spot closed quiet, five points up. Middling Uplands 15.50; Middling Gulf, 15.55; sales, 11,953 bales.

**Exchanges and Balances**  
BOSTON, May 27.—Exchanges, \$25,041,598; balances, \$2,147,564.

**The Wheat Market**  
CHICAGO, May 27.—Following yesterday's declines in September and May wheat the market was violent today and registered further declines during the first hour and a half of trading. The pit fairly seethed. Prices of the same option varied simultaneously in different parts of the pit by a cent in September and a cent and a half in May.

May wheat closing last night fell to 103 as discouraged long unloaded and pocketed their losses. July and September were sold in immense quantities to extent by foreigners. September closing last night at 93 cents dropped to 91 3/4, a loss since Wednesday of 5 3/4 cents. July sold at 93 5/8 cents as compared with 95 1/4 at the close yesterday.

Bulls loaded up with wheat early in the season when prospects as viewed by them looked dubious for an adequate world crop. But in the United States the rains descended and the sun shone to such purpose that the gloom was lifted from apparently lighted prospects. Europe predicted unusual crops and even far away India took arrangements against the bulls with predictions of a record breaking harvest. The bulls lost no time in pouring out their holdings when nature pointed the way.

**BUSINESS CONDITIONS**  
NEW YORK, May 27.—Despatches to R. G. Dim & Co. indicate that improved crop prospects help sentiment in business circles, although current trade is irregular because of adverse weather in some sections. Moderate improvement is noted in the dry goods jobbing trade at Boston but retailers complain that the weather interferes with distribution of summer merchandise. Cotton goods in first hands remain unsettled and curtailment of production is spreading while woollens continue unsettled.

Bank exchanges for the week at all leading centers of the United States aggregate \$2,522,867,278, almost the identical figures of the same week last year.

Chippewas, Milleria, tonight.  
**PRESBYTERIAN ASSEMBLY**  
ATLANTIC CITY, N. J., May 27.—The general assembly of the Presbyterian church may end its deliberations here tonight but final adjournment may possibly be prevented until tomorrow by a discussion of the report of the commission which has been considering the Black heresy case.

## Sensation at the Trial of the Sugar Cases Today

NEW YORK, May 27.—The long series of surprises in the sugar underweighing conspiracy trial culminated today in the sudden closing of the prosecution's case and the entering of pleas of guilty by three of the men on trial. These three were fellow employees of the four checkers convicted last winter for complicity in the frauds on the Williamsburg docks of the American Sugar Refining Co. All of them worked under Oliver Spitzer, the dock superintendent, also convicted and sentenced to two years in the Atlanta penitentiary, whose confession and pardon and appearance as a government witness was the first big sensation of the present trial.

Counsel for the three men who had decided to give up the fight—Harry W. Walker, assistant dock superintendent, and Jean Voelker and James Malligan, Jr., checkers—today withdrew their pleas of not guilty as soon as the government, after introducing some new testimony, announced that it closed its case. Sentence will be passed upon them later. After a conference of counsel, court was adjourned to Tuesday next, Judge Martin denying formal motions for the dismissal of the indictments against the remaining three defendants.

There remain on trial the chief of the group, Charles R. Heike, secretary of the American Sugar Refining Co., and his former subordinates, Ernest Gerbrach, superintendent of the Williamsburg refinery, and James F. Ben-dernagle, the refinery cashier. The government's fire in the closing hours of the trial was mainly directed against Heike. A number of letters written by Heike were read in an effort to show that he kept a close watch on all the multitudinous details of the business. One letter, under date of Sept. 11, 1903, written by Heike to Gerbrach, contained this statement: "We can understand that there may be a reason why the customs weight can fall short from the invoice weight."

Twelve checks given by the government as rebates on duty on sugar were also introduced. These were endorsed by Heike as secretary. The government contends that these rebates were on the fraudulently underweighed sugar.

## GOVERNOR DRAPER

Says He Will Not Sign the  
Eight-Hour Bill

BOSTON, May 27.—At the request of the legislative committee of the state branch of the American Federation of Labor Gov. Draper yesterday received two of their number, John Weaver Sherman and Henry Sterling, in a conference on the "eight-hour" bill which is in his hands awaiting executive action.

After the conference Mr. Sherman gave out a statement in which he said they had asked the governor to sign the bill, urging that the results of the elections for the senate and the house last year, the increased majority in the legislature this year for the bill and the fact that cities and towns representing a great majority of the people had adopted the eight-hour day for

their municipal employees were proofs that the sentiment of the people was overwhelmingly in favor of the bill.

Mr. Sherman and Mr. Sterling said that the governor gave them no hope for any change in his attitude in the matter.

When shown the statement given out by the labor men, Gov. Draper said he has no desire to be drawn into a controversy on the matter, but in reference to the elections he said it would be a fairer statement to set forth that the people had also re-elected a governor who had stated his position and what he would do if re-elected.

The bill was returned to the governor in the same form in which it was presented to him last year.

## IN POLICE COURT

Convictions in Liquor, Larceny  
and Other Cases

Alton W. Wilkins was arraigned before Judge Hadley in police court this morning on a complaint charging him with drunkenness and the larceny of \$30 in money from Frank R. Strout, the meat and provision dealer at 329 Bridge street. Wilkins admitted that he had been drinking, but denied that he stole the money.

The court after considering the testimony which had been offered found the defendant guilty and ordered him to pay a fine of \$35 within three days or spend the next three months in jail.

Arthur B. Strout, son of the complainant, was the first witness. He testified that on Tuesday night when he left the store he placed \$111.25 in the safe. He knew that there were several \$10 bills.

Mr. F. R. Strout, the complainant, said that he opened the store at 5.30 o'clock in the morning and shortly afterwards Wilkins, as was his habit, entered the place and sat down at a table near the safe to read the morning paper. Mr. Strout had opened the safe and when a farmer with some provisions called at the front of the store he went out to the sidewalk and as he came back he saw that Wilkins had left his seat and was in a stooping position. A few minutes later Wilkins left the store.

Frank Gendreau, a barber with a place of business in Lakeview avenue, told the court that yesterday morning

Wilkins entered his place and gave him \$14.50, saying, "I want you to save that for me, because I am going to buy a suit of clothes." Mr. Gendreau took the money and kept it until later when Inspector Maher and Patrolman Denuelt arrested Wilkins.

Inspector Martin A. Maher, who was one of the arresting officers, testified that Wilkins denied that he stole the money, but said that he was willing to settle if Mr. Strout would agree.

Patrolman Denuelt said that Wilkins spent the greater portion of his time about liquor saloons and would go to work only after he had been cautioned that he would be sent away.

## Illegal Keeping of Liquor

Adolphus Tetreault was charged with illegally keeping liquor at his home, 9 Fulton place. Last Sunday, Sergeant Duncan and Inspector Grady visited Tetreault's house and found six cases of beer and a quantity of whiskey. Tetreault admitted his guilt and a fine of \$50 was imposed.

## Entered Plea of Guilty

James Gergoulakos, who was charged with assaulting Antonios Sempranatos, through his counsel, J. Joseph Hennessy, entered a plea of guilty and the case was continued for a week for sentence. The defendant, it is alleged, drew a revolver during the disturbance in Market street Tuesday night and threatened to do bodily harm to the complainant.

## Stabbing Affray

Costas Geras and Theodoros Kanavos got mixed up in an argument last night shortly before midnight and as a result the former received a wound in the left arm, it being alleged that Kanavos wielded a jack knife. While the fight was at its height word was telephoned to the police station and Patrolmen A. McClellan and Creamer were soon on the scene and placed Kanavos under arrest. In court this morning Kanavos was held in \$300 bonds for his appearance one week from today.

## Assault and Battery

Noe Donais was found at 50 Tucker street late last night in a dazed condition with a split nose and a bad cut on his head which later required six stitches. The ambulance was summoned and the man was taken to the Lowell hospital. About 1.30 o'clock this morning Maxine Tibbault was placed under arrest by Sergeant Gergoulakos and Patrolman Latourneau and booked for assault and battery. When the case was called in court this morning it was continued until June 1 at the request of the government.

## More Stabbing

Marion Gonzales was stabbed twice in the head and once in the shoulder late last night during the course of a melee in Chapel street. Later Giovanni Lucardi was placed under arrest, charged with the assault. Gonzales was attended by Dr. Thomas F. Carr.

## Drunken Offenders

Joseph T. Coughlin, charged with being drunk, was found guilty and placed on probation on condition that he would go to the city farm. The man is in a bad way physically and the court decided it better to allow the man his freedom if he would go to the hospital instead of sending him to jail.

Cornelius Shea, charged with being drunk, was fined \$11. John McGuinness was fined \$6, and five first offenders were fined \$2 each.

STEIN-BLOCH  
SMART SUITS

Values \$20, \$22.50 and \$25 at

\$17.50

This has been a trying season to the manufacturers. Between late deliveries of piece goods from the mills, strikes among the workers and the resulting cancellations by retailers, most manufacturers are loaded with spring goods.

The very heavy suit selling in our recently acquired store in Springfield, made it necessary for us to replenish, with the result that we can offer you today clothes from the world's best makers at prices less than ordinary makes.

We have divided the purchase between our Lowell and Springfield stores and place them on sale here today at \$17.50 a suit.

In the lot are three piece suits of fancy blue serges, fancy gray worsteds and velour cassimeres in the most wanted patterns. Also vestless suits of gray homespun and fancy cassimeres.

There are several models—including some very clever models for young men with 33 inch coats—high cut vests and peg top trousers.

Every suit is Brand New—fresh from the tailors. See them in our windows

## SUPERIOR COURT

Bigelow Co. Case Ad-  
journd Till Tuesday

The case of Bartlett vs. Holmes took up the attention of the superior court today until one o'clock when court adjourned until Tuesday, Judge Hardy being obliged to leave to go to New York over the holiday.

The jury in the case of the Bigelow Carpet company vs. Wiggin et als. was excused until next Tuesday when that case will be formally opened.

## Verdict for Plaintiff

The jury in the "bullhead case" in the superior court yesterday reported a verdict for the plaintiff in the sum of \$75. Mrs. Rose Blowsie, the plaintiff, fell into an open bulkhead adjacent to the premises of the defendant, James Smith, while on the sidewalk in Gorham street.

An action of contract, Bartlett vs. Holmes, was opened. It is a suit to recover \$1800 alleged to be due for architect's fees. The parties live in Cambridge.

## TO BUILD UNIVERSITY

CALVESTON, May 27.—John W. Gates offered to double any fund the general conference of the Methodist church would raise for a university here and the church representatives have subscribed \$125,000. In addition Mr. Gates has provided a site of forty acres. This means that \$375,000 is available.

## WEDDING ANNIVERSARY

Mr. and Mrs. Delphis Bellocville were surprised last evening at their home, 123 Aiken avenue, the occasion being the 20th anniversary of their wedding. During the evening a musical and literary program was carried out and refreshments were served. The happy couple were presented a handsome mahogany and green velvet parlor set.

## STRIKE DECLARED

ALBANY, N. Y., May 27.—The trolley system of the United Traction Co. in Albany was tied up this morning by a strike. The strike was declared owing to a disagreement as to the Rensselaer trolley crews running their cars through Albany to the circus grounds. They claim this interferes with an agreement between them and the company.

## MR. MAN

That buys the coal, did it ever occur to you that to be a successful coal man, in the full sense of the word, you must have practical experience? Let us understand one another. The money that started me in the coal business I earned myself screening, shoveling and teaming coal right here in your own city. Today my coal yard and facilities for handling coal are second to none in this city. I know what coal is, and what coal is not; I know what to buy, and what not to buy; that means my customers do not have to suffer for my mistakes. I do not tell my men, go and do it. I say, come and do it; that means you hire your own foreman in place of the coal dealer hiring him for you. When you are about to place your coal orders, think this matter over.

Mail and telephone orders will receive immediate attention.

# MEMORIAL DAY

## Exercises Held in the Public Schools Today

Memorial day exercises were held in all of the public schools today the majority of them taking place during the afternoon. The exercises at the high school took place in the morning at 8.30 o'clock. The prettiest and most impressive feature of the exercises, as a whole, took place at the Lincoln monument in Lincoln square when the children from the Abraham Lincoln school marched about the monument sowing flowers on their way. This very pretty feature took place during the afternoon and preceded the exercises at the school. Besides the flowers a whole, took place at the Lincoln

placed upon the monument by G. A. R. soldiers and this will continue to be an annual custom in connection with the Memorial day exercises at the Lincoln school.

The following program constituted the exercises at the high school:

Patriotic music, Banjo, Mandolin & Guitars; declamation, Memorial Day, John D. Long, Randolph W. Gleason; essay, Reminiscences of Peace and War, original, Vera F. Sullivan; singing, Untold Ye Portals, Gounod, High school chorus; recitation, The Rear Guard, Gladys H. Arnold; declamation, Heroes and Martyrs, Edwin H. Chapin, Edward F. Slattery; solo, The Mission of the Rose, Ralph R. Meloon; recitation, Our Ranks are Getting Thinner, Louis Eisenbels, George W. Jones; essay, Life of Gov. Andrews, original, Carl W. Taylor; recitation, The Honored Dead, Robert Ingersoll, Anna J. Masterson; singing, America, school.

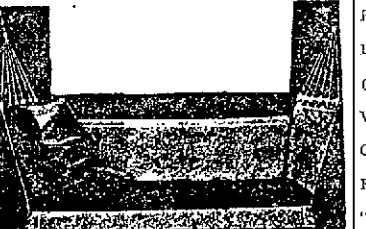

Programs at other schools were as follows:

**ABRAHAM LINCOLN SCHOOL**  
Salute to the Flag; piano solo, May Carlson; Chorus, "Battle Cry of Freedom, the School; piano solo, Mildred Hutchins; recitation, "Old Abe, the War Eagle," Bertha Braverman; chorus, "The Stars and Stripes Forever,"

## THE LOWELL SUN

JOHN H. HARRINGTON, Proprietor

SUN BUILDING, MERRIMACK SQUARE, LOWELL, MASS.

Member of the Associated Press

THREE DOLLARS PER YEAR. TWENTY-FIVE CENTS PER MONTH

The sworn daily average circulation of The Lowell Sun  
for the year 1909 was

16,828

Sworn to by John H. Harrington, proprietor, Martin H. Reidy, business manager, and Alfred Pilotte, pressman, of The Sun, before me, January 1, 1910. J. JOSEPH HENNESSY, Notary Public.

This is by far the largest average circulation of any newspaper in Lowell.

There is a movement against the long and sharp batpin protruding three or four inches from the hat. It is dangerous in a crowded car or even on the street.

Some drivers of vehicles on our public streets are in the habit of showing great carelessness by driving rapidly around street corners. The auto drivers are not to blame for all the accidents.

## THE SMOOTH PAVING JOBS

It is to be hoped that Supt. Putnam will push through the smooth paving jobs undertaken this year as rapidly as possible so that the work will be finished before Labor day, when we are likely to have a parade. We are to have auto races a little later, and it would be a great inconvenience if any of our public streets should be torn up at that time.

## TRADE WITH CANADA

It is now the Canadians who declare that reciprocity is a dead issue in Canada. They are awaiting an opportunity to retaliate. Canada purchases of the United States \$110,000,000 worth annually more than we buy of Canada and if our tariff rates were moderate the trade would be much larger on both sides. With an extension of the reciprocity principle we could buy lumber and farm produce at very reasonable rates from Canada. The standpatters, however, don't want any such arrangement.

## SWIMMING POOL FOR CHILDREN.

The park department by the expenditure of a small amount of money could provide a swimming pool for children in the pond on the South common. That pond could be easily deepened and lined with concrete so that it would be suitable for boys to swim in without any danger. A pond even of that size would afford an opportunity for a vast number of children throughout the city to learn to swim. Even this approach to a public bath system would result in the saving of numerous lives. If the city council cannot provide any system of public baths, it might make an appropriation to be expended by the park department for this purpose, so that a swimming pool might be provided for children even during the summer. It would prevent the boys from seeking the canals and the rivers at the risk of being drowned.

## SOUTH AMERICAN TURBULENCE

At present it is Nicaragua that is on the rampage in South America. Those saucy little states are so ready to do insulting things and to defy superior powers, in their haughty assertion of petty sovereignty, that if they were held to strict accountability as the laws of nations go, they would all be gobbled up by larger powers long ago. It is the Monroe doctrine that saves these pugnacious little states from immediate conquest, and yet they do not hesitate on the slightest occasion to insult the United States, to abuse our friendship and take advantage of the security thus afforded them to make trouble and evade if not utterly to repudiate their obligations, financial and otherwise.

The other day a Nicaraguan gunboat, Venus, searched an American schooner in spite of a ruling from Washington had been issued denying the Venus the right of search. There is an insurrection on in Nicaragua. Few of these little republics are ever without an insurrection in some form. What is wanted in South America is consolidation of some form that will hold the unruly elements in check either by compelling them to go to work or by putting them in prison.

## HALLEY'S COMET SPLIT IN TWAIN?

And now cometh astronomers who in all seriousness proclaim that not only the tail of Halley's comet but the head also divided in twain. It is a most remarkable occurrence for a heavenly body whose period of revolution around the sun has been recorded with so much accuracy since 1680, when Edmund Halley computed the length of its orbit and the time of its return. Why the comet should lose its head and go to pieces on this trip more than on any former occasion is difficult to determine. We are inclined to the belief, however, that Halley's comet will be with us at the usual time, seventy-six years hence, but most of us will then be dead and gone. The observation of the comet has been so unsatisfactory that the astronomers have not yet come to any definite conclusion upon the matter of its unexpected diversions. Judging from the appearance of the comet to the naked eye last night it would seem that both head and tail are still united and intact. Should the comet split in twain, however, and the parts fly in different directions no harm whatever would be done. It is very generally believed that the comet is not a solid body and its being gaseous and light, enables it to move at a very rapid rate under the attraction of the sun, for there is no atmosphere to retard its motion through space. It is stated that the comet of 1882 divided into four parts which separated and vanished. These parts may be moving as distinct comets, and appearing occasionally to the earth as unlisted comets frequently do. There are other comets than Halley's that have regular orbits and periods of revolution, comets of recognized probity and stability of character. They have been apparently keeping to the same course from time immemorial, and why they should not go to smash as well as Halley's is not clear. Of course it is recorded with strong attestations by astronomers that in 1862 the earth passed through the fragments of a comet, the pieces appearing as fiery meteors. On the whole there is still much to be learned about these celestial visitors but every new arrival and every return of a former visitor gives our astronomers the opportunity they desire of studying the motions, the habits and constitutions of these elusive bodies.

# Splendid Qualities Correct Styles and the Right Prices

Are bringing us a great and growing business in ROGERS-PEET'S fine clothing. Here are suits actually better than the majority of tailors make to measure, and suits that nine times out of ten fit to start with better than a tailor will fit you. Every pattern in Rogers-Peet's clothing is exclusive. Every garment warranted not to fade. You can buy this superior clothing—unquestionably the best that is manufactured—of the new Tweeds, Donegals, Bannockburns, Wool Cassimeres, Cheviots, Fancy Worsteds and Serges, in regular suits or vestless suits for **\$20 Suit** And from that to \$40

**MEN'S HAND TAILORED SUITS for \$15.00**

We demonstrate today what careful manufacturing can do towards producing smart up-to-date hand tailored clothing for a moderate price. This is a season of cheviots and soft faced wool goods, and you will find these new materials all represented in our stock for \$15.

For spring and summer these soft, pliable woolen fabrics are especially well adapted and most men will welcome the change to these comfortable, easy fitting cassimere suitings. Grays, in a wonderfully wide range of shades and attractive patterns predominate, and there is a showing of tans and browns—colors that you will see plentifully next fall.

For the man who prefers worsteds, we have provided liberally of grays and the many new weaves of fancy blues and fine blue serges—all for **\$15**

## SEEN AND HEARD

A little girl from a London East End slum was invited, with others, to a charity dinner.

In the course of the meal the little maiden startled her hostess and the aristocratic company by solemnly propounding the query:

"Does your husband drink?"

"Why, no," replied the astonished mistress of the house.

After a moment's pause the miniature querist proceeded with the equally bewildering question:

"How much coal do you burn? What is your husband's salary? Has your husband any bad habits? Does your son go to work?"

By this time the presiding genius of the table felt called upon to ask her humble guest what made her put such strange questions.

"Well," was the innocent reply, "mother told me to behave like a lady, and when ladies call at our house they always ask my mother those questions."

A certain member of the Pittsburgh Stock Exchange has set his nephew up in business three times, but the young man lacks something essential to success in the line selected for him, and has failed with each effort.

What he recently appeared before the uncle with his fourth request, the latter said:

"You must learn to lean on yourself. I can't carry you all my life. I'll tell you what I'll do. You owe me

a great deal as the result of your last failure. Pitch in on your own hook and go it alone till you pay off those debts. When you've done that, I'll give you a check for what they amount to. Such an experience will do more good than all the money I could give you now."

Two months later the nephew walked in with every claim receipted in full, and the uncle was so delighted that he gave the promised check.

"How did you manage it, Howard?" he asked, after an expression of congratulation.

"I borrowed the money," replied Howard.

A well known newspaper man tells of the time when he conducted an "Answers to Correspondents" column for his newspaper. For the convenience of such subscribers as wished personal replies to their queries, the editor would send responses direct when stamped envelopes were enclosed for the purpose.

One morning the editor was in receipt of two communications requesting personal replies, one from an anxious mother who wrote touching the proper rearing of twins, the other from a farmer who asked for a method of getting rid of grasshoppers.

The editor, out of the fullness of his knowledge, wrote the two replies, but in the press of business got them in the wrong envelopes. To the mother of twins went this interesting recommendation:

Cover them carefully with straw

and then set fire to it. After jumping in the flames for a few minutes the little pests will be speedily done for.

The man who was troubled with grasshoppers was bidden to

Give castor oil regularly in moderate doses and rub their gums with a bone.

## PEOPLE OF NOTE

President Faunce of Brown university recently addressed the Eastern Connecticut Teachers' association at Williamstown, Conn., on the subject, "Efficiency in Teaching."

Professor Arthur H. Blanchard (engineer) has been elected to the Societe des Ingenieurs Civils de France. Professor Blanchard is spending his sabbatical year in France.

The French Society for the Prevention of Cruelty to Animals has bestowed its highest award upon Bernard Rostand for his "Chanticleer."

In his letter of thanks M. Rostand says: "I have always been passionately fond of animals, and I am proud of never having made a single animal cry with pain than of having, one day, made a number of them talk."

The will of William Bayard Cutting, Jr., of New York, who died at Assouan, Egypt, leaves \$25,000 to Harvard, "for purposes which will be specified by Edward Huxley-Cutler."

Wells of Boston, or in the event of his death by Theodore Lyman of Brookline." The testator leaves a trust

fund of \$300,000 for his wife, Lady Sybil, and his daughter, Iris, and gives his wife \$25,000 besides. He gives two friends, J. Gordon Gardiner of Florence, Italy, and Graf Erwein Wurmbacher Stuppach of South Tyrol, Austria, \$5000 each.

Mrs. Anna L. Jessups, a supervisor of sewing in the public schools of New York, is at the head of the movement to teach children to use large hand looms, weaving twenty-two inch fabric, instead of the miniature looms commonly used for instructing the children in the principles of hand weaving. At the exhibition of handwork in the schools which has just closed several of the child weavers gave very creditable exhibitions of their skill in the use of the large looms. Several hundred rugs, all designed and woven by the children, were shown.

Pierre Martin, who invented the original steel spinning process by which the famous Siemens-Martin steel is produced, has been discovered living in oblivion and in poor circumstances in the neighborhood of Paris.

The French steel smelters' organization, known as the Comité des Forges de France, immediately opened a subscription list with \$20,000 and invited ironmakers all over the world to contribute, with the object of placing M. Martin beyond the possibility of actual want. The inventor is 88, and a celebration is planned for the middle of next June to honor him. At the

same time the money collected will be handed over to him.

Emily Callaway, a graduate of Wellesley college, has been engaged by Waggoners & Kemper to play the role of Kit McNair in "Seven Days" next season. This will be Miss Callaway's professional debut on the stage, although she was associated with theatricals at Wellesley. She is the third from the same college to adopt the stage as a profession, her predecessors being Helen Hale and Diamond Donner, both of whom began in the chorus.

Miss Callaway was born in Chicago, but comes from a southern family. At college she was a member of the Barn Swallows club, and played boy parts in their theatricals. She is the author of several plays that were presented by the club, including "The Return of Deborah," "Miss Oliver's Dollars," "The Power of Friendship," and "Prince Charley." Incidentally she went in for athletics and won the right to wear the college "W."

For famed Bachelors, tonight, Asso.

## D. A. R. MEETING

BOSTON, May 27.—The Massachusetts division of the Daughters of the American Revolution late yesterday elected as regent Mrs. James G. Downing of Springfield. The annual reports showed the division to be in prosperous circumstances.

**BOSNIA'S CARGO IS NOT CREDITED**Estimated to be Worth  
\$1,250,000Report That Moody is to  
Resign

BOSTON, May 27.—The big German steamship Bosnia, freighted with one of the biggest cargoes ever brought to Boston, came up the harbor on the top of high water yesterday afternoon and went to a berth at the new pier at Mystic wharf. In her great hold were more than 11,000 tons of merchandise.

When the Bosnia left Hamburg she grounded in the lower Elbe on account of her extreme draft of 29 feet, but was assisted afloat without damage and proceeded for this port.

One seasonable shipment was a big consignment of straw hats. She also had nearly 100 tons of Epson salts, 1500 cases of sardines, 2000 bales of wood pulp, 1000 bales of rags, an immense quantity of toys, muslinware, crockery and earthenware, and over 1,000,000 postal cards. There were also many tons of chemicals, fertilizer, poison and drugs. About 7000 tons of the cargo will be unloaded here and the balance will go to Baltimore.

Capt. Schmidt said the grounding of the vessel in the Elbe was not unusual, as nearly every steamer drawing more than 25 feet touches bottom at low tide. He said the weather was foggy the greater part of the distance and it was particularly thick approaching the coast.

It is estimated that the cargo of the vessel is worth \$1,250,000.

WASHINGTON, May 27.—The rumor, again revived, that Associate Justice Moody is to resign is given no credence by Representative Gillett, Justice Moody's most intimate friend.

"If Mr. Moody intends to resign from the bench he has not written to me about it, and I think I know," Mr. Gillett said yesterday when asked if he had heard about the latest resignation rumor. "I had a letter from Mr. Moody only a few days ago," Mr. Gillett said. "Mr. Moody was cheerful and evidently in good spirits, as he wrote that he was smoking while dictating the first cigar he had smoked in some months."

It is quite certain that if Mr. Moody finds that the condition of his health will not permit him to resume his place on the bench he will not resign until some provision has been made by congress for his future. Should he resign under present conditions he would forfeit his salary and pension, which he can ill afford to do, while he can continue to draw his salary as long as he lives even if he should never do another day's work in the court.

**ACCUSES SON**

BOSTON, May 27.—Charged with the theft of \$27.75 from his father, Augustus Ryer was arraigned in the South Boston district court yesterday, his father, John Ryer, and a sister testifying against him.

The father claimed that his son had taken the money from beneath his head while he was sleeping. He claimed that Mrs. Ryer had left him \$2000 on her death, which he kept in his pockets during the day time, and under his pillow at night.

Mr. Ryer, senior, and the young man's sister, claimed in court that young Ryer had dissipated over \$100 within a few hours for he only had \$400 with him when arrested.

Ryer was held on this charge in \$1000 for the superior court. He was later sentenced to serve three months on Deer Island for stealing furniture owned by Morris Olin of West Broadway, South Boston. He appealed and was held in \$200.

**WILL IS ALLOWED****Mrs. Lincoln Leaves  
\$50,000 to Nurse**

BOSTON, May 27.—Judge Grant of the probate court yesterday allowed the will of Mrs. Annie Persten Lincoln of Commonwealth avenue, who left several big private bequests, including a gift of \$50,000 to her nurse, Nellie K. McIsaac. The estate is worth about \$330,000, of which \$299,000 is personal and \$31,000 real property.

Under the will of Herbert L. Littlefield, died in the probate office yesterday, the entire property of the testator goes to George E. Kimball, an assistant clerk of the superior court, and his brother, Allen Kimball. Littlefield committed suicide by drowning in the Charles river.

The testator was a friend of the Kimballs whom he had known from boyhood. He was a personal friend of their father and their uncle. He was unmarried. His nearest relatives were cousins. George E. Kimball is executor of the will. The exact value of the estate is not known, but it is said to be about \$35,000.

The will of Olive L. Hubbard was filed in the probate office yesterday. She left \$2000 to Henry O. Cushman in trust for the benefit of her grandson, William E. Drew, the principal to be paid him when he reaches the age

of 21 and he should not live to attain that age then the money will go to the American board of commissioners for foreign missions, and \$5000 to Cushman in trust, the net income to be paid to Eunice H. Huntley, sister of the testatrix, for life and on her death \$3000 of the amount will go to the American Bible society and \$2000 to the American tract society. Mr. Cushman is named as executor. The will is dated April 12, 1909.

Judge George of the probate court yesterday authorized James S. Murphy

and John R. Murphy, trustees under the will of Mary J. O'Reilly, widow of John Boyle O'Reilly, to sell the estate in full where the famous poet lived. The price to be paid for it is \$7000.

# COMET SEEN BY ALL

## Was Clearly Visible in Western Sky Last Night, but Not Brilliant

For the first time since its proximity to our planet Halley's comet was clearly visible last night from sunset until about 11 o'clock. It appeared as a star followed by a long trail of light. It is not nearly so brilliant as it would have been if seen a week ago, when much nearer the earth. It was viewed by many thousands last night, appearing as soon as the light had faded sufficiently after sunset. It was noticed that occasionally the tail would appear much more luminous than at others, acting like a streamer in the northern lights. The length of the tail, measured by the astronomers, was from 30 to 40 degrees, only one-third the length reported when the comet was nearer the earth.

It was unfortunate that it was not seen in the period of its greatest brilliancy. It will be seen again tonight if the sky is clear, from dark till 10.07, when it sets or goes down in the west. It should be visible for over three hours.

The assertion that the tail was lost or had divided in two parts and that even the head had been divided seems

to be without foundation, judging from the normal appearance of the comet last night.

The Harvard astronomers are supported in their contention that the comet's nucleus is not divided, by observations made last night by Prof. David Todd at the Amherst college observatory, who reported that the comet's head is normal.

There will, therefore, be no need of calling in an alienist for expert examination.

### COMET'S HEAD NORMAL

AMHERST, May 27.—Observations of Halley's comet, made last night by Prof. David Todd at the Amherst college observatory, indicated that the comet's head is again normal. No traces could be seen of the bifurcation of the comet's head, reported by an Arizona observer. The tail last night was 30 degrees long.

### VISIBLE UNTIL JUNE 10

PROVIDENCE, R. I., May 27.—Halley's comet will be visible on its west-

ward flight until June 10, according to an announcement made last night by Frank E. Seagrave, the astronomer who is said to have first computed accurately the comet's ephemeris, or time of appearance, in the eastern sky. As a whole, Mr. Seagrave found the wanderer more brilliant than he expected, he said.

Brown students gathered on College hill and cheered Halley and his comet. The parks throughout the city were thronged by thousands of comet gazers.

### BOSTON PEOPLE INTERESTED

BOSTON, May 27.—Thousands of Bostonians came out in the balmy air last night to gaze upon Halley's comet. Around the "telescope man" on the common the crowd fairly crawled over one another to hear the "real" story of the "bifurcated" tail, the split nucleus, and the strange "jet."

### VISIBLE AT HARVARD

CAMBRIDGE, May 27.—For more than three hours Halley's comet was

## FALLING HAIR

People in Paris Have a Simple Way of Stopping It

It was Dr. Sangerhond, of Paris, who first discovered that dandruff and falling hair were caused by a microbe. So in Paris, where the hair is better understood than in America, the people found that the easiest way to stop falling hair and get rid of dandruff was to kill the microbe that did the damage.

And now that Parisian Sage, the remedy that kills the dandruff germ is sold in every town in America, the clean people of this country have awakened to the fact that dandruff is unnecessary; that falling hair and itching scalp can be quickly stopped, and that people who use Parisian Sage will never grow bald.

To every reader of The Sun who wishes to eradicate disgusting dandruff, stop falling hair, and have an immaculately clean scalp, free from itches, Carter & Sherburne make this offer:

Money returned without red tape, if Parisian Sage does not banish dandruff, stop falling hair and itching scalp in two weeks.

Parisian Sage is sold by druggists everywhere, and by Carter & Sherburne for 50 cents a large bottle. It is an ideal, daintily perfumed hair dressing, free from grease and stickiness, and will cause hair to grow lush and luxuriant. It is used by refined women the world over.

Mail orders filled, charges prepaid, by the American makers, Giroux Mfg. Co., Buffalo, N. Y. The gift with the Auburn hair is on every package.

visible at the Harvard college observatory last night, it being the first time a satisfactory view had been secured since the comet went into the west.

The nucleus, measured photometrically with the large telescope, was found to be of 6.43 magnitude, which compared with a magnitude of 6.57 of two nights ago, showing the nucleus, had grown slightly brighter.

Notwithstanding it was recently reported that the nucleus had divided nothing of such a division was seen last night, in fact the head of the comet was found to be quite sharp and still.

The maximum of light or "jet," which was seen projecting from the nucleus toward the southwest on May 23 and May 24, measuring some two and a half minutes of arc, had entirely disappeared last night.

From the observations taken by the naked eye the total light of the head was estimated to be of about 2 magnitude or about equal to the Polar star.

The length of the tail was estimated to be of about 40 degrees, possibly longer and extending nearly to Jupiter.

### WANT FIGHT STOPPED

CHICAGO, May 27.—The Presbyterian Brotherhood of Chicago last night addressed an appeal to Gov. Gillett of California to prevent the proposed boxing contest between Jeffries and Johnson. The telegram sent to the California executive is as follows:

"We, business men of the Chicago Brotherhood, in the name of all that stands for true and manly sport in America, respectfully urge upon you

the prevention of the Jeffries-Johnson prize fight or so-called boxing match. By so doing, your great power as gov-

ernor will be exerted for its highest purpose, clean sports encouraged, the baneful influence of moving pictures of fighting bouts prevented and the honor of your great state upheld in the minds of all good citizens of the nation.

## RIKER-JAYNES WEEKLY BULLETIN

ONE of the leading magazines prints this month an article on the danger of using adulterated, impure and habit forming drugs, and the writer concludes with the following advice:—

"He can size up his drug store, take the measure of the man in charge and resolutely refuse to buy of the man who is careless about what he passes over the counter. Always in every town there are some druggists who are more careful than others. And some who have more morals and more conscience about what they do. \* \* \* Everyone can hunt out the druggist whom he prefers to trust."

The whole article is a boost for Riker-Jaynes' methods. Our whole business life has been devoted to studying methods to safeguard your interests. We conduct an analytical laboratory, which insures to us and to you drugs of high quality, and you will find our drug clerks men of experience and intelligence.

# GOVERNOR HUGHES

## Failed to Secure His Direct Nomination Bill

ALBANY, N. Y., May 27.—With haunting visions of being called back into extra session because of their failure to enact such electoral reforms as are advocated by Gov. Hughes two hundred three legislators prepared to leave for their homes today. Starting with the most sensational bribery trial in the legislative annals of the state—the trial of Senator Jotham P. Allen—and ending in a red hot fight over the various direct primary measures the session which ended at noon today has been one of the most strenuous in years.

Governor Hughes failed to secure his

net direct nominations scheme but has been fortunate in obtaining favorable legislation on all his other more important recommendations. They include the state's refusal to endorse the state income tax amendment to the federal constitution, a resolution calling for a general investigation of corrupt practices, the placing of telephone and telegraph companies under supervision of the public service commission, second district, strengthening the laws against race track gambling, more stringent measures for the suppression of the "white slave traffic" and important reform in the insurance and banking laws.

### BIG ATHLETIC MEET

PHILADELPHIA, May 27.—Taken as a whole, the class of athletes who will compete in the annual intercollegiate track and field championships, which begin on Franklin field this afternoon, is as good as any that have been brought together in this important college athletic meet in years.

On the strength of performances during this spring it would appear that the team championship will be won by either Harvard, Yale or Pennsylvania. Yale is strong in the field events, Harvard is well equipped in both field and track and will make a desperate attempt to retain the championship won last year, while Pennsylvania's greatest strength lies in her track men up to and including the one mile event.

The smaller colleges with a few stars may be important figures in determining the championship.

With the exception of the one and two mile races, all the track events for day will be limited to trial heats, leaving finals until tomorrow.

The trials in the pole vault and high jump events today will reduce the large number of entrants to five for the finals. The height cleared today will not count, except to gain admission in the finals.

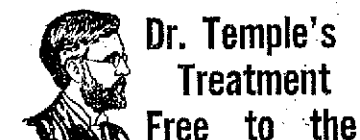

In the shotput, hammer throw and broad jump however, the distance will count, and the men making the best performances today or tomorrow in these three events will be the winners. The weather is perfect and the track fast.

### GEORGE C. LEE'S WILL

CAMBRIDGE, May 27.—The will of the late George C. Lee of Newbury, grandfather of Mrs. Alice Roosevelt Longworth, was allowed by Judge McIntyre of the Middlesex county probate court here today. Mr. Lee left an estate and personal property valued at \$975,000. Of this estate Mrs. Longworth receives one-twelfth of the net income. The bequests were all of a private nature.

### EX-REP. OVERSTREET DEAD

INDIANAPOLIS, May 27.—Former Congressman Jesse Overstreet, who represented this, the seventh district of Indiana, from 1896 to 1906, died at his home here after a long illness.

**Dr. Temple's Treatment**  
Free to the Sick

**THIS IS THE OFFER**  
Anyone applying for treatment at the office, 37 Central street, Mansur block, rooms 10, 11, 12, will be treated one week free, that is, without charge or compensation whatsoever for medicines, office treatment or advice. No money will be asked or accepted under any circumstances. This is absolutely and positively free to all sufferers with any form of a nervous or chronic disease of the stomach, liver, kidneys, bladder, blood or rectum. The offer is limited in time only. You must come this week.

**THE FREE TREATMENT PLAN**  
is not a philanthropic or charity offer, but simply a business proposition, made for the purpose of becoming quickly acquainted with the sick, to introduce this new and progressive method of treatment and to prove this wonderful system of healing; therefore, all may call—the high, the low, the rich, the poor, without fear or favor. The doctor believes that the grateful endorsements of the many who will be relieved and cured will attract public attention to his office and system of treatment and bring sufficient patronage to repay for the great outlay and expense entailed by this offer.

Observe the days and hours which the Free Treatment is given: Mondays and Wednesdays, 10 a. m. to 12, 2 to 5, 7 to 9; Sundays, 10 to 12. Other days by appointment only.

## Don't Be Deceived

If you have tried other papers of doubtful circulation and failed to get results, that is no reason why you should condemn all newspapers. There are some honest newspapers with actual bona fide circulations. THE SUN, for instance, now prints over 16,000 copies daily. Is it any wonder SUN advertisers get quick results?

## EXPERT TESTIMONY

ST. LOUIS, Mo., May 27.—That expert testimony is to play an important part in the trial of Mrs. Dora Doxey charged with the murder of William Erder, developed today. Dr. J. A. Hartman, of the coroner's office was the first witness called when court reopened. The question of whether Erder was suffering from a malady for which arsenical compound was used was asked repeatedly in the cross-examination of witnesses by Mrs. Doxey's attorneys today.

POLICE OF WORCESTER

Exciting Game Played at

Spalding Park

AMES IS CONFIDENT

That He Will Win the Fight

Against Senator Lodge

WORCESTER, May 27.—A 13-year-old boy is being sought by the police of this city, charged with having attempted to stab his father to death. Richard Caron, the son of Elias B. Caron of No. 6 Shale street, is the lad sought.

The case was reported to the police today after the father's wounds had been dressed at the city hospital. The father said that last night the boy was very noisy and about 9.30 he ordered his son to bed. Shortly afterwards the father retired. During the night Richard arose and went into the kitchen, where he was stabbed with a three pronged fork from the kitchen closet entered his father's room crying: "I'll kill you." He then stabbed at his father, according to the latter's story, but in the darkness his aim was bad and the most serious wound was inflicted on the father's shoulder. The elder Caron screamed for help and Richard disappeared.

Other tenants in the house cared for the father through the night and today he was taken to the city hospital where his wounds were dressed.

The police have not been able to secure any trace of the boy.

Lowell and Brockton met at Spalding park this afternoon. There were about 700 fans present and the home team presented three new players to the local fans. McDonald occupied a position at first base, while Blakeley was in the center garden and Delaney was behind the bat.

Umpire Connolly called time at three o'clock, the batting order being as follows:

| Lowell          | Brockton        |
|-----------------|-----------------|
| Fitzpatrick, 2b | 3b, Dulin       |
| Ryan, 3b        | 1b, McGovern    |

| Blakeley, rf    | ss, Jolly       |
| Delaney, c      | c, Lavigne      |
| Wolfgang, p     | p, Eberley      |

First Inning

There was a batting carnival in the first inning. Lowell got two runs while the visitors scored one run. Dulin drew a free pass, and McGovern popped a fly to Fitzpatrick. Hendrickson bunted along the first base line and beat the ball out. Stankard singled to left field, scoring Quinn. Shannon hit to Cooney who threw to second and getting Stankard and the ball was returned to first for a double play.

In the latter half of the inning Fitz hit to McGovern, who threw him out at first. Ryan singled over second base and went to second on a balk. He scored on Cooney's two bagger to left field. McDonald hit to Shannon and died at first. Magee singled and Cooney scored. Magee then stole second. Flaherty drew a free pass. Blakeley hit to Dulin and failed to reach first.

Score—Lowell 2, Brockton 1.

Second Inning

In the second inning there was a different story to tell. The visitors scored two runs and Lowell failed to send a man across the plate.

McLane flied to Magee and Jolly hit to Cooney, who threw bad to first. Lavigne singled by Ryan. Eberley hit along the first base line to McDonald and was out. Jolly scoring. Dulin singled to right field scoring Lavigne. Dulin stole second, but McGovern flied to Blakeley.

In Lowell's half Delaney hit to the pitcher and was out at first and Wolfgang followed with a fly to McLane. Fitz reached first in safety but was nailed between first and second while trying to steal the latter base.

Score—Lowell 2, Brockton 3.

Third Inning

Another run for the visitors in the third inning. Hendrickson fanned the

WASHINGTON, May 27.—Representative Ames returned from Massachusetts yesterday enthusiastic over the political situation in the state.

"Everything looks good to me," said Mr. Ames. "Senator Lodge and his friends are working hard to defeat the will of the people, but I predict that they will be unable to do so."

Mr. Ames returned to attend the hearing before the house committee on foreign affairs today on the bill providing that the Panama canal exposition in 1915 should be held at New Orleans. In the course of the hearing Mr. Ames stated that he had been deluged with communications from Massachusetts urging that New Orleans be selected as the exposition site in preference to San Francisco. He said that many Boston people are interested in the United Fruit company, which operates steamship lines touching at Boston and New Orleans and has important property interests at New Orleans.

Mr. Ames' statement was received with enthusiasm by the crowd of New Orleans boomers present. They took it to mean that he was in favor of New Orleans, but he says he will vote for the best city.

Gov. Sanders of Louisiana, speaking of the geographical advantages of New Orleans, said it was within easy distance of every large center of population in the country. "It is close to Massachusetts," added Gov. Sanders, looking at Mr. Ames.

"Yes, I know," replied Mr. Ames, dryly. "One of my ancestors made the trip." Mr. Ames' humor was appreciated by the New Orleans people.

Representative Ames was asked about the recent denial of Representative Gardner that he had signed Mr. Ames' petition asking the ways and means committee to report the Ames Canadian reciprocity resolution.

"Gussie is right and Gussie is wrong," replied Mr. Ames. "In my letter to Chairman Payne, which I read in the house, I stated that all of the Massachusetts republican congressmen signed the petition. That was a mistake which I corrected, or intended to correct, in my remarks on the floor. I intended to say then that all but two of the Massachusetts republicans signed the petition."

"Mr. Gardner was absent in the south when I prepared the petition. When he returned for a day or two I asked him to sign and he refused. Neither did Rep. McCall sign. He favors my resolution and thinks it should be reported, but being a member of the ways and means committee he would have been put in the position of signing a petition to himself."

"I intended to say these things in the house, but was in a hurry to catch a train, and may have omitted to bring those facts to light. If so, the record should be corrected. I see no occasion for Mr. Gardner to raise the question he did. It will do him no good."

In the afternoon Rep. Ames and Foss talked over informally the political situation in Massachusetts. Both were at home recently. Although these two men belong to opposite parties they are not very wide apart in respect to certain phases of the Massachusetts political situation.

SEVERAL PETITIONS

Relative to the Erection of a

Beaming Plant

The following petition relative to the erection of a beaming plant by the American Hide & Leather company was submitted to the board of health this afternoon. Similar petitions were submitted some time ago and there are others in circulation:

May 7, 1910.

To the Board of Health, Lowell, Mass. Gentlemen: The undersigned, residents, property owners and taxpayers, disturbed and alarmed at the position taken by the American Hide and Leather company relative to the erection of a beaming plant as shown by their letter to your body dated April 25th, ult., their attitude being in effect that while it is insisted that your board has no authority or jurisdiction over the matter, the company nevertheless desires your approval to their erecting said plant on the location described in said letter, and seek from you a formal permit therefor, do hereby emphatically protest against the establishment of any such plant, however modernized, upon the location suggested, or any other location in that immediate vicinity; and respectfully pray that you withhold your approval thereof, and refrain from any action encouraging such project until an opportunity be afforded the citizens of Lowell to appear before you at a public hearing, line and place thereof to be fixed and duly warned by you, there to state fully their objections in the premises. Respectfully yours,

Lowell got as far as second and third in the fourth but failed to score. Fitz was hit by a pitched ball and walked to first. He went to second on Ryan's sacrifice. Cooney hit to Jolly and was out at first. Fitz going to third. McDonald drew a base on balls and stole second. Magee flied to Hendrickson.

Score—Lowell 5, Brockton 4.

Fifth Inning

The visitors tied the score in the fifth inning. McGovern hit the first ball pitched over the left field fence for a home run. Hendrickson drew a base on balls but was nailed while trying to steal second. Stankard got a free pass. Shannon hit to Wolfgang and was out at first. McLane flied to Blakeley and was third out.

In Lowell's half Flaherty flied to McGovern. Blakeley struck out and Delaney hit to Jolly and was out at first.

Score—Lowell 5, Brockton 5.

Sixth Inning

In the sixth inning Jolly hit to Fitz and was out at first. Lavigne singled and Sweeney did likewise. Wolfgang then caught Lavigne off second and Dulin was third out on strikes.

Lowell forged to the front in the latter half of the inning. Wolfgang opened with a single and went to second on Fitz's sacrifice. Ryan hit to Shannon and died at first. Wolfgang going to third on the play. Cooney

KELIHER PAID BILLS

According to the Testimony of  
George W. Coleman

BOSTON, May 27.—Further revelations of the looting of the National City bank of Cambridge were made by George W. Coleman today when he resumed his testimony in the United States district court in the trial of William J. Keliher, who is charged with aiding and abetting in the wrecking of the bank. Coleman, who was the bank-keeper of the plundered institution is under a fifteen year sentence for his part in the wrecking of the bank.

Coleman stated that he personally played faro to the extent of only \$50,000, the rest of the money being lost through Keliher. Keliher's counsel made an effort to obtain the minutes of the grand jury but the district attorney objected and the remainder of the session was spent in somewhat tedious questioning as to what Coleman testified before the grand jury. Just before the close of the session Coleman said that in the beginning he thought that Keliher was a novice at faro.

The trial will be continued on Tuesday.

Subjected to a merciless cross-examination by Daniel Conley, one of Keliher's attorneys, Coleman told of escapades in New York in which women and who were foremost and where money was treated as a valueless commodity. Much of the money lost on the faro game disappeared, according to Coleman's story, at the house, 112 West 41st street, New York. Miss Mamie Hightower was an inmate of this house and it was there that Coleman first met her last fall. Under cross-examination today Coleman said that when he left Boston just before the condition of the bank was discovered he took Miss Hightower with him because he wanted her to be at her own home at Kansas City rather than among strangers in New York.

Coleman testified that Keliher generally paid all the bills contracted at this house although he admitted that on one occasion he himself had signed a check for \$275 to pay for her entertainment there. Coleman also named other houses on West 41st street where he and Keliher had visited. The object of this phase of the cross-examination was evidently to show that the stolen funds of the National City bank did not go to Keliher but that Coleman's prodigal manner of living was accountable for the bank's suspension.

EIGHT-HOUR BILL

Vetoed by Governor  
Draper Today

Gov. Draper this morning vetoed the eight-hour bill, so-called, as he intimated he would.

The bill will be taken up by the legislature next week and while there is no doubt that a majority will vote to pass the bill over the governor's veto it is a question whether the necessary two-thirds vote will be obtained to pass the measure over the veto.

DAUGHTER RECOVERING

NEW YORK, May 27.—Mr. and Mrs. William J. Chalmers of Chicago, who made a sensational race from London to Queenstown to catch the steamer Mauretania, because of the illness of their daughter, Mrs. Norman Williams, Jr., of Chicago, learned here today when the steamer docked that their daughter underwent a surgical operation several days ago and is now in the convalescent stage.

# BEATRICE AYER

## Becomes Wife of Young Army Officer

Miss Beatrice Banning Ayer, daughter of Mr. and Mrs. Frederick Ayer, of 395 Commonwealth avenue and Prides Crossing, and Lieut. George S. Patton, Jr., 15th U. S. cavalry, son of Mr. and Mrs. George S. Patton of San Gabriel, Calif., were married yesterday in St. John's church, Beverly Farms, by Rev. Dr. George A. Gordon of the Old South church of Boston, who was assisted by Rev. Eugene Huigalin, rector of St. John's.

The ceremony was witnessed by relatives and friends from California, St. Paul, Virginia, New York, Washington and Boston, a special train conveying the party from Boston to Beverly Farms, and returning after the reception and dance that followed at Avalon, the summer home of the bride's parents at Prides Crossing.

Miss Ayer was a charming bride. Her gown was the one worn by her mother at the latter's marriage 25 years ago. It was of heavy cream embroidered satin, with court train, and was worn in the same style as originally designed. The bridal veil of tulle was fastened with orange blossoms. She carried a prayer book.

The maid of honor was Miss Katherine Ayer, youngest sister of the bride. Miss Annie Patton, sister of the bridegroom, Miss Ruth Banning of Los Angeles, cousin of the bride, and Miss Rosalind Wood and Miss Helen Longyear of Boston were bridesmaids. They were gowned alike in ecru lingerie frocks, richly trimmed with lace and insertion and even over the shoulders with Neapolitan lace, trimmed with blue satin ribbon and small wreaths of moss rose and forget-me-nots. They carried lilies of the valley.

The bridegroom, in military uniform, was attended by Frederick Ayer, Jr., brother of the bride, as best man. The ushers were Lieut. George Patton Brown, U. S. N., cousin of the bridegroom; Lieut. Philip S. Gage, U. S. A.; Lieut. Paul H. Herman, U. S. A.; Lieut. Francis G. Delano, U. S. A.; and Lieut. James A. Brice, U. S. A.

They also wore military uniforms, and as the bride and bridegroom left the altar, after the ceremony, drew their sabres and formed an arch under which the bride couple passed. It was an impressive and picturesque feature.

The Ayer residence at Prides Crossing was beautifully decorated. Mr. and Mrs. Frederick Ayer were assisted in receiving by Mr. and Mrs. George S. Patton and Miss Wilson, an aunt of the bridegroom.

Among the guests were Dr. and Mrs. J. C. Ayer of New York; Mr. and Mrs. Charles Fanning Ayer of Boston; Mrs. William M. Wood of Boston; Miss Annie Ruggles of Norwich, Conn.; Mrs. William Ayer Park of New York; Miss May Banning of La Crosse, Cal.; Mr. and Mrs. Joseph B. Banning, Jr.; Mr. Banning, Jr.; and Win. P. Banning, all of Los Angeles; Mr. Alexander E. Horn of St. Paul; Mr. and Mrs. George

### WHEN THE SKIN AILS

Real "First Aid" in Eczema and Skin Troubles of Every Nature

Most medicinal preparations for physicians use tell on the label what particular disease they are best adapted to cure. All the troubles readily curable by poslam, the new skin remedy, make a lengthy list, including every surface skin affection, for poslam is "first aid" whenever the skin ails. While primarily a remedy for eczema, acne, tetter, barber's and all other forms of itch, etc., it promptly cures all the lesser skin affections, pimples, blackheads, blotches, fever blisters, red noses, inflamed skin, rash, herpes, clears the complexion and keeps the skin in a healthy condition.

Many of these minor troubles are eradicated by poslam over night, others in a day or two, and many cases of eczema yield in two weeks. Itching stops on first application, and the skin begins to heal at once.

Every druggist keeps both the 50-cent size (for minor troubles) and the \$2 jar, and either of these may be obtained at Falls & Burkinshaw's, Carter & Sherburne's, and the Ricker-Jaynes Drug Co.'s, as well as other reliable drug stores.

But no one is even asked to purchase poslam without first obtaining a sample package, which will be sent by mail, free of charge, upon request, by the Emergency Laboratories, No. 32 West Twenty-fifth street, New York City.

Cole Scott, Mr. and Mrs. A. Sidney Beaufort, Mr. McKee Dunn of Richmond, Va.; Lieut. Llewellyn Bull of West Point, Mrs. W. Norris of New York, Gen. and Mrs. C. J. Allen of Washington, and Mrs. Holstein Harvey and Mrs. George S. Capelle of Wilmington, Del.

Lieut. and Mrs. Patton will sail from New York Saturday for a month's trip abroad. They will make their home at Fort Sheridan, Ill., where Lieut. Patton is stationed.

### BODY LOCATED

MAN OVERCOME BY FUMES OF SEWER GAS

BOSTON, May 27.—After being carried for more than a mile through a section of the city sewer system, the body of John Gorman was located last night by searchers near the sewerage outlet at the old harbor pumping station, South Boston. The body had been in the slimy channel for more than 60 hours, Gorman having fallen into the sewer from a manhole on Tuesday afternoon when he was overcome by the fumes of sewer gas.

### CANOBIE LAKE PARK

Canobie Lake Park will be formally opened for the season tomorrow morning. Improvements have been made by the management of all the concessions and from the standpoint of amusement, as well as in other directions, the park will be more attractive than ever.

The dancing pavilion, restaurant, bowling alley, merry-go-round, roller coaster, penny arcade and all the attractions, with the exception of the theatre, will be open. Half hour service will be run on all lines entering the park.

On Sunday, May 29, the first band concert for the season will be given by the Haverhill City band, under the direction of Conductor C. L. Higgins.

On Monday evening, May 30, an athletic carnival will be given with the aid of electric lights. The running track has been placed in first class condition, new pavilion built and additional are lights installed. The races will be run under the sanction of the A. A. U. The events consisting of a 10 mile run, 100 yard dash and 250 yard dash. The races will be held at night, and the grounds illuminated so that the runners will be in view at all times. The first three runners in the 10 mile race will win handsome watches, while the prizes in the other events will be medals, three in each event.

### LOWELL OPERA HOUSE

The comedy element predominates in the new program presented at the Opera House yesterday, when the mid-week change of bill at this theatre was seen. The vaudeville part of the program includes the Hub City Comedy Four, a quartet of young men who sing well and have a routine interspersed with good comedy, numerous recitals being demanded of them last night before the large audience, which was satisfied. Robinson and LaFava, comedy acrobats, also kept the audience in roars of laughter during fifteen minutes of clever acrobatic stunts that were exceptionally good. Scott and Dupree, a young woman of prepossessing appearance, and a nimble footed young man, proved to be a duo of clever eccentric dancers, who made several changes of costume during their act, which was pronounced as good as anything of its kind seen for some time. Florence Brown is singing the latest popular illustrated melodies, while the pictures shown are all new and interesting, and include the photograph dramatization of Helen Jackson's novel, "Ramona," as well as a number of other good subjects. The present bill will be repeated today and Saturday, and Sunday afternoon and evening another of the popular comedies will be given with a complete change of pictures and a number of other special features. Matinees are given at 2 to 5 and two full shows are given at night, commencing at 7 and 8.30. Prices are five and ten cents.

### THEATRE VOYONS

Three real comedies are listed on today's bill at the Theatre Voyons, each funny enough to provide all the laughs necessary for an ordinary show. The first, "Mr. Lat," is a screen and a true novel. "Ramona" is a number of other good subjects. The present bill will be repeated today and Saturday, and Sunday afternoon and evening another of the popular comedies will be given with a complete change of pictures and a number of other special features. Matinees are given at 2 to 5 and two full shows are given at night, commencing at 7 and 8.30. Prices are five and ten cents.

### INJURIES FATAL

BOSTON, May 27.—The life of seven-year-old Melbourn Robicheau was crushed out yesterday when his body was caught in an elevator well into which he had fallen, in a back bay apartment house.

### SENTENCED TO DEATH

PARIS, May 27.—The two soldiers, Gruby and Michel, charged with the murder of Mme. Gouin, widow of James Meunier Gouin, a former governor of the Bank of France, were yesterday convicted by court martial. Gruby being sentenced to death, and Michel to twenty years' imprisonment.

## For Fixing Standard Passed by the House Yesterday

BOSTON, May 27.—The Massachusetts senate yesterday refused to reconsider its vote by which the Berkshire trolley bill was passed to be engrossed, the division standing 3 to 19.

When the motion to reconsider was reached Senator O'Connor of South Boston said he wondered whether under this bill there would happen what occurred in New York under the railway act which resulted in the looting of New York.

Senator Lomasney of Boston said he had studied this bill and the whole bill is a joke. The directors of the New England Securities company are the puppet fingers of Pres. Mellen to control this railway. The New Haven, he said, is illegally holding stock in 600 miles of trolley railways. If the ingenuitous voice of Massachusetts does not stop it, you will find the senator from Berkshire standing up here to ask that this senate validate the bonds of the New Haven railroad. Can the senate of Massachusetts, he said, ignore the recommendations of the railroad commissioners for years by passing this bill.

Mr. Lomasney said he was aware that he was to be followed by "that cunning, careful and astute senator, the colossus of Berkshire (Senator Tuttle)." He was going to give way to him to give the reasons why this "plunder" should be permitted by the senate of Massachusetts.

### Tuttle Denies "Plunder"

Senator Tuttle said it was easy to call names; too easy for him to do so. It used to be the policy to run the railroads by horse. It used to be the policy to kill murderers by hanging; it used to be the policy of having no street railways at all; and every effort made to develop a great enterprise had always been met by opposition like this. No man could point to any feature or provision in this bill that could be construed as plunder. There is no plunder in it. Let the honorable senate vote as men upon a great undertaking and not to be influenced by attacks like these.

"Are you," said Mr. Lomasney, "going to heed your railroad commissioners or are you going to listen to the soothing, dulcet tones of the honorable senator from Berkshire (Tuttle) with a two million dollar railroad up his sleeve. I tell you, Mr. President, that there is much damage in this bill."

## Instant Relief for Sore Feet

Sore Feet, Tender Feet and Swollen Feet Cured Every Time. TIZ Makes Sore Feet Well No Matter What Ails Them

Policemen all over the world use TIZ. They know what sore, tender, sweaty, swollen feet really mean. They use TIZ because TIZ cures their feet right up. It keeps feet in perfect condition. Read what this policeman has to say: "I was surprised and delighted with TIZ for tender feet. I hardly know how to thank you enough for it. It's superior to powders or plasters. I can keep my feet in perfect condition. Believe in my earnest gratitude for TIZ. I am a policeman and keep on my feet all day."—Emory Harrell, Austin, Texas.

You never tried anything like TIZ before for your feet. It is different from anything ever before sold. TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous excretions which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again, or draw up your face in pain and you'll forget about your corns and callouses. You'll feel like a new person. TIZ is for sale at all druggists at 25c per box, or it will be sent you direct if you wish from Walter Luther Dodge & Co., Chicago, Ill.

Milbury, Pierce of Leominster, Crane of Blackstone and Holden of Stoneham.

Mr. Dow of Boston offered an amendment striking out the 10 day period for the taking of the second sample. He said the purpose of the state is that milk shall be kept at the standard all the time and not for a period of 10 days only. His amendment was defeated and the bill passed to be engrossed.

### New Income Tax Bill

When the state income tax bill was reached, Mr. Cushing of Boston asked why last year's law is not sufficient; that law provides for a tax upon all incomes which are not derived from property already taxed.

Mr. Dean of Wrentham said the present law applies in practice only to trades and professional men, and the committee felt it only fair to apply the same tax to all incomes.

Mr. Cushing thought the bill an excellent example of double taxation. Mr. Hall of Dover said the bill as drawn would permit the taxation of gross rather than net incomes. Mr. Bothfield of Newton and Mr. Wood of Cambridge opposed the bill as improperly drawn.

Mr. Saunders of Clinton was amused at the attitude of those who a month ago shouted that they believed in an income tax, but insisted that it should be a state rather than a national tax. Yet now that the opportunity is given for a state income tax they say it is improper.

Mr. Mellen of Worcester said the existing law is a disgrace to the commonwealth, and it is because it is no good that certain people want it left as it is.

Mr. Cavanaugh of Everett opposed the bill as unconstitutional, and Mr. Dean said he was willing that the bill should be amended if necessary, and he asked that it be ordered to another reading in order that such amendments may be drafted. It was ordered to a third reading on a voice vote.

### Smoke Bill Engrossed

The Boston smoke nuisance bill was next taken up. Mr. Montague and Mr. Charles Carr of Boston favoring it.

Mr. Montague opposed an amendment providing that no prosecution shall be for violation of the act unless the courts have ordered it enforced.

Mr. Bothfield of Newton said the amendment had been agreed upon by the chamber of commerce and the public service corporations, and Mr. Rousmaniere of Boston said he did not believe the bill could be passed without the amendment.

Mr. Conway of Boston said the amendment would make the bill a joke. The amendment was rejected and the bill passed to be engrossed.

Mayor's Bill Again Rejected

Mr. Callahan of Boston moved to reconsider Wednesday's refusal to admit Mayor Fitzgerald's bill to curb the power of the civil service commission.

Mr. Hayer of Boston said his republican constituents insist that this un-American move be taken away from the discredited commission. Mr. Underhill of Somerville opposed the motion and it was defeated, 52 to 80, in a rising vote, and 66 to 116 on a roll-call.

### Fines Bill Stands

Mr. Parks of Fall River moved reconsideration of Wednesday's rejection of the trade union fine bill, calling attention to the fact that 17 members who voted for the bill a week ago were absent Wednesday, while eight members changed their votes. The motion was defeated, 57 to 119.

### Children Must Wait

The resolve providing for improvements at the home for the feeble-minded in Waltham was referred to the next general court, on motion of Mr. Taft of Waltham. He said the improvements are needed, but in view of the large state tax this year the trustees are willing to let the matter go over until next year.

Mr. Cuff of Somerville thought the improvements should be made at once, and Mr. Kere of Fall River took a similar view, but the house thought the matter could wait a year.

### B. & E. Bill's Third Reading

The Boston & Eastern tunnel bill was ordered to a third reading, without debate, as was the bill providing for an investigation of the common control of gas, electric light and street railway companies.

### Inheritance Tax

The bill to permit the collection of an inheritance tax on property not in the commonwealth at the time of the death of the owner was ordered to a third reading, on a roll call, 116 to 63.

## TWO GIRLS HELD

## As Captives and Gagged at Brockton

BROCKTON, May 27.—One of the boldest acts ever perpetrated in this city was the alleged kidnapping Wednesday night of Miss Mildred S. Winsor and Miss Ruth Mitchell, attractive high school pupils, who were on their way to the home of Miss Marion Goodrich to attend an initiation of the Sigma Delta sorority of the Brockton high school.

The girls were taken from a car of the Old Colony street railway company to a house on Tremont street, bound and gagged and kept prisoners for two hours, until the arrival of the police scared off their captors. The alleged kidnappers gave their names to the police as Fred Woods and Arthur Blackley, until recently pupils at the high school.

Miss Winsor claims that she was knocked down in the struggle, and that she is suffering from bruises. The police were notified by telephone, and when they arrived the girls were held captive they say that they were thrown off the track by adults.

Miss Winsor is the niece of Dr. H. H. Chevalier and makes her home with him.

## LOSES HIS JOB

## POSITION OF SUPERVISOR OF WRITING ABOLISHED

LAWRENCE, May 27.—The school committee last night voted to adopt the Palmer system of writing and to abolish the position of supervisor, which has been held for several years by Daniel W. Hoff. A petition from the grammar school, members to increase the maximum salary to \$2400 a year was referred to the committee on salaries.

Rev. James T. O'Reilly, in a communication, called attention to the apparent discrimination against parochial school graduates in the recent action by which it was voted to adopt a course for teachers in the high school, graduates of which attaining an average of 75 per cent would not have to take an examination after completing a normal school course. He did not regard this as intentional on the part of the board, however. The matter was referred to the committee on rules.

## SOCIAL AND FRATERNAL

Grand Union lodge, T. I. O. O. F., held a well attended meeting last night and transacted a large amount of routine business. An invitation was received and accepted from Oberlin lodge to attend the meeting of that lodge on the night of May 31. At that time guests will be present from Lowell lodge, Shawheen lodge of Billerica and Crystal Point lodge of Woburn and the second degree will be worked.

Ladd and Whitney circle, H. Ladies of the G. A. R. held a well attended meeting at Post 135 hall, Wednesday evening, Miss Blanche Morse, president of the organization, presiding. Business of importance was transacted and final arrangements for Memorial day were made. On Sunday, May 29, the circle will by invitation, attend the morning services at the Central M. E. church, and in the afternoon at 3 o'clock, services at the First Congregational church.

The circle will provide a banquet for the comrades and invited guests on Memorial day, at Post 135 hall, at the conclusion of the afternoon parade. In the morning the circle will decorate the graves at Sister Chapin in the Edison cemetery. This service will take place at 9 o'clock.

## DRYDOCK DEWEY

MAY BE RAISED TO SERVICE IN FEW DAYS

MANILA, May 27.—Open valves and uncovered manholes permitted the partial submersion of the United States drydock Dewey at Olongapo in Subig bay Tuesday. A board of inquiry is pursuing a rigid investigation of all the circumstances that might have a bearing on the affair.

The dock has been raised ten inches in twelve hours through the use of the starboard pumps assisted by the tugs Piscataqua and Wompatuck. Centrifugal pumps will be installed tomorrow and it is expected that the great floating dock will be raised to service within a few days.

## CHELMSFORD

The warrant for the special town meeting to be held at the town hall, Saturday afternoon. It contains a number of articles having interest and importance to the voters.

Frank E. Outwater, son of C. M. Outwater of Centre street, until recently in the employ of the New York, Lackawanna & Western railroad, has accepted a position as inspector of construction at the Brooklyn navy yard.

## THE FUR SEAL CATCH

JUNEAU, Alaska, May 27.—The total catch of fur seals by the natives in the open sea off the Alaska coast this season will not be more than 120 pelts. In former years the Indians have always made good catches. Japanese sealers using muffled power boats are expected to reap a fat harvest. Eight of these vessels are now following the seal herds north to the rookeries.

## Y. M. C. A. RELAY RACE

LOS ANGELES, Cal., May 27.—Five hundred Y. M. C. A. athletes are in readiness for one of the most novel relay runs ever held on the Pacific coast. A message from Mayor Lloyd of Santa Barbara will be started from that city at 4.30 this afternoon and if the schedule is carried out it will be delivered to Mayor Stuart of Redlands early tomorrow evening after having traveled 250 miles. The route leads from Santa Barbara to Los Angeles and then to Redlands. The boys will cover the distance in relays of about one-half mile each.

## IN BRISK BREEZE

## Hilliard Made Several Aeroplane Flights

NEWBURYPORT, May 27.—Several aeroplane flights, lasting an hour and a half and covering distances from one-quarter to one-half a mile at an altitude of 15 feet, were made today by William Hilliard in a Herring-Burgess biplane at the Plum Island aviation grounds. There was a brisk breeze blowing at the time and it was thought at first that the flights would have to be postponed until the air was calmer. Hilliard, it is said, jestingly made a vow last night that he would not eat again until he had made a flight and he evidently was hungry this morning for he launched the machine despite the breeze and flew across the meadows in splendid style.

The biplane has lately been equipped with a new device to give lateral stability. This device is intended especially for use in windy weather, and today it had its first real test. The inventor and Mr. Hilliard say that it worked remarkably well.

## WELCOMED HOME

## PASTOR AND HIS WIFE BACK FROM S. S. CONVENTION

Rev. and Mrs. Asa Reed Dilts who have just returned from the World's Sunday School convention in Washington and a welcome home was given them at Calvary Baptist church last night. In the receiving line with Rev. and Mrs. Dilts were Deacon and Mrs. Frank T. Fletcher, Deacon and Mrs. Samuel G. Stephens, Deacon Thomas G. Lyons, Deacon and Mrs. William F. Hills.

The members of the orchestra that played during the reception were Arthur R. G. Booth, Mr. and Mrs. G. M. Cushman and Frank Burgess. A pleasant feature of the occasion was the presentation of a bouquet of carnations to Mr. Dilts, from the Farther Lights society, and one of roses to Mrs. Dilts, from the Ladies' Benevolent society.

The ushers were Messrs. Elam R. Halsey, William G. Gardner, Orson E. McGregor, Harry C. Bowen, George R. Smith and Carlisle L. Stanley. Mrs. Samuel N. Harris and Mrs. Albert S. Haynes poured, and the refreshments were in charge of the Ladies' Benevolent society of the church, of which Mrs. Dilts is president. Those assisting in the serving were Mrs. W. F. Hills, Mrs. Samuel G. Stephens, Miss Martha H. Barlow, Miss Eliza H. Swan, Mrs. Hans Moller, Mrs. Samuel N. Harris, Mrs. William G. Gardner, Mrs. Albert S. Haynes and Mrs. M. L. Munson.

Gardner, Mrs. Albert S. Haynes and Mrs. M. L. Munson. Samuel G. Stephens, Albert W. Pear, and William F. Hills comprised the general committee of arrangements.

# REV. FR. CONWAY 91 YEARS OLD

## Preaches Eloquent Sermon at St. Peter's

The triduum under the auspices of the immaculate Conception sodality of St. Peter's church was opened in that church last evening with a large congregation present. As the triduum is being conducted by two noted Jesuit preachers all the services are expected to be largely attended.

Last evening's sermon was given by Rev. Fr. Conway, S. J., vice president of Boston college. It was an eloquent and instructive discourse. This evening Rev. Fr. Gasson, S. J., president of Boston college, a foremost orator, will deliver the sermon. Fr. Gasson is a close friend of Rev. Dr. Kellher, pastor of St. Peter's.

Tomorrow will be devoted to confessions and the closing exercises will be held on Sunday with Fr. Conway again the preacher. There will also be a reception into the immaculate Conception sodality.

### GOV. MARSHALL SPOKE

CHICAGO, May 27.—Governor Marshall of Indiana, addressing the annual convention of the Presbyterian Brotherhood of Chicago last night, said he taught a "Bible class in Indianapolis from the international book of Sunday school lessons which he declared are so ineffectually arranged that they 'hop around like a chameleon which killed itself trying to make good on a Scotch plaid'."

Governor Marshall's appeal for militant methods in the church was preceded by the adoption of recommendations calling on Gov. Gillett of California to suppress the Jeffries-Johnson fight.

### LINEN SHOWER

WAS TENDERED MISS NORA A. MANGAN

Miss Nora A. Mangan, a cashier at the A. G. Pollard Co., who is to be married June 15th, was tendered a linen shower last night at the home of Mrs. Richard Burns, 203 Westford street, by the clerks of the A. G. Pollard company. There was a large gathering of friends and Miss Mangan was the recipient of many valuable and beautiful gifts.

During the course of the evening a delightful musical and literary program was carried out and later refreshments were served by George H. Miller. The party broke up at a late hour her friends wishing her future happiness.

Slattery will be with us tonight.

# Julia Ward Howe Celebrated Birthday

BOSTON, May 27.—Mrs. Julia Ward Howe celebrated her 91st birthday today at her home at 241 Beacon street. Mrs. Howe spent the day quietly with her immediate family and a few friends. At the 91st milestone of her life, Mrs. Howe is full of healthy vigor, although her age is beginning to tell on her strength, and she finds that it is impossible to accept all the invitations she receives to make addresses and to attend receptions.

## Paid to Moore Mill Operatives

The annual bonus allowed the operatives of the Moore Spinning mills at North Chelmsford for strict attention to business during the year was paid today. The bonus amounts to about ten per cent. of the year's wages and is not paid to any operative who has been absent from his or her post of duty more than ten working days in the year, except such time as may be allowed for vacation. This system was adopted by the company a few years ago and works to the entire satisfaction of all concerned. It is an incentive for the operatives to attend strictly to business and it was stated today that a majority of the operatives were paid the bonus.

The Shaw Stocking company has declared the regular semi-annual dividend of three per cent. to be paid June 1.

### RESENTS CRITICISMS

WASHINGTON, May 27.—President Taft today sent to Chairman Tawney of the house committee on appropriations a letter expressing deep resentment at the criticisms passed by democrats in the house debate yesterday upon the traveling expenses of the president. The president says he is especially distressed by "suggested reflection on southern hospitality."

### Fire in Lawrence This Morning

LAWRENCE, May 27.—Fire which threatened an entire block of wooden footer buildings numbered 90 to 126 Essex street broke out this morning. Two alarms were sounded as the build-

ings are in the heart of the business section and surrounded by wooden frame buildings. The fire started in Gustave Youngbauer's sausage shop and smoke filled every building in the block. The fire was confined to three stories, Youngbauer's, Abe Katz, shoes, and "Billy" Bell's saloon. The latter suffered the most damage. The entire damage will not exceed \$2000.

Hear Martel's new song, tonight.

SEALING TREATY

VICTORIA, B. C., May 27.—Negotiations for a sealing treaty between the United States, Canada, Russia and Japan are reported here to be practically completed. Private information was received here yesterday that the United States will compensate Victoria sealing schooner owners and Canada will receive a percentage of profit from the Pribiloff seal herds. Under the treaty pelagic sealing will be stopped in the North Pacific ocean for a long term of years and the interested nations will meet laws making it an offense for a vessel to be cleared for sealing. The United States did this many years ago.

## A NEW POLICY

## In Naval Construction Inaugurated

WASHINGTON, May 27.—When Secretary Meyer yesterday set the seal of his approval upon plans for the two giant battleships, numbers 34 and 35, provided for in the navy appropriation bill soon to become law, he inaugurated a new policy in naval construction.

Heretofore it has been the practice to await an appropriation before undertaking the preparation of plans for naval vessels, with the result that many months elapsed before the department was in a position to call for bids. In this case the work practically has all been done in advance. The naval war college prepared the rough outlines of the ships; these were passed around among some of the most able captains in the navy for criticism and they were then revised by the general board and placed in the hands of the naval constructors. Secretary Meyer yesterday paid a special compliment to the bureau of construction for the rapidity and thoroughness with which it did its work.

Details of the vessels are withheld, but it is generally stated that they will be of 27,000 tons and carry ten 14-inch guns, making them more formidable than any ship now afloat.

## HOW TO CURE ECZEMA, PIMPLES, AND DANDRUFF.

We desire to say that when we took the agency for ZEMO, we were convinced that it was a valuable remedy for Eczema, pimples, and dandruff. Yet, we must frankly admit that Zemo has far exceeded our expectations as a treatment for skin diseases. We are pleased to state that we shall continue the agency as ZEMO has given splendid results wherever recommended. Our customers like ZEMO too, because it is a clean vegetable liquid for external use.

ZEMO effects its cures by drawing to the surface of the skin and destroying the germ life that causes the disease, leaving the skin clear and healthy. It does not soil the clothing or linen and can be used freely on infants.

With every purchase we give a booklet on skin diseases explaining in simple words how any person can be cured at home of any form of skin or scalp diseases by this clean, scientific remedy. A. W. Dows & Co., druggists.

## THE U. S. TRADE

## WITH CANADA SHOWS A LARGE INCREASE

WASHINGTON, May 27.—Exports from the United States to Canada show a larger growth in the current fiscal year than those to any other of the important countries of the world. For the ten months ending with April, for which the bureau of statistics has just prepared a detailed record of the commercial movements, the exports to Canada amount to 174½ million dollars, against 129 million in the corresponding months of last year, and for the month of April alone, 22 million dollars, against 15 million in April of last year. The increase in exports for the ten months in question is thus 45 million dollars, while the total increase in exports to all parts of the world during the same period is but 15 million, the figures in each case relating to exports of domestic merchandise. To France the export figures show for the period in question an increase of 9 million dollars, to Germany 11 million, to Argentina 5½ million, to Mexico 6½ million, to Australia 2 million and to Canada, as above indicated, 45 million dollars.

This increase in exports to Canada occurs largely in manufactures. Coal shows an increase of about 2 million dollars; cotton, about 2 million; wheat, about 1½ million; horses, about a half million; and furs and fur skins, about a half million; but aside from these the bulk of the increase occurs in manufactured articles. Agricultural implements show an increase from 11½ million dollars to 21½ million; automobiles, from 1 million to 3 million; cotton manufactures, from 11½ million to 21½ million; and lumber, from 2½ million to nearly 4 million. During the same period scientific instruments increased one million; wire, over 1½ million; builders' hardware, 1½ million; and books, maps and engravings, about 1½ million; while many other manufactures show smaller increases, though in many cases the percentage of gain is large. Meats show but slight increase and in some cases a decline in quantity. Mineral oils show in most cases a decline, though lubricating and heavy paraffin oils show a slight increase.

## ADMIRAL STOCKTON NAMED

WASHINGTON, May 27.—Rear Admiral Charles Herbert Stockton, retired, was appointed president of George Washington university yesterday, to succeed Dr. Charles W. Needham, resigned. Admiral Stockton will assume control of the university Aug. 31 next. He was head of the navy war college from 1891 to 1894, and previously had a distinguished career in the naval service. He was retired October, 1907.

## MURDER CHARGED

## Man Killed in Course of Quarrel

PITTSFIELD, May 27.—Stopping at the house of Frank Carr, in the Black River district of Stephentown, N. Y., just over the Massachusetts line, ten miles north of here, late yesterday, Martin Casey, 60 years old, started a quarrel with Carr that ended, it is charged, in the latter shooting him dead. Carr is said to have fired in self defense, Casey having aimed two pistol shots at him. Both participants are said to be horse traders. Carr, who has a wife and two children, was arrested on a charge of murder. The district where the crime occurred is a secluded stretch of backwoods.

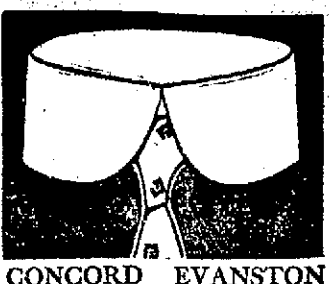

## SPEAKER CANNON

## PRESENTS DETROIT TEAM WITH MASCOT

WASHINGTON, May 27.—Speaker Cannon presented the Detroit ball team yesterday with a mascot in the form of a nickel plated horseshoe. When the members of the team were introduced to the speaker by Rep. Denby of Michigan, one of them caught sight of the horseshoe, which was used as a paperweight on Mr. Cannon's desk, and said it would have been serviceable "while the team had suffered two successive defeats at the hands of the Washington players." Whether the speaker's mascot was the cause of Detroit's victory yesterday has not been determined.

## Valuable Advice to Sufferers From Skin Diseases.

Under no circumstances should medicated or plain soap or any preparation containing alcohol or water, be used by sufferers from eczema and similar skin troubles. Those things aggravate the trouble and make it impossible for the skin to heal. The new medical compound called Cadum is the best and surest remedy, as it contains neither water nor alcohol. When applied, it excludes the air and other irritating agents, stops the itching at once, and sets up the healing process immediately. Most wonderful cures are reported from all sections. Cadum is just as effective in the treatment of psoriasis, ringworm, pimples, blotches, rash, eruptions, chafings, itching piles, rough, scaly skin, sores, acne, herpes, etc. 10c and 25c. ## THE CENSUS

## A STATEMENT ISSUED BY CHIEF GETTEMY

Chief Gettemy has issued the following statement relative to the census. "The newspapers throughout the commonwealth have, in many instances published coupons or other notices requesting persons who believed that they had not been enumerated in the present census to furnish their names and addresses either to this office or to one of our special agents; and wherever it has been found that such persons had not been enumerated and they have furnished the desired information concerning themselves, the data have been entered on the proper schedules.

It is necessary now, however, to bring this supplementary method of gathering information to a close, in order that the final examination of the schedules preliminary to their being forwarded to Washington for tabulation, be not unduly delayed. I shall, however, be glad to receive, up to and including May 31, the names and addresses of any persons who had a place of abode in Massachusetts on April 1st, which they believe they were not enumerated, and also to receive any information from citizens or others calculated to be of service in assuring a complete count of the population. Charles F. Gettemy, Supervisor.

## PRIMARY REFORM

## MEASURE DEFEATED IN NEW YORK ASSEMBLY

ALBANY, N. Y., May 27.—By the decisive vote of 46 to 84 the Cobb compromise direct nomination bill, after having passed the senate yesterday, was defeated in the assembly last night as the climax of a session of 14 hours.

A motion to reconsider was lost. The bill received 21 less votes than the Hinman-Green direct nomination bill which was defeated two weeks ago. The result of last night's vote was greeted with cheers.

As the legislature will adjourn today and Gov. Hughes has announced that he will veto the Meade-Phillips bill, which has passed both houses, the only hope of primary reform or direct nomination legislation this year lies in the possibility of an extraordinary session being called. Leaders of both factions regard this as highly probable.

## BOLD ATTACKS

## MADE ON YOUNG WOMEN AT CHARLOTTE, N. C.

CHARLOTTE, N. C., May 27.—Two bold attacks on young women in broad daylight in this immediate section yesterday, in which one of the alleged assailants was a white man and the other a negro, aroused the townspeople to a frenzy, with the result that the negro was fatally shot, while a posse of citizens with bloodhounds is hunting for the white man with the intention of lynching him.

## ARGENTINE IS PLEASED

BUENOS AYRES, May 27.—News that the government of the United States has practically authorized the admission of 20 officers of the Argentine navy to the American squadron is favorably commented upon here, and has produced an excellent impression in all circles. The cordiality of feeling thus engendered is being expressed by manifestations of regard for the American naval officers now visiting this city.

## PAPER MONEY WANTED

WASHINGTON, May 27.—There is a demand throughout the country for paper money of the smaller denominations, which the treasury is unable to meet. To relieve the situation the department will encourage banks holding silver certificates of the denomination of \$10 and over to send part of them to the treasury so they may be exchanged for those of smaller denominations.

## Brockton Boy Was Crushed to Death

BROCKTON, May 27.—While his horrified father looked on helplessly, Julian T. Norris, the 17 year old son of T. R. Norris, a wealthy Brockton hotel proprietor, early last evening was crushed to death by an elevator on which he had attempted to leap while it was moving.

The accident took place in the Hotel Brook building.

## EXPECTED SNAG

## WAS REACHED IN POSTAL SAVINGS BANK BILL

WASHINGTON, May 27.—The republican house caucus on the postal savings bank bill struck the expected snag last night when it reached section 9 of the Gardner bill, having to do with the disposition of the deposits of postal savings. Reaching no decision on this feature, the caucus, after three hours' deliberation, adjourned until tonight.

The Gardner bill, on which the caucus was working, would credit 47 1-2 per cent of the deposits to the withdrawal by the board of trustees and invested in the government's or other securities and 5 per cent additional to

be used as a reserve, and it would require the remaining 47 1-2 per cent to be kept in the local banks in the city where the postal deposits were received.

**80 YEARS OLD CHIEF KOHLER****Mrs. Burbank Held Has Been Suspended Birthday Celebration Under Charges**

Mrs. John J. Burbank celebrated the 80th anniversary of her birth yesterday at the home of her son, Percival P. Burbank, 14 Eighth avenue. The occasion proved to be a very pleasing one, and the venerable lady considered herself greatly honored by hearing the news that a son was born to Mr. and Mrs. Edgar P. Burbank of 96 Jewett street earlier in the day, the new arrival being her great grandson.

Mrs. Burbank was born in Haverhill, N. H., May 25, 1830. Her maiden name was Elizabeth Doty and she was united in marriage to John J. Burbank in the town of her birth in 1850.

Mr. and Mrs. Burbank lived for a while in Boston after their marriage, but came to this city over 40 years ago and have since then resided here. Four children were born to them. Three are living, Percival P., who is the well known fruit dealer; John Ambrose Burbank of Somerville and Mrs. Isaac A. Cronk of Worcester. Two grandchildren living in this city are Mrs. Ira S. Potter, formerly Miss Grace Burbank, and Mr. Edgar P. Burbank, children of Percival P. Burbank.

Associate hall, tonight.

CLEVELAND, O., May 27.—"The best chief of police in the world," as Colonel Roosevelt called Frederick Kohler, has been suspended by the order of Mayor Baker. The charges, which allege drunkenness and immor-

ality, must be heard by June 1 by the civil service commission, consisting of three men. Among the charges brought against Kohler is one that during the seven years which he has been at the head of the police department he has utilized the detective force for the collection of facts concerning prominent officials and others, to be used in the event that he was attacked.

**MORSE'S WIFE****WORKING HARD TO SECURE HUSBAND'S RELEASE**

NEW YORK, May 27.—Mrs. Charles W. Morse said yesterday that she will sell all her household effects and art objects to raise funds to continue the effort for her husband's release from the federal prison at Atlanta. For months Mrs. Morse has been directing the work of obtaining names to a monster petition praying for a presidential pardon for the convicted banker. The Morse home on Fifth avenue has already been sold and Mrs. Morse must soon vacate. She intends to visit her husband at Atlanta, probably next week.

**ANNUAL FESTIVAL**

The annual festival of the Pawtucket Congregational church was held last night and the husbands strawberry was the piece de resistance.

The committee in charge included A. H. Marshall, C. F. Sheridan, B. B. Hart, Alonzo Putnam and W. T. S. Bartlett, all of whom essayed the roles of waiters. Among the ladies who assisted were Mrs. A. H. Marshall, Miss Hattie Jackson, Mrs. F. E. Harris, Mrs. Peavey, Mrs. Thomas Van Horn, Mrs. James H. McKinley, Mrs. Maud Ausart, Mrs. Clarence Cohn, Mrs. C. F. Sheridan, Mrs. Daniel Bean, Mrs. C. F. Miles and Miss Alice Blake.

After the strawberries and refreshments had been served, a play was given, entitled "Shall Our Mothers Vote?" This was under the direction of James Grant. Included in the cast were George Axon, Ian Lovell, William Kinghorn, James Grant, Lester Armstrong, George Willett, Lee Conley, James Kinghorn, Harry Peavey, Stephen Siscox, George Dennis.

**HELD A SMOKER****MEMBERS OF COMPANY G HAD NUMBER OF GUESTS**

An enjoyable smoker was held by the members of Company G of the Sixth regiment at the state armory in Westford street, last night. There was a large attendance and the program, which was carefully arranged and well carried out, was an extra good one.

The first thing on the program was the drill, after which supper was held and then came the amusement. There were songs, speeches, wrestling bouts and music.

One of the features of the affair was the "pull" put on by the trumpet brothers, professional trick cyclists.

One of the members of the team is ex-Sergeant Brunette of Company G, while the other is ex-Private Alfred J. Doyle.

There were songs by Corp. Hanahan, and Private O'Brien. Then there was a pleasing piano solo by Herbert Hild. The wrestling match was a 15-minute bout to a draw between Wilfred Dake and Private Thomas Erick. The three three-round boxing matches were between Privates Kelleher and Sousa, Corp. Loupret and Private St. Peter, and Privates McClellan and Scobie. Lieut. Thomas W. Doyle was master of ceremonies.

Among the invited guests present were Humphrey O'Sullivan, Capt. Geo.

E. Worthen, Arthur F. Salmon, Commander George Sutherland of the Spanish War Veterans, Capt. Colby T. Kittredge of the general staff, ex-Mayor George H. Brown, and the following former members and of the company: Lieut. George S. Howard, Sergt. William Whitston, Corp. Michael Doyle, Walter Worthen, Sergt. Brunette and Alfred J. Doyle.

**EMPIRE THEATRE**

One of the finest shows ever in Lowell seems to be the consensus of opinion about the vaudeville and moving pictures at the Empire this week. With

the new show starting yesterday came the two Barretts. They portray a novelty juggling act, doing most of their work with straw hats and Indian clubs. Davis and Merrill are also here, with a little dramatic entertaining act which at the same time portrays an Italian character. These acts are direct from Keith's.

Then there are the moving pictures, which have for a feature, Ramona. This picture tells the story clearly and is very touching. There is also a western picture, besides the funny ones.

Sunday, there will be a special program for the concert and illustrated songs will also be given.

**PRETTY PARTY****DRESSMAKERS FROM NEW YORK STORE MAKE MERRY**

A May party and cotillion was given last evening in O. U. A. M. hall by the Rowandos, a club of dressmakers from the New York store. The hall was so beautifully decorated as to make it appear a veritable flower garden. To the general decorating scheme was added 100 May baskets festooned from the chandeliers.

The cotillion was led by Fred Burns and Miss Alice Norton, who was floor manager of the dance. They were fol-

lowed by about 100 couples who received flowers for favors. Gilmoro's orchestra furnished excellent music for the affair and Henry Bros. catered during intermission. The affair was entirely delightful and proved a success from every point of view.

The dance was under the direction of the following: General manager, Miss Josephine Norton; assistant general manager, Miss Verna Rockwell; floor director, Miss Alice Norton; assistant floor director, Miss Esther M. Oaker; chief aid, Miss Adele Barrett; aids, the Misses Anna Wilson, Lillian Sonnet, Linnie Wood, Beatrice Collins, Katherine Ralston, Lillian Estabrook and Lea Achin.

STATE HIGHWAYBill Authorizing It Sure to  
Become Law

The bill for the state highway from Lowell to Lawrence was engrossed in the house today. It will probably pass the enacting stage tomorrow and then go to the governor for his signature. The passage of the measure into law is assured so that those who have fought for the state highway have won. It will be a great convenience to Lowell

and Lawrence as well as to the intervening territory. The counties will have to rough grade part of the road over private land and of this the city of Lowell will have to pay part of the expense. Sen. Hibbard worked very hard for the improvement since the agitation began and used his influence in the senate and house in favor of its passage.

## THE O. M. I. CADETS

## To do Guard Duty Sunday Night

The O. M. I. Cadets will meet in their armory at the Immaculate Conception school tonight at 7.30 and preparations will be made for the parade to be held at the Immaculate Conception church Sunday evening. The Cadets will act as a guard of honor and will wear the regulation uniform. Rev. Dennis Sullivan, O. M. I. wants the presence of every cadet at the meeting tonight as there are important instructions relative to the guard duty on Sunday night to be explained. The Cadets will also act as escorting chester, N. H.

guard at the great Hibernian parade to be held here in August when it is expected that at least 20,000 men will be in line. Rev. Fr. Flynn, O. M. I., is county chaplain of the Hibernians and is stationed at the Immaculate Conception church, and so Fr. Sullivan has called on the cadets to take part in the great A. O. H. demonstration in August.

Maj. Haggerty of the cadets is adjutant of the High School regiment and at the field day of the High School boys made grand showing. His was an important place and the young cadet acquitted himself admirably.

## STOCK MARKET

## CLOSED HEAVY AND DULL THIS AFTERNOON

Prices Yielded Easily On Slight Decline—There Was Nothing Sensational in Today's Dealings

NEW YORK, May 27.—The opening stock market was irregular within a narrow range and the dealings were quite active. The prominent speculative stocks were lower and the decline was extended after the opening. Union Pacific and Reading lost 1 and Southern Pacific, St. Paul, Baltimore & Ohio, Amalgamated Copper, American Smelting and International Mercantile Marine pfd large fractions. New York, Chicago & St. Louis and Am. Hide & Leather pfd rose 1 and Am. Car.

Stock was supplied in abundance and prices went materially lower. U. P. showed a loss of 1 1/2, St. Paul 1 1/4, Atch., Baltimore & Ohio, Northern Pacific, Can. Pac., U. S. Steel, Con. Gas and others a point. Buying for both accounts caused considerable fractional rally after which the market became very dull. Brooklyn Union Gas gained 1/2.

The unsettlement in the cotton and grain markets was supposed to throw some pressure on stocks. Prices recovered slightly before noon but business shrunk to nominal proportions. Bonds were steady.

"The railroad stocks were neglected, but several of the minor specialties were strong. American Hide and Leather pfd. advanced 2 and Consolidated Gas 1 1/4.

Prices did not vary much more than an eighth or so in the latter part of the day and business was at a standstill.

The market closed heavy and dull. Prices yielded easily on light dealings falling to the low point in some cases.

## The Wheat Market

CHICAGO, May 27.—Following yesterday's declines in September and May wheat the market was violent today and registered further declines during the first hour and a half of trading. The pit fairly seethed. Prices of the same option varied simultaneously in different parts of the pit by a cent in September and a cent and a half in May.

May wheat closing last night fell to 103 as discouraged longs unloaded and pocketed their losses. July and September were sold in immense quantities to extent by foreigners. September closing last night at 93 cents dropped to 91 3/4, a loss since Wednesday of 5 1/4 cents. July sold at 93 5/8 cents as compared with 95 1/4 at the close yesterday.

Bulls loaded up with wheat early in the season when prospects as viewed by them looked dubious for an adequate world crop. But in the United States the rains descended and the sun shone to such purpose that the gloom was lifted from apparently blighted prospects. Europe predicted unusual crops and even far away India took arrangements against the bulls with predictions of a record breaking harvest. The bulls lost no time in pouring out their holdings when nature pointed the way.

## BUSINESS CONDITIONS

NEW YORK, May 27.—Despatches to R. G. Dun & Co. indicate that improved crop prospects help sentiment in business circles, although current trade is irregular because of adverse weather in some sections. Moderate improvement is noted in the dry goods jobbing trade at Boston but retailers complain that the weather interferes with distribution of summer merchandise. Cotton goods at first hands remain unsettled and uncertainty of production is spreading while woollens continue unsettled.

Bank exchanges for the week at all leading centers of the United States aggregate \$2,222,557,276, almost identical figures of the same week last year.

Chippewas, Billerica, tonight.

PRESBYTERIAN ASSEMBLY  
ATLANTIC CITY, N. J., May 27.—The general assembly of the Presbyterian church may end its deliberations here tonight but final adjournment may possibly be prevented until tomorrow by a discussion of the report of the commission which has been considering the Black berry case.

If it understood the commission has decided the question whether the propriety of New York city violated laws of the church in licensing three students after they had admitted disbelief in the immaculate conception and other teachings but no killing as to the verdict has been permitted to come from the room in which the commission held its sessions.

## PLEADED GUILTY

Sensation at the Trial of the  
Sugar Cases Today

NEW YORK, May 27.—The long series of surprises in the sugar underweighing conspiracy trial culminated today in the sudden closing of the prosecution's case and the entering of pleas of guilty by three of the men on trial. These three were fellow employees of the four checkers convicted last winter for complicity in the frauds on the Williamsburg docks of the American Sugar Refining Co. All of them worked under Oliver Spitzer, the dock superintendent, also convicted and sentenced to two years in the Atlanta penitentiary, whose confession and pardon and appearance as a government witness was the first big sensation of the present trial.

Counsel for the three men who had decided to give up the fight—Harry W. Walker, assistant dock superintendent, and Jean Voelker and James Halligan, Jr., checkers—today withdrew their pleas of not guilty as soon as the government, after introducing some new testimony, announced that it closed its case. Sentence will be passed upon them later. After a conference of counsel, court was adjourned to Tuesday next, Judge Martin denying formal motions for the dismissal of the indictments against the remaining three defendants.

There remain on trial the chief of the group, Charles R. Heike, secretary of the American Sugar Refining Co., and his former subordinates, Ernest Gerbrach, superintendent of the Williamsburg refinery, and James F. Ben-dernage, the refinery cashier. The government's fire in the closing hours of the trial was mainly directed against Heike. A number of letters written by Heike were read in an effort to show that he kept a close watch on all the multitudinous details of the business.

One letter, under date of Sept. 11, 1903, written by Heike to Gerbrach, contained this statement:

"We can understand that there may be a reason why the customs weight can fall short from the invoice weight."

Twelve checks given by the government as rebates on duty on sugar were also introduced. These were endorsed by Heike as secretary. The government contends that these rebates were on the fraudulently underweighed sugar.

## GOVERNOR DRAPER

Says He Will Not Sign the  
Eight-Hour Bill

BOSTON, May 27.—At the request of the legislative committee of the state branch of the American Federation of Labor Gov. Draper yesterday received two of their number, John Weaver Sherman and Henry Sterling, in a conference on the "eight-hour" bill which is in his hands awaiting executive action.

After the conference Mr. Sherman gave out a statement in which he said they had asked the governor to sign the bill, urging that the results of the elections for the senate and the house last year the increased majority in the legislature this year for the bill and the fact that cities and towns representing a great majority of the people had adopted the eight-hour day for

their municipal employees were proofs that the sentiment of the people was overwhelmingly in favor of the bill.

Mr. Sherman and Mr. Sterling said that the governor gave them no hope for any change in his attitude in the matter.

When shown the statement given out by the labor men, Gov. Draper said he has no desire to be drawn into a controversy on the matter, but in reference to the elections he said it would be a fair statement to set forth that the people had also re-elected a governor who had stated his position and what he would do if re-elected.

The bill was returned to the governor in the same form in which it was presented to him last year.

## IN POLICE COURT

Convictions in Liquor, Larceny  
and Other Cases

Alton W. Wilkins was arraigned before Judge Hadley in police court this morning on a complaint charging him with drunkenness and the larceny of \$30 in money from Frank H. Strout, the meat and provision dealer at 229 Bridge street. Wilkins admitted that he had been drinking, but denied that he stole the money.

The court after considering the testimony which had been offered found the defendant guilty and ordered him to pay a fine of \$35 within three days or spend the next three months in jail. Arthur B. Strout, son of the complainant, was the first witness. He testified that on Tuesday night when he left the store he placed \$111.33 in the safe. He knew that there were several \$10 bills.

Mr. F. R. Strout, the complainant, said that he opened the store at 5:30 o'clock in the morning and shortly afterwards Wilkins, as was his habit, entered the place and sat down at a table near the safe to read the morning paper. Mr. Strout had opened the safe and when a farmer with some provisions called at the front of the store he went out to the sidewalk and as he came back he saw that Wilkins had left his seat and was in a stooping position. A few minutes later Wilkins left the store.

Frank Gendreau, a barber with a place of business in Lakewood avenue, told the court that yesterday morning

Wilkins entered his place and gave him \$14.50, saying, "I want you to save that for me, because I am going to buy a suit of clothes." Mr. Gendreau took the money and kept it until later when Inspector Maher and Patrolman Bennett arrested Wilkins.

Inspector Martin A. Maher, who was one of the arresting officers, testified that Wilkins denied that he stole the money, but said that he was willing to settle if Mr. Strout would agree.

Patrolman Bennett said that Wilkins spent the greater portion of his time about liquor saloons and would go to work only after he had been cautioned that he would be sent away.

## Illegal Keeping of Liquor

Adolphus Tetreault was charged with illegally keeping liquor at his home, 9 Fulton place. Last Sunday, Sergeant Duncan and Inspector Grady visited Tetreault's house and found six cases of beer and a quantity of whiskey. Tetreault admitted his guilt and a fine of \$50 was imposed.

## Entered Plea of Guilty

James Gorgoulakos, who was charged with assaulting Antonios Gorgoulakos, through his counsel, J. Joseph Hennessy, entered a plea of guilty and the case was continued for a week for sentence. The defendant, it is alleged, drew a revolver during the disturbance in Market street Tuesday night and threatened to do bodily harm to the complainant.

## Stabbing Affray

Costas Geras and Theodoros Kanavos got mixed up in an argument last night shortly before midnight and as a result the former received a wound in the left arm. It being alleged that Kanavos wielded a jack knife. While the fight was at its height word was telephoned to the police station and Patrolmen A. McClouchrey and Creamer were soon on the scene and placed Kanavos under arrest. In court this morning Kanavos was held in \$300 bonds for his appearance one week from today.

## Assault and Battery

Nos Donalds was found at 50 Tucker street late last night in a dazed condition with a split nose and a bad cut on his head which later required six stitches. The ambulance was summoned and the man was taken to the hospital. About 1:30 o'clock this morning Maxine Thibault was placed under arrest by Sergeant Giroux and Patrolman Lamoureux and booked for assault and battery. When the case was called in court this morning it was continued until June 1 at the request of the government.

## More Stabbing

Marian Gonzales was stabbed twice in the head and once in the shoulder late last night during the course of a melee in Chapel street. Later Giovanni Lucardi was placed under arrest, charged with the assault. Gonzales was attended by Dr. Thomas P. Carrigan.

Lucardi was placed under arrest by Patrolmen Daniel C. Donovan, Burke and M. Sullivan. The officers had a long and hard chase after the man and it is alleged that when he was placed under arrest he had an open jack knife in his hand.

## Drunken Offenders

Joseph T. Coughlin, charged with being drunk, was found guilty and placed on probation on condition that he would go to the city farm. The man is in a bad way physically and the court deemed it better to allow the man his freedom if he would go to the hospital instead of sending him to jail.

Cornelius Shea, charged with being drunk, was fined \$11. John McGuinness was fined \$6, and five first offenders were fined \$2 each.

This has been a trying season to the manufacturers. Between late deliveries of piece goods from the mills, strikes among the workers and the resulting cancellations by retailers, most manufacturers are loaded with spring goods.

The very heavy suit selling in our recently acquired store in Springfield, made it necessary for us to replenish, with the result that we can offer you today clothes from the world's best makers at prices less than ordinary makes.

We have divided the purchase between our Lowell and Springfield stores and place them on sale here today at \$17.50 a suit.

In the lot are three piece suits of fancy blue serges, fancy gray worsteds and velour cassimeres in the most wanted patterns. Also vestless suits of gray homespun and fancy cassimeres.

There are several models—including some very clever models for young men with 33 inch coats—high cut vests and peg top trousers.

Every suit is Brand New—fresh from the tailors. See them in our windows

## SUPERIOR COURT

Bigelow Co. Case Ad-  
journd Till Tuesday

The case of Bartlett vs. Holmes took up the attention of the superior court today until one o'clock when court adjourned until Tuesday. Judge Hardy being obliged to leave to go to New York over the holiday.

The jury in the case of the Bigelow Carpet company vs. Wiggin et als. was excused until next Tuesday when that case will be formally opened.

## Verdict for Plaintiff

The jury in the "bulldog case" in the superior court yesterday reported a verdict for the plaintiff in the sum of \$76. Mrs. Rose Blowsie, the plaintiff, fell into an open bulldog adjacent to the premises of the defendant, James Smith, while on the sidewalk in Gorham street.

An action of contract, Bartlett vs. Holmes, was opened. It is a suit to recover \$1800 alleged to be due for architect's fees. The parties live in Cambridge.

## MR. MAN

That buys the coal, did it ever occur to you that to be a successful coal man, in the full sense of the word, you must have practical experience? Let us understand one another. The money that started me in the coal business I earned myself screening, shoveling and hauling coal right here in your own city. Today my coal yard and facilities for handling coal are second to none in this city. I know what coal is, and what coal is not; I know what to buy, and what not to buy; that means my customers do not have to suffer for my mistakes. I do not tell my men, go and do it. I say, come and do it; that means you hire your own foreman in place of the coal dealer hiring him for you. When you are about to place your coal orders, think this matter over.

Mail and telephone orders will receive immediate attention.

# MEMORIAL DAY

Exercises Held in the Public Schools Today

Memorial day exercises were held in the public schools today during the afternoon. The exercises at the high school took place in the morning at 8.30 o'clock. The prettiest and most impressive feature of the exercises, as a whole, took place at the Lincoln monument in Lincoln square when the children from the Abraham Lincoln school marched about the monument strewing flowers on their way. This very pretty feature took place during the afternoon and preceded the exercises at the school. Besides the flowers strown by the children wreaths were

placed upon the monument by G. A. R. soldiers and this will continue to be an annual custom in connection with the Memorial day exercises at the Lincoln school.

The following program constituted the exercises at the high school:

Patriotic music, Banjo, Mandolin & Guitar club; declamation, Memorial Day, John D. Long, Randolph W. Gleason; essay, Reminiscences of Peace and War, original, Vera F. Sullivan; singing, Unfold Ye Portals, Gounod, High school chorus; recitation, The Rear Guard, Gladys H. Arnold; declamation, Heroes and Martyrs, Edwin H. Chapin, Edward F. Slattery; solo, The Mission of the Rose, Ralph R. Meloon; recitation, Our Ranks are Getting There, Louis Eisenbeis, George W. Jones; essay, Life of Gov. Andrews, original, Carl W. Taylor; recitation, The Honored Dead, Robert Ingersoll, Anna J. Masterson; singing, America, school.

Programs at other schools were as follows:

## ABRAHAM LINCOLN SCHOOL

Salute to the Flag; piano solo, May Carlson; Chorus, "Battle Cry of Freedom, the School; piano solo, Mildred Hutchins; recitation, "Old Abe, the War Eagle," Bertha Braverman; chorus, "The Stars and Stripes Forever,"

# THE LOWELL SUN

JOHN H. HARRINGTON, Proprietor

SUN-BUILDING, MERRIMACK SQUARE, LOWELL, MASS.

Member of the Associated Press

THREE DOLLARS PER YEAR. TWENTY-FIVE CENTS PER MONTH

The sworn daily average circulation of The Lowell Sun for the year 1909 was

16,828

Sworn to by John H. Harrington, proprietor, Martin H. Reidy, business manager, and Alfred Pilotte, pressman, of The Sun, before me, January 1, 1910. J. JOSEPH HENNESSY, Notary Public.

This is by far the largest average circulation of any newspaper in Lowell.

There is a movement against the long and sharp hatpin protruding three or four inches from the hat. It is dangerous in a crowded car or even on the street.

Some drivers of vehicles on our public streets are in the habit of showing great carelessness by driving rapidly around street corners. The auto drivers are not to blame for all the accidents.

## THE SMOOTH PAVING JOBS

It is to be hoped that Supt. Putnam will push through the smooth paving jobs undertaken this year as rapidly as possible so that the work will be finished before Labor day, when we are likely to have a parade. We are to have auto races a little later, and it would be a great inconvenience if any of our public streets should be torn up at that time.

## TRADE WITH CANADA

It is now the Canadians who declare that reciprocity is a dead issue in Canada. They are awaiting an opportunity to retaliate. Canada purchases of the United States \$110,000,000 worth annually more than we buy of Canada and if our tariff rates were moderate the trade would be much larger on both sides. With an extension of the reciprocity principle we could buy lumber and farm produce at very reasonable rates from Canada. The standpatters, however, don't want any such arrangement.

## SWIMMING POOL FOR CHILDREN.

The park department by the expenditure of a small amount of money could provide a swimming pool for children in the pond on the South common. That pond could be easily deepened and lined with concrete so that it would be suitable for boys to swim in without any danger. A pond even of that size would afford an opportunity for a vast number of children throughout the city to learn to swim. Even this approach to a public bath system would result in the saving of numerous lives. If the city council cannot provide any system of public baths, it might make an appropriation to be expended by the park department for this purpose, so that a swimming pool might be provided for children even during the summer. It would prevent the boys from seeking the canals and the rivers at the risk of being drowned.

## SOUTH AMERICAN TURBULENCE

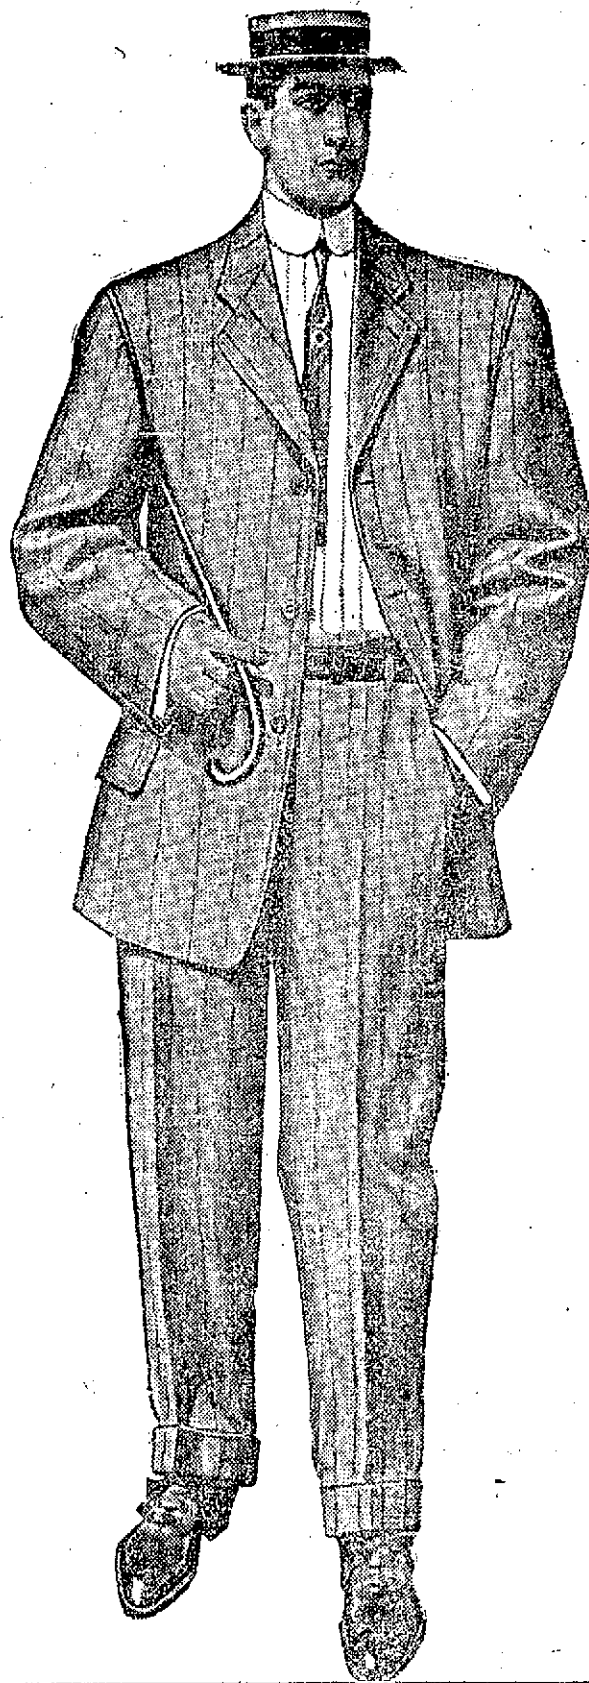

At present it is Nicaragua that is on the rampage in South America. Those saucy little states are so ready to do insulting things and to defy superior powers, in their haughty assertion of petty sovereignty, that if they were held to strict accountability as the laws of nations go, they would all be gobbled up by larger powers long ago. It is the Monroe doctrine that saves these pugnacious little states from immediate conquest, and yet they do not hesitate on the slightest occasion to insult the United States, to abuse our friendship and take advantage of the security thus afforded them to make trouble and evade if not utterly to repudiate their obligations, financial and otherwise.

The other day a Nicaraguan gunboat, Venus, searched an American schooner in spite of the fact that a ruling from Washington had been issued denying the Venus the right of search. There is an insurrection on in Nicaragua. Few of these little republics are ever without an insurrection in some form. What is wanted in South America is consolidation of some form that will hold the unruly elements in check either by compelling them to go to work or by putting them in prison.

## HALLEY'S COMET SPLIT IN TWAIN?

And now cometh astronomers who in all seriousness proclaim that not only the tail of Halley's comet but the head also divided in twain. It is a most remarkable occurrence for a heavenly body whose period of revolution around the sun has been recorded with so much accuracy since 1680, when Edmund Halley computed the length of its orbit and the time of its return. Why the comet should lose its head and go to pieces on this trip more than on any former occasion is difficult to determine. We are inclined to the belief, however, that Halley's comet will be with us at the usual time, seventy-six years hence, but most of us will then be dead and gone. The observation of the comet has been so unsatisfactory that the astronomers have not yet come to any definite conclusion upon the matter of its unexpected divisions. Judging from the appearance of the comet to the naked eye last night it would seem that both head and tail are still united and intact. Should the comet split in twain, however, and the parts fly in different directions no harm whatever would be done. It is very generally believed that the comet is not a solid body and its being gaseous and light, enables it to move at a very rapid rate under the attraction of the sun, for there is no atmosphere to retard its motion through space. It is stated that the comet of 1882 divided into four parts which separated and vanished. These parts may be moving as distinct comets, and appearing occasionally to the earth as unlisted comets frequently do. There are other comets than Halley's that have regular orbits and periods of revolution, comets of recognized probity and stability of character. They have been apparently keeping to the same course from time immemorial, and why they should not go to smash as well as Halley's is not clear. Of course it is recorded with strong attestations by astronomers that in 1862 the earth passed through the fragments of a comet, the pieces appearing as fiery meteors. On the whole there is still much to be learned about these celestial visitants but every new arrival and every return of a former visitor gives our astronomers the opportunity they desire of studying the motions, the habits and constitutions of these elusive bodies.

## Splendid Qualities Correct Styles and the Right Prices

Are bringing us a great and growing business in ROGERS-PEET'S fine clothing. Here are suits actually better than the majority of tailors make to measure, and suits that nine times out of ten fit to start with better than a tailor will fit you. Every pattern in Rogers-Peet's clothing is exclusive. Every garment warranted not to fade. You can buy this superior clothing—unquestionably the best that is manufactured—of the new Tweeds, Donegals, Bannockburns, Wool Cassimeres, Cheviots, Fancy Worsteds and Serges, in regular suits or vestless suits for **\$20 Suit**

And from that to \$40

**MEN'S HAND TAILORED SUITS for - - - \$15.00**

We demonstrate today what careful manufacturing can do towards producing smart up-to-date hand tailored clothing for a moderate price. This is a season of cheviots and soft faced wool goods, and you will find these new materials all represented in our stock for \$15.

For spring and summer these soft, pliable woolen fabrics are especially well adapted and most men will welcome the change to these comfortable, easy fitting cassimere suitings. Grays, in a wonderfully wide range of shades and attractive patterns predominate, and there is a showing of tans and browns—colors that you will see plentifully next fall.

For the man who prefers worsteds, we have provided liberally of grays and the many new weaves of fancy blues and fine blue serges—all for **\$15**

## STYLISH SUITS

Carefully finished honestly trimmed coats with hand felled collars - - **\$10**

All wool fast color Washington blue serges, all wool dressy black Thibets, all wool cassimeres and cheviots in the new grays and gray mixtures—these you will find in our suits for \$10. All coats are lined with wool serge or alpaca—and every suit even at this modest price is cut on late spring models. Not for years have we offered better values—never a larger variety than today in men's honestly tailored suits for **\$10**

**MEN'S SUITS to close \$8.00**  
Sold for \$12 and \$15

This is simply a clearing up of all small lots that remain from \$12 and \$15 qualities, all wool, fine fancy worsteds and cheviots, every coat with hand felled collar—two, three or four suits of a kind—sizes 34 to 46, in all but about 50 suits, sold as high as \$15, all now to close **\$8**

## HE Young Man's Store

Special Suits for Young Men

The models and the materials are different from those used in our Men's clothing—A snapper cut to the coats and trousers, livelier patterns in the fabrics. Even the lowest priced Suits have coats made with hand-felled collars, and all young Men's trousers are peg-top.

### Our Young Men's Suits

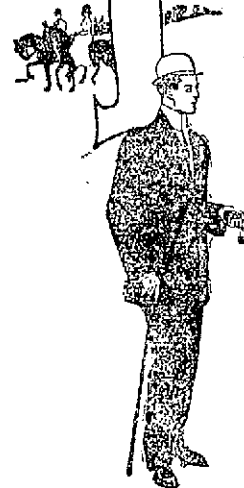

are cut in sizes to fit youths from 15 years to the husky young man who wears a 38 coat. You get this handwork on this smart style in our suits for **\$10, \$12 & 15**

As well as in the costlier Suits from Rogers, Peet Co., for \$20

### Young Men's Suits \$5

Sold up to \$12

We have grouped every small lot in stock—all the Suits where we have but two or three of a kind that sold for \$8, \$10 and \$12—cheviots, worsteds and cassimeres—fit young men 15 years to 20—marked them now to close quick **\$5.00**

## SEEN AND HEARD

A little girl from a London East End slum was invited, with others, to a charity dinner.

In the course of the meal the little maiden startled her hostess and the aristocratic company by solemnly propounding the query:

"Does your husband drink?"

"Why, no," replied the astonished mistress of the house.

After a moment's pause the miniature quertal proceeded with the equally bewildering question:

"How much coal do you burn? What is your husband's salary? Has your husband any bad habits? Does your son go to work?"

By this time the presiding genius of the table felt called upon to ask her humble guest what made her put such strange questions.

"Well," was the innocent reply, "mother told me to behave like a lady, and when ladies call at our house they always ask my mother those questions."

A certain member of the Pittsburgh Stock Exchange has set his nephew up in business three times, but the young man lacks something essential to success in the line selected for him, and has failed with each effort.

When he recently appeared before the uncle with his fourth request, the latter said:

"You must learn to lean on yourself. I can't carry you all my life. I'll tell you what I'll do. You owe me

a great deal as the result of your last failure. Pitch in on your own hook and go it alone till you pay off those debts. When you've done that, I'll give you a check for what they amount to. Such an experience will do more good than all the money I could give you now."

Two months later the nephew walked in with every claim repaid in full, and the uncle was so delighted that he gave the promised check.

"How did you manage it, Howard?" he asked, after an expression of congratulation.

"I borrowed the money," replied Howard.

A well known newspaper man tells of the time when he conducted an "Answers to Correspondents" column for his newspaper. For the convenience of such subscribers as wished personal replies to their queries, the editor would send responses direct when stamped envelopes were enclosed for the purpose.

One morning the editor was in receipt of two communications requesting personal replies, one from an anxious mother who wrote touching the proper rearing of twins, the other from a farmer who asked for a method of getting rid of grasshoppers.

The editor, out of the fullness of his knowledge, wrote the two replies, but in the press of business got them in the wrong envelopes. To the mother of twins went this interesting recommendation:

Cover them carefully with straw

and then set fire to it. After jumping in the flames for a few minutes the little pests will be speedily done for.

The man who was troubled with grasshoppers was bidden to Give castor oil regularly in moderate doses and rub their gums with a bone.

## PEOPLE OF NOTE

President Faunce of Brown University recently addressed the Eastern Connecticut Teachers' association at Williamantic, Conn., on the subject, "Efficiency in Teaching." Professor Arthur H. Blanchard (engineering) has been elected to the Societe des Ingenieurs Civils de France. Professor Blanchard is spending his sabbatical year in France.

The French Society for the Prevention of Cruelty to Animals has bestowed its highest award upon Edmond Rostand for his "Chantecler." In his letter of thanks M. Rostand says: "I have always been passionately fond of animals, and I am proud of never having made a single animal cry with pain than of having, one day, made a number of them talk."

The will of William Bayard Cutting, Jr., of New York, who died at Asarua, Egypt, leaves \$25,000 to Harvard, "for purposes which will be specified by Edward Hyde-Kopner Wells of Boston, or in the event of his death, by Theodore Lyman of Brookline." The testator leaves a trust

fund of \$300,000 for his wife, Lady Sybil, and his daughter, Iris, and gives his wife \$25,000 besides. He gives two friends, J. Gordon Gardner of Florence, Italy, and Graf Erwein Wurmbacher Stuppach of South Tyrol, Austria, \$5000 each.

Mrs. Anna L. Jessups, a supervisor of sewing in the public schools of New York, is at the head of the movement to teach children to use large hand looms, weaving twenty-two inch fabric, instead of the miniature looms commonly used for instructing the children in the principles of hand weaving. At the exhibition of handwork in the schools which has just closed several of the child weavers gave very creditable exhibitions of their skill in the use of the large looms. Several hundred rugs, all designed and woven by the children, were shown.

Pierre Martin, who invented the original steel smelting process by which the famous Siemens-Martin steel is produced, has been discovered living in olden and in poor circumstances in the neighborhood of Paris. The French steel smelters' organization, known as the Comite des Fonderies de France, immediately opened a subscription list with \$20,000 and invites ironmakers all over the world to contribute, with the object of placing M. Martin beyond the possibility of actual want. The inventor is 86, and a celebration is planned for the middle of next June to honor him. At the

same time the money collected will be handed over to him.

Emily Callaway, a graduate of Wellesley college, has been engaged by Wagenhals & Kemper to play the role of Kit McNair in "Seven Days" next season. This will be Miss Callaway's professional debut on the stage, although she was associated with the actress at Wellesley. She is the third from the same college to adopt the stage as a profession, her predecessors being Helen Hale and Diamond Donner, both of whom began in the chorus.

Miss Callaway was born in Chicago, but comes from a southern family. At college she was a member of the Barn Swallows club, and played boy parts in their theatricals. She is the author of several plays that were presented by the club, including "The Return of Deborah," "Miss Oliver's Dollars," "The Power of Friendship," and "Prince Charley." Incidentally she "went in for" athletics and won the right to wear the college "W."

## D. A. R. MEETING

BOSTON, May 27.—The Massachusetts division of the Daughters of the American Revolution late yesterday elected as regent Mrs. James G. Downing of Springfield. The annual reports showed the division to be in prosperous circumstances.

**BOSNIA'S CARGO IS NOT CREDITED**

Estimated to be Worth  
\$1,250,000

Report That Moody is to  
Resign

BOSTON, May 27.—The big German steamship Bosnia, freighted with one of the biggest cargoes ever brought to Boston, came up the harbor on the top of high water yesterday afternoon and went to a berth at the new pier at Mystic wharf. In her great holds were more than 11,000 tons of merchandise. When the Bosnia left Hamburg she grounded in the lower Elbe on account of her extreme draft of 29 feet, but was assisted about without damage and proceeded for this port.

One seasonable shipment was a big consignment of straw hats. She also had nearly 100 tons of Epson salts, 1800 cases of sardines, 2000 bales of wood pulp, 1000 bales of rags, an immense quantity of toys, musicware, crockery and earthenware, and over 1,000,000 postal cards. There were also many tons of chemicals, fertilizer, poison and drugs. About 7000 tons of the cargo will be unloaded here and the balance will go to Baltimore.

Capt. Schmidt said the grounding of the vessel in the Elbe was not unusual, as nearly every steamer drawing more than 25 feet touches bottom at low tide. He said the weather was foggy the greater part of the distance and it was particularly thick approaching the coast.

It is estimated that the cargo of the vessel is worth \$1,250,000.

WASHINGTON, May 27.—The rumor, again revived, that Associate Justice Moody is to resign is given no credence by Representative Gillett, Justice Moody's most intimate friend.

"If Mr. Moody intends to resign from the bench he has not written to me about it, and I think I know," Mr. Gillett said yesterday when asked if he had heard about the latest resignation rumor. "I had a letter from Mr. Moody only a few days ago," Mr. Gillett said. "Mr. Moody was cheerful and evidently in good spirits, as he wrote that he was smoking white cigarettes, the first cigar he had smoked in some months."

It is quite certain that if Mr. Moody finds that the condition of his health will not permit him to resume his place on the bench he will not resign until some provision has been made by congress for his future. Should he resign under present conditions he would forfeit his salary and pension, which he can ill afford to do, while he can continue to draw his salary as long as he lives even if he should never do another day's work in the court.

## FINAL ARRANGEMENTS

For The Observance of Memorial  
Day Announced

Final arrangements for the observance of Memorial Day and Memorial Sunday by the local posts of the G. A. R. have been completed. Despite the fact that the ranks of the veterans are being depleted year after year the observance this year promises to be one of the most successful ever held. The Memorial Sunday services will be held at the First Congregational church in Merrimack street on May 29th at 2.30 o'clock in the afternoon. The chairman of the committee on arrangements is Earl A. Thissell, while

the orator of the day will be Rev. Alexander Blackburn, D. D. Frank Brown Murphy will be musical director and the choir of the church will be in attendance. The solo parts will be sustained by Mrs. Stella Wilson, and Solon W. Stevens will preside at the organ. The program will be as follows: Hymn, "Onward, Christian Soldiers," By Full Choir, Audience and Organ. Organ Recital. Solon W. Stevens. Reading of Scriptures. Rev. James Edgar Gregg. Anthem, "Praise Ye the Fathers," Gounod. First Cong. Choir and Organist. Frank Brown Murphy, Director. Invocation. Rev. Joseph W. Stephan. Chorus, "Gone to Their Rest"....Rockel Roll Call of the Dead. Quartet and Isosceles McDaniel, Bugler. Chorus, "To Thee, O Country," Eichberg. President Lincoln's Address at Gettysburg, Nov. 19, 1863. Read by Rev. E. Victor Bigelow. Prayer. Rev. N. W. Matthews. Solo, "Forever With the Lord," Gounod. Mrs. Stella Wilson. Remarks, By His Honor, the Mayor, John Francis Meahan. Chorus, "American Hymn"....Kellar Organ. Comrade Rev. Dr. Alexander Blackburn, America. Read by Rev. C. E. Fisher. Song by Chorus and Audience With Organ Accompaniment. Benediction. Rev. J. M. Craig. Postlude. Organ.

Memorial Day. On Memorial Day, Rev. John F. Burns of St. Peter's church will officiate at the services at Monument square at the conclusion of the parade and Rev. Dennis A. Sullivan, O. M. I., and Rev. Dennis A. Sullivan, O. M. I., of the Immaculate Conception church, will officiate at the Catholic cemetery.

**ACCUSES SON**  
BOSTON, May 27.—Charged with the theft of \$227.75 from his father, Augustus Ryer was arraigned in the South Boston district court yesterday. His father, John Ryer, and a sister testifying against him. The father claimed that his son had taken the money from beneath his head while he was sleeping. He claimed that Mrs. Ryer had left him \$2000 on her death, which he kept in his pockets during the day time, and under his pillow at night. Mr. Ryer, senior, and the young man's sister, claimed in court that young Ryer had dissipated over \$100 within a few hours for he only had \$100 with him when arrested. Ryer was held on this charge in \$1000 for the superior court. He was later sentenced to serve three months on Deer Island for stealing furniture owned by Morris Olin of West Broadway, South Boston. He appealed and was held in \$200.

## WILL IS ALLOWED

Mrs. Lincoln Leaves  
\$50,000 to Nurse

BOSTON, May 27.—Judge Grant of the probate court yesterday allowed the will of Mrs. Annie Preston Lincoln of Commonwealth avenue, who left several big private bequests, including a gift of \$50,000 to her nurse, Nellie K. McIsaac. The estate is worth about \$300,000, of which \$200,000 is personal and \$100,000 real property.

Under the will of Herbert L. Littlefield, filed in the probate office yesterday, the entire property of the testator goes to George E. Kimball, an assistant clerk of the superior court, and his brother, Allen Kimball, Littlefield committed suicide by drowning in the Charles river. The testator was a friend of the Kimballs whom he had known from boyhood. He was a personal friend of their father and their uncle. He was unmarried. His nearest relatives were cousins. George E. Kimball is executor of the will. The exact value of the estate is not known, but it is said to be about \$35,000.

The will of Olive L. Hubbard was filed in the probate office yesterday. She left \$2000 to Henry O. Cushman in trust for the benefit of her grandson, William E. Drew, the principal to be paid him when he reaches the age

of 21 and he should not live to attain that age then the money will go to the American board of commissioners for foreign missions, and \$5000 to Cushman in trust, the net income to be paid to Eunice H. Huntley, sister of the testatrix, for life and on her death \$2000 of the amount will go to the American Bible society, and \$2000 to the American tract society. Mr. Cushman is named as executor. The will is dated April 10, 1909.

Judge George of the probate court yesterday authorized James S. Murphy

and John R. Murphy, trustees under the will of Mary J. O'Reilly, widow of John Boyle O'Reilly, to sell the estate in Hull where the famous poet lived. The price to be paid for it is \$7000.

**LOSS IS \$200,000**

# COMET SEEN BY ALL

## Was Clearly Visible in Western Sky Last Night, but Not Brilliant

For the first time since its proximity to our planet, Halley's comet was clearly visible last night from sunset until about 11 o'clock. It appeared as a star followed by a long trail of light. It is not nearly so brilliant as it would have been if seen a week ago, when much nearer the earth. It was viewed by many thousands last night, appearing as soon as the light had faded sufficiently after sunset. It was noticed that occasionally the tail would appear much more luminous than at others, acting like a streamer in the northern lights. The length of the tail, measured by the astronomers, was from 30 to 40 degrees, only one-third the length reported when the comet was nearer the earth.

It was unfortunate that it was not seen in the period of its greatest brilliancy. It will be seen again tonight if the sky is clear, from dark till 10.07, when it sets or goes down in the west. It should be visible for over three hours.

The assertion that the tail was lost or had divided in two parts and that even the head had been divided seems

to be without foundation, judging from the normal appearance of the comet last night.

The Harvard astronomers are supported in their contention that the comet's nucleus is not divided, by observations made last night by Prof. David Todd of the Amherst college observatory, who reported that the comet's head is normal.

There will, therefore, be no need of calling in an alienist for expert examination.

**COMET'S HEAD NORMAL**  
AMHERST, May 27.—Observations of Halley's comet, made last night by Prof. David Todd at the Amherst college observatory, indicated that the comet's head is again normal. No traces could be seen of the bifurcation of the comet's head, reported by an Arizona observer. The tail last night was 30 degrees long.

**VISIBLE UNTIL JUNE 10**  
PROVIDENCE, R. I., May 27.—Halley's comet will be visible on its west-

ward flight until June 10, according to an announcement made last night by Frank E. Seagrave, the astronomer who is said to have first computed accurately the comet's ephemeris, or time of appearance, in the eastern sky. As a whole, Mr. Seagrave found the wanderer more brilliant than he expected, he said.

Brown students gathered on College hill and cheered Halley and his comet. The parks throughout the city were thronged by thousands of comet gazers.

**BOSTON PEOPLE INTERESTED**  
BOSTON, May 27.—Thousands of Bostonians came out in the balmy air last night to gaze upon Halley's comet. Around the "telescope man" on the common the crowd fairly crawled over one another to hear the "real" story of the "bifurcated" tail, the split nucleus, and the strange "jet."

**VISIBLE AT HARVARD**  
CAMBRIDGE, May 27.—For more than three hours Halley's comet was

## FALLING HAIR

People in Paris Have a Simple Way of Stopping It

It was Dr. Sangerbon, of Paris, who first discovered that dandruff and falling hair were caused by a microbe. So in Paris, where the hair is better understood than in America, the people found that the easiest way to stop falling hair and get rid of dandruff was to kill the microbe that did the damage.

And now that Parisian Sage, the remedy that kills the dandruff germ is sold in every town in America, the clean people of this country have awakened to the fact that dandruff is unnecessary; that falling hair and itching scalp can be quickly stopped, and that people who use Parisian Sage will never grow bald.

To every reader of The Sun who wishes to eradicate disgusting dandruff, stop falling hair, and have an immaculately clean scalp, free from itching, Carter & Sherburne make this offer:

Money returned without red tape, if Parisian Sage does not banish dandruff, stop falling hair and itching scalp in two weeks.

Parisian Sage is sold by druggists everywhere, and by Carter & Sherburne for 50 cents a large bottle. It is an ideal, daintily perfumed hair dressing, free from grease and stickiness, and will cause hair to grow lustrous and luxuriant. It is used by refined women the world over.

Mail orders filled, charges prepaid, by the American makers, Giroux Mfg. Co., Buffalo, N. Y. The girl with the Auburn hair is on every package.

visible at the Harvard college observatory last night, it being the first time a satisfactory view had been secured since the comet went into the west.

The nucleus, measured photometrically with the large telescope, was found to be of 6.43 magnitude, which compared with a magnitude of 6.57 of two nights ago, showing the nucleus, had grown slightly brighter.

Notwithstanding it was recently reported that the nucleus had divided nothing of such a division was seen last night, in fact the head of the comet was found to be quite sharp and stella.

The maximum of light or "jet," which was seen projecting from the nucleus toward the southwest on May 23 and May 24, measuring some two and a half minutes of arc, had entirely disappeared last night.

From the observations taken by the naked eye the total light of the head was estimated to be of about 2. magnitude or about equal to the Polar star.

The length of the tail was estimated to be of about 40 degrees, possibly longer and extending nearly to Jupiter.

## WANT FIGHT STOPPED

CHICAGO, May 27.—The Presbyterian Brotherhood of Chicago last night addressed an appeal to Gov. Gillett of California to prevent the proposed boxing contest between Jeffries and Johnson. The telegram sent to the California executive is as follows:

"We, business men of the Chicago Brotherhood, in the name of all that stands for true and manly sport in America, respectfully urge upon you

the prevention of the Jeffries-Johnson prize fight or so-called boxing match. By so doing your great power as gov-

ernor will be exerted for its highest purpose, clean sports encouraged, the baneful influence of moving pictures of

fighting bouts prevented and the honor of your great state upheld in the minds of all good citizens of the nation."

## High Cost of Living Contest

Madam—you try to serve palatable, satisfying meals and probably you often think marketing is very expensive.

We've thought about the high cost of living also. We are interested to know just how good a dinner—costing fifty cents—can be served to five people.

To the housewife who submits in writing the best menu for a 50c. dinner sufficient for a family of five persons, we will present the choice of a

## BARSTOW RANGE ABSOLUTELY FREE

This contest closes June 15, 1910. There are no coupons to save or cut out. Just write one menu or several—on one side of any kind of paper, hand to any BARSTOW STOVE dealer or mail to "Range Contest Department," BARSTOW STOVE COMPANY, Providence, R. I.

This contest will be decided strictly on its merits by the following committee which has consented to judge for us:

Mr. M. H. Reidy, Business Manager of The Lowell "Sun"; Mr. John P. Curley, of the John Street Public Market; and Mr. D. L. Page of the D. L. Page Co.

Don't forget to put your name and address on each menu you send and remember that each dish you name must be figured at the actual market cost of food.

Learn what a splendid range you can compete for, by stepping into a BARSTOW STOVE Dealer's and asking to see it.

BARSTOW RANGES possess every improvement worthy of use in a range and many special time and labor-saving features found in no other ranges.

We will award a combination range with gas oven and gas shelf for use with or without coal fire.

It has two heat indicators, sectional covers, towel dryer, oven food rake, sinning cover; nickel parts detach quickly when polishing.

Like all BARSTOW RANGES, it will cook a 50c. or \$50 dinner with two-thirds the fuel required by other makes.

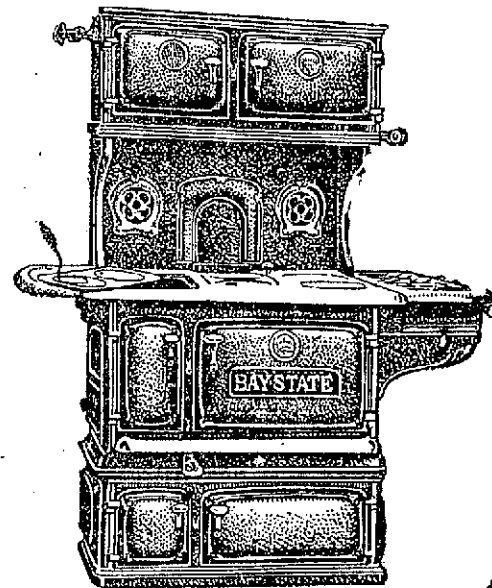

Put your thinking cap on now. Send in your menu today.

## RIKER-JAYNES WEEKLY BULLETIN

ONE of the leading magazines prints this month an article on the danger of using adulterated, impure and habit forming drugs, and the writer concludes with the following advice:—

"He can size up his drug store, take the measure of the man in charge and resolutely refuse to buy of the man who is careless about what he passes over the counter. Always in every town there are some druggists who are more careful than others. And some who have more morals and more conscience about what they do. \* \* \* Everyone can hunt out the druggist whom he prefers to trust."

The whole article is a boost for Riker-Jaynes' methods. Our whole business life has been devoted to studying methods to safeguard your interests. We conduct an analytical laboratory, which insures to us and to you drugs of high quality, and you will find our drug clerks men of experience and intelligence.

# GOVERNOR HUGHES

## Failed to Secure His Direct Nomination Bill

ALBANY, N. Y., May 27.—With haunting visions of being called back into extra session because of their failure to enact such electoral reforms as are advocated by Gov. Hughes two hundred three legislators prepared to leave for their homes today. Starting with the most sensational bribery trial in the legislative annals of the state—the trial of Senator Jotham P. Allen—and ending in a red hot fight over the various direct primary measures the session which ended at noon today has been one of the most strenuous in years.

Governor Hughes fails to secure his pet direct nominations scheme but has been fortunate in obtaining favorable legislation on all his other more important recommendations. They include the state's refusal to endorse the federal income tax amendment to the federal constitution, a resolution calling for a general investigation of corrupt practices, the placing of telephone and telegraph companies under supervision of the public service commission, second district, strengthening the laws against race track gambling, more stringent measures for the suppression of the "white slave traffic" and important reform in the insurance and banking laws.

### BIG ATHLETIC MEET

PHILADELPHIA, May 27.—Taken as a whole, the class of athletes who will compete in the annual intercollegiate track and field championships, which begin on Franklin field this afternoon, is as good as any that have been brought together in this important college athletic meet in years.

On the performance during this spring it would appear that the team championship will be won by either Harvard, Yale or Pennsylvania. Yale is strong in the field events. Harvard is well equipped in both field and track and will make a desperate attempt to retain the championship won last year, while Pennsylvania's greatest strength lies in her track men up to and including the one mile event.

The smaller colleges with a few stars may be important figures in determining the championship.

With the exception of the one and two mile races, all the track events today will be limited to trial heats, leaving finals until tomorrow.

The trials in the pole vault and high jump events today will reduce the large number of entrants to five for the finals. The height cleared today will not count, except to gain admission in the finals.

In the shotput, hammer throw and broad jump, however, the distance will count, and the men making the best performance today or tomorrow in these three events will be the winners.

The weather is perfect and the track fast.

### GEORGE C. LEE'S WILL

CAMBRIDGE, May 27.—The will of the late George C. Lee of Newbury, grandfather of Mrs. Alice Roosevelt Longworth, was allowed by Judge McIntyre of the Middlesex county probate court here today. Mr. Lee left an estate and personal property valued at \$975,000. Of this estate Mrs. Longworth receives one-twelfth of the residue. The bequests were all of a private nature.

### EX-REP. OVERSTREET DEAD

INDIANAPOLIS, May 27.—Former Congressman Jesse Overstreet, who represented this, the seventh district of Indiana, from 1892 to 1906, died at his home here after a long illness.

**Dr. Temple's Treatment Free to the Sick**

Anybody applying for treatment at the office, 97 Central street, Mansur block, rooms 10, 11, 12, will be treated one week free, that is, without charge or compensation whatsoever for medicines, office treatment or advice. No money will be asked or accepted under any circumstances. This is absolutely and positively free to all sufferers with any form of a nervous or chronic disease of the stomach, liver, kidneys, bladder, blood or rectum. The offer is limited in time only. You must come this week.

**THE FREE TREATMENT PLAN** is not a philanthropic or charity offer, but simply a business proposition, made for the purpose of becoming quickly acquainted with the sick, to introduce this new and progressive method of treatment and to prove this wonderful system of healing; therefore, all may call—the high, the low, the rich, the poor, without fear or favor. The doctor believes that the grateful (and deserving) of the many who will be relieved and cured will attract public attention to his office and system of treatment and bring sufficient patronage to repay for the great outlay and expense entailed by this offer.

### CABINET RESIGNED

COPENHAGEN, May 27.—The resignation of the cabinet whose policy of defense failed to receive support in the recent election was placed before King Frederick by Premier Zeplo today. His majesty asked that the ministers continue their duties pending the election of their successors.

### EXPERT TESTIMONY

ST. LOUIS, Mo., May 27.—That expert testimony is to play an important part in the trial of Mrs. Dorothy Erder charged with the murder of William Erder, developed today. Dr. J. A. Hartman of the corner's office was the first witness called when court reconvened. The question of whether Erder was suffering from a malady for which arsenical compound was used was asked repeatedly in the cross-examination of witnesses by Mrs. Doxey's attorneys today.
